Subject: Resolution Regarding the Siting of Energy Facilities

Hello Katie,

Ed Amidon asked that I send you the Resolution that the Charlotte Selectboard approved regarding the siting of energy facilities. The Charlotte Selectboard slightly amended the Resolution that the Town of Rutland Selectboard passed and distributed, in order to include all energy facilities, not just solar facilities.

Please feel free to let me know if you have any questions.

Best,

Dean Bloch
Town Administrator
Town of Charlotte
P.O. 119
Charlotte, VT 05445
