

Hi Ms. Burke-

I just wanted to let you know that I've reviewed H.399 (Draft 3.2) and our office supports it as written. I'm happy to testify and answer any questions about our position on the bill any time today, but I know it's a busy day and if the committee is content with my representation that we support the bill, I don't have much else to say about it and don't need to take up the committee's time if it's not necessary.

Thanks,
Marshall
