Introduced by Representative Sweaney of Windsor

Referred to Committee on

Date:

Subject: Public records act; government transparency office; enforcement

Statement of purpose: This bill proposes to establish a government
transparency office to administer the requirements of the public records act.

The bill would also amend procedural and fee requirements under the public
records act.

An act relating to establishing a government transparency office to enforce
the public records act

It is hereby enacted by the General Assembly of the State of Vermont:

~~Sec. 1. 1 V.S.A. § 315 is amended to read:~~

~~§ 315. STATEMENT OF POLICY~~

~~It is the policy of this subchapter to provide for free and open examination
of records consistent with Chapter I, Article 6 of the Vermont Constitution.
Officers of government are trustees and servants of the people and it is in the
public interest to enable any person to review and criticize their decisions even
though such examination may cause inconvenience or embarrassment. All
people, however, have a right to privacy in their personal and economic~~

1 ~~pursuits, which ought to be protected unless specific information is needed to~~
2 review the action of a governmental officer. Consistent with these principles,
3 the general assembly hereby declares that certain public records shall be made
4 available to any person as hereinafter provided. To that end, the provisions of
5 this subchapter shall be liberally construed ~~with the view towards carrying out~~
6 ~~the above declaration of public policy to implement this policy, and the burden~~
7 of proof for nondisclosure of a public record shall be on the agency that would
8 deny access to the public record.

9 Sec. 2. 1 V.S.A. § 316 is amended to read:

10 § 316. ACCESS TO PUBLIC RECORDS AND DOCUMENTS

11 (a) Any person may inspect or copy any public record or document of a
12 public agency, on any day other than a Saturday, Sunday, or a legal holiday,
13 between the hours of nine o'clock and 12 o'clock in the forenoon and between
14 one o'clock and four o'clock in the afternoon; provided, however, if the public
15 agency is not regularly open to the public during those hours, inspection or
16 copying may be made during customary office hours.

17 (b) If copying equipment maintained for use by a public agency is used by
18 the agency to copy the public record or document requested, the agency may
19 charge and collect from the person requesting the copy the actual cost of
20 providing the copy. The agency may also charge and collect from the person
21 making the request, the costs associated with mailing or transmitting the record

1 ~~by facsimile or other electronic means. Nothing in this section shall exempt~~
2 any person from paying fees otherwise established by law for obtaining copies
3 of public records or documents, but if such fee is established for the copy, no
4 additional costs or fees shall be charged.

5 (c) In the following instances an agency may also charge and collect the
6 cost of staff time associated with complying with a request ~~for a~~ to inspect or
7 to copy of a public record: (1) the time directly involved in complying with
8 the request exceeds ~~30 minutes~~ two hours; (2) the agency agrees to create a
9 public record; or (3) the agency agrees to provide the public record in a
10 nonstandard format and the time directly involved in complying with the
11 request exceeds ~~30 minutes~~ two hours. The agency may require that requests
12 subject to staff time charges under this subsection be made in writing and that
13 all charges be paid, in whole or in part, prior to delivery of the copies. Upon
14 request, the agency shall provide an estimate of the charge.

15 (d) The secretary of state, after consultation with the secretary of
16 administration, shall establish the actual cost of providing a copy of a public
17 record that may be charged by state agencies. The secretary shall also
18 establish the amount that may be charged for staff time, when such a charge is
19 authorized under this section. To determine "actual cost" the secretary shall
20 consider the following only: the cost of the paper or the electronic media onto
21 which a public record is copied, a prorated amount for maintenance and

1 ~~replacement of the machine or equipment used to copy the record and any~~
2 utility charges directly associated with copying a record. The secretary of state
3 shall adopt, by rule, a uniform schedule of public record charges for state
4 agencies.

5 (e) After public hearing, the legislative body of a political subdivision shall
6 establish actual cost charges for copies of public records. The legislative body
7 shall also establish the amount that may be charged for staff time, when such a
8 charge is authorized under this section. To determine actual cost charges, the
9 legislative body shall use the same factors used by the secretary of state. If a
10 legislative body fails to establish a uniform schedule of charges, the charges
11 for that political subdivision shall be the uniform schedule of charges
12 established by the secretary of state until the local legislative body establishes
13 such a schedule. A schedule of public records charges shall be posted in
14 prominent locations in the town offices.

16 Sec. 3. 1 V.S.A. § 317 is amended to read:

8 copying.

9 ~~(b) As used in this subchapter, "public record" or "public document" means~~
10 ~~any written or recorded information, regardless of physical form or~~
11 ~~characteristics, which is produced or acquired in the course of public agency~~
12 ~~business. Individual salaries and benefits of and salary schedules relating to~~
13 ~~elected or appointed officials and employees of public agencies shall not be~~
14 ~~exempt from public inspection and copying~~

15 (1) A person's "right to privacy" or "personal privacy," as these terms
16 are used in this subchapter, is violated or invaded only if disclosure of
17 information about the person reveals intimate details of a person's life,
18 including any information that might subject the person to embarrassment,
19 harassment, disgrace, or loss of employment or friends.

20 (2) The provisions of this subchapter addressing the "right to privacy" or

4 Sec. 4. 1 V.S.A. § 318 is amended to read:

5 § 318. PROCEDURE

6 (a) Upon request, the custodian of a public record shall promptly produce
7 the record for inspection, except that:

8 (1) if the record is in active use or in storage and therefore not available
9 for use at the time the person asks to examine it, the custodian shall so certify
10 this fact in writing to the applicant and set a date and hour within one calendar
11 week of the request when the record will be available for examination;

12 (2) if the custodian considers the record to be exempt from inspection
13 under the provisions of this subchapter, the custodian shall so certify in
14 writing. Such certification shall identify the records withheld and the basis for
15 the denial. ~~The~~ A record shall be produced for inspection or a certification
16 shall be made that a record is exempt within two five business days of the day
17 of the request, unless otherwise provided in subdivision (5) of this subsection.

18 The certification shall include the asserted statutory basis for denial and a brief
19 statement of the reasons and supporting facts for denial. The custodian shall
20 also notify the person of his or her right to appeal ~~to the head of the agency any~~
21 ~~adverse determination appeal~~ under section 319 of this title or to file a

1 ~~complaint with the government transparency office under 3 V.S.A. chapter 5,~~

2 ~~subchapter 4;~~

3 (3) ~~if appealed to the head of the agency, the head of the agency shall~~
4 ~~make a determination with respect to any appeal within five days, excepting~~
5 ~~Saturdays, Sundays, and legal public holidays, after the receipt of such appeal.~~

6 ~~If an appeal of the denial of the request for records is in whole or in part~~
7 ~~upheld, the agency shall notify the person making such request of the~~
8 ~~provisions for judicial review of that determination under section 319 of this~~
9 ~~title;~~

10 (4) ~~if a record does not exist, the custodian shall certify in writing that~~
11 ~~the record does not exist under the name given to the custodian by the~~
12 ~~applicant or by any other name known to the custodian;~~

13 (5)(4) ~~in unusual circumstances as herein specified the time limits~~
14 ~~prescribed in this subsection may be extended by written notice to the person~~
15 ~~making such request setting forth the reasons for such extension and the date~~
16 ~~on which a determination is expected to be dispatched. No such notice shall~~
17 ~~specify a date that would result in an extension for more than ten working days~~
18 ~~from the day of the initial request. As used in this subdivision, "unusual~~
19 ~~circumstances" means to the extent reasonably necessary to the proper~~
20 ~~processing of the particular request:~~

1 ~~(A) the need to search for and collect the requested records from field~~

2 facilities or other establishments that are separate from the office processing
3 the request;

4 (B) the need to search for, collect, and appropriately examine a
5 voluminous amount of separate and distinct records which are demanded in a
6 single request; or

7 (C) the need for consultation, which shall be conducted with all
8 practicable speed, with another agency having a substantial interest in the
9 determination of the request or among two or more components of the agency
10 having substantial subject matter interest therein, or with the attorney general.

11 (b) Any person making a request to any agency for records under
12 subsection (a) of this section shall be deemed to have exhausted the person's
13 administrative remedies with respect to each request if the agency fails to
14 comply within the applicable time limit provisions of this section. Upon any
15 determination by an agency to comply with a request for records, the records
16 shall be made available promptly to the person making such request. Any
17 notification of denial of any request for records under this section shall set
18 forth the names and titles or positions of each person responsible for the denial
19 of such request.

20 (c)(1) Any denial of access by the custodian of a public record may be
21 appealed to the head of the agency. The head of the agency shall make a

1 ~~written determination on an appeal within five business days after the receipt~~
2 ~~of the appeal. A written determination shall include the asserted statutory basis~~
3 ~~for denial and a brief statement of the reasons and supporting facts for denial.~~

4 (2) ~~If the head of the agency reverses the denial of a request for records,~~
5 ~~the records shall be promptly made available to the person making the request.~~
6 ~~A failure by the agency to comply with any of the time limit provisions of this~~
7 ~~section shall be deemed a final denial of the request for records by the agency~~
8 ~~under section 319 of this title or a complaint may be filed with the government~~
9 ~~transparency office under 3 V.S.A. chapter 5, subchapter 4.~~

10 (d) ~~In responding to a request to inspect or copy a record under this~~
11 ~~subchapter, a public agency shall consult with the person making the request in~~
12 ~~order to clarify the request or to obtain additional information that will assist~~
13 ~~the public agency in responding to the request and, when authorized by this~~
14 ~~subchapter, in facilitating production of the requested record for inspection or~~
15 ~~copying. In unusual circumstances, as that term is defined in subdivision~~
16 ~~(a)(4) of this section, a public agency may request that a person seeking a~~
17 ~~voluminous amount of separate and distinct records narrow the scope of a~~
18 ~~public records request.~~

7 of business, or in which the public records are situated, or in the superior court

15 burden is of proof for nondisclosure of a public record shall be on the agency
16 to sustain its action.

18 proceedings before the superior court, as authorized by this section, and
19 appeals there from, take precedence on the docket over all cases and shall be

21 and expedited in every way.

2 exist and that the agency is exercising due diligence in responding to the
3 request, the court may retain jurisdiction and allow the agency additional time
4 to complete its review of the records.

5 (d) The court may assess against the public agency reasonable attorney fees
6 and other litigation costs reasonably incurred in any case under this section in
7 which the complainant has substantially prevailed. A public agency that does
8 not comply with or appeals an order issued under 3 V.S.A. § 145 by the
9 director of the government transparency office requiring disclosure of a record
10 shall be presumed to be liable under this subsection for reasonable attorney
11 fees and other litigation costs when the complainant has substantially
12 prevailed.

9 (4) Whether the exception protects an individual's right to privacy and,
10 if so, whether that interest substantially outweighs the public interest in the
11 disclosure of records;

13 disadvantage and, if so, whether that business's interest substantially
14 outweighs the public interest in the disclosure of records;

17 substantially outweighs the public interest in the disclosure of records;

19 public or the public in general and, if so, whether that safety interest
20 substantially outweighs the public interest in the disclosure of records;

21 (8) Whether the exception is as narrowly tailored as possible;

1 ~~(9) Whether public disclosure of a public record interferes with good~~
2 ~~governance and if so whether it outweighs the public interest in disclosure;~~

4 ~~the value of the exemption as compared to the public's interest in the record~~
5 ~~protected by the exception.~~

6 ~~(d) The review committee may hold public hearings and solicit the input of~~
7 ~~interested parties regarding exemptions under its review. The office of the~~
8 ~~secretary of state and the office of the attorney general shall provide staff~~

~~(2) The provisions of this subchapter addressing the "right to privacy" or "personal privacy" in personal and economic pursuits do not create any right beyond the rights specified under subsection (c) of this section as express exemptions to the public's right to inspect or copy public records.~~

~~Sec. 4. 1 V.S.A. § 318 is amended to read:~~

~~§ 318. PROCEDURE~~

~~(a) Upon request, the custodian of a public record shall promptly produce the record for inspection, except that:~~

~~(1) if the record is in active use or in storage and therefore not available for use at the time the person asks to examine it, the custodian shall so certify this fact in writing to the applicant and set a date and hour within one calendar week of the request when the record will be available for examination;~~

~~(2) if the custodian considers the record to be exempt from inspection under the provisions of this subchapter, the custodian shall so certify in writing. Such certification shall identify the records withheld and the basis for the denial. The A record shall be produced for inspection or a certification shall be made that a record is exempt within ~~two~~ three business days of receipt of the request, unless otherwise provided in subdivision (5) of this subsection.~~

~~The certification shall include the asserted statutory basis for denial and a brief statement of the reasons and supporting facts for denial. The custodian shall also notify the person of his or her right to appeal to the head of the agency any adverse determination;~~

~~(3) if appealed to the head of the agency, the head of the agency shall make a determination with respect to any appeal within five business days, excepting Saturdays, Sundays, and legal public holidays, after the receipt of such appeal. If an appeal of the denial of the request for records is in whole or in part upheld, the agency shall notify the person making such request of the provisions for judicial review of that determination under section 319 of this title;~~

~~(4) if a record does not exist, the custodian shall certify in writing that the record does not exist under the name given to the custodian by the applicant or by any other name known to the custodian;~~

~~(5) in unusual circumstances as herein specified the time limits prescribed in this subsection may be extended by written notice to the person making such request setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than ten working business days from receipt of the request. As used in this subdivision, "unusual circumstances" means to the extent reasonably necessary to the proper processing of the particular request:~~

~~(A) the need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;~~

~~(B) the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or~~

~~(C) the need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein, or with the attorney general.~~

~~(b) Any person making a request to any agency for records under subsection (a) of this section shall be deemed to have exhausted the person's administrative remedies with respect to each request if the agency fails to comply within the applicable time limit provisions of this section. Upon any determination by an agency to comply with a request for records, the records shall be made available promptly to the person making such request. Any notification of denial of any request for records under this section shall set~~

A written determination shall include the asserted statutory basis for denial and a brief statement of the reasons and supporting facts for denial.~~

~~(2) If the head of the agency reverses the denial of a request for records, the records shall be promptly made available to the person making the request. ~~(d) In responding to a request to inspect or copy a record under this subchapter, a public agency shall consult with the person making the request in order to clarify the request or to obtain additional information that will assist the public agency in responding to the request and, when authorized by this subchapter, in facilitating production of the requested record for inspection or copying. ~~(e) A public agency shall not withhold any record in its entirety on the basis that it contains some exempt content if the record is otherwise subject to disclosure; instead, the public agency shall redact the information it considers to be exempt and produce the record accompanied by an explanation of the basis for denial of the redacted information.~~

~~(f) If a person making the request has a disability which requires accommodation to gain equal access to the public record sought, the person shall notify the public agency of the type of accommodation requested. The public agency shall give primary consideration to the accommodation choice expressed by the requestor, but may propose an alternative accommodation so long as it achieves equal access. The public agency shall provide accommodation to the person making the request unless the agency can demonstrate that accommodation would result in a fundamental alteration in the nature of its service, programs, activities, or an undue financial and administrative burden.~~

(3) if appealed to the head of the agency, the head of the agency shall make a determination with respect to any appeal within five business days; ~~excepting Saturdays, Sundays, and legal public holidays~~, after the receipt of such appeal. If an appeal of the denial of the request for records is in whole or in part upheld, the agency shall notify the person making such request of the provisions for judicial review of that determination under section 319 of this title;

(4) if a record does not exist, the custodian shall certify in writing that the record does not exist under the name given to the custodian by the applicant or by any other name known to the custodian;

(5) in unusual circumstances as herein specified the time limits prescribed in this subsection may be extended by written notice to the person making such request setting forth the reasons for such extension and the date

on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than ten ~~working~~ business days from receipt of the request. As used in this subdivision, "unusual circumstances" means to the extent reasonably necessary to the proper processing of the particular request:

(A) the need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(B) the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(C) the need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein, or with the attorney general.

(b) Any person making a request to any agency for records under subsection (a) of this section shall be deemed to have exhausted the person's administrative remedies with respect to each request if the agency fails to comply within the applicable time limit provisions of this section. Upon any determination by an agency to comply with a request for records, the records shall be made available promptly to the person making such request. Any notification of denial of any request for records under this section shall set forth the names and titles or positions of each person responsible for the denial of such request.

(c)(1) Any denial of access by the custodian of a public record may be appealed to the head of the agency. The head of the agency shall make a written determination on an appeal within five business days after the receipt of the appeal. A written determination shall include the asserted statutory basis for denial and a brief statement of the reasons and supporting facts for denial.

(2) If the head of the agency reverses the denial of a request for records, the records shall be promptly made available to the person making the request. A failure by the agency to comply with any of the time limit provisions of this section shall be deemed a final denial of the request for records by the agency.

(d) In responding to a request to inspect or copy a record under this subchapter, a public agency shall consult with the person making the request in order to clarify the request or to obtain additional information that will assist the public agency in responding to the request and, when authorized by this subchapter, in facilitating production of the requested record for

inspection or copying. In unusual circumstances, as that term is defined in subdivision (a)(5) of this section, a public agency may request that a person seeking a voluminous amount of separate and distinct records narrow the scope of a public records request.

(e) A public agency shall not withhold any record in its entirety on the basis that it contains some exempt content if the record is otherwise subject to disclosure; instead, the public agency shall redact the information it considers to be exempt and produce the record accompanied by an explanation of the basis for denial of the redacted information.

(f) If a person making the request has a disability which requires accommodation to gain equal access to the public record sought, the person shall notify the public agency of the type of accommodation requested. The public agency shall give primary consideration to the accommodation choice expressed by the requestor, but may propose an alternative accommodation so long as it achieves equal access. The public agency shall provide accommodation to the person making the request unless the agency can demonstrate that accommodation would result in a fundamental alteration in the nature of its service, programs, activities, or in undue financial and administrative burden.

(g) The secretary of state shall provide municipal public agencies and members of the public information and advice regarding the requirements of the public records act and may utilize informational websites, toll-free telephone numbers, or other methods to provide such information and advice.

Sec. 5. 1 V.S.A. § 319 is amended to read:

§ 319. ENFORCEMENT

(a) Any person aggrieved by the denial of a request for public records under this subchapter may apply to the civil division of the superior court in the county in which the complainant resides, or has his or her personal place of business, or in which the public records are situated, or in the civil division of the superior court of Washington County, to enjoin the public agency from withholding agency records and to order the production of any agency records improperly withheld from the complainant. In such a case, the court shall determine the matter de novo, and may examine the contents of such agency records in camera to determine whether such records or any part thereof shall be withheld under any of the exemptions set forth in section 317 of this title, and the burden ~~is~~ of proof shall be on the public agency to sustain its action.

(b) Except as to cases the court considers of greater importance, proceedings before the civil division of the superior court, as authorized by this section, and appeals there from, take precedence on the docket over all

cases and shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(b) In the event of noncompliance with the order of the court, the civil division of the superior court may punish for contempt the responsible employee or official, and in the case of a uniformed service, the responsible member.

(b) Reports filed pursuant to this section shall be an exempt record and confidential pursuant to ~~subdivision 317(b)(1) of Title 1~~ 1 V.S.A. § 317(c)(1) and shall be maintained for the sole and confidential use of the commissioner, except that the reports may be disclosed to the federal government or to the appropriate energy agency or department of another state with substantially similar confidentiality statutes for regulations with respect to such reports. However, the commissioner shall make available to appropriate committees of the general assembly statistical information derived from the reports required by this section, provided that this may be done in a manner which preserves the confidentiality of the reports submitted by particular persons.

Sec. 10. 32 V.S.A. § 3755(e) is amended to read:

(e) Any applicant for appraisal under this subchapter bears the burden of proof as to his or her qualification. Any documents submitted by an applicant as evidence of income shall be held in confidence by any person accepting or reviewing them pursuant to provisions of this subchapter, and shall not be made available for public examination, whether or not such person is subject to the provisions of ~~subdivision 317(a)(6) of Title 1~~ 1 V.S.A. § 317(c)(6).

Sec. 11. PUBLIC RECORDS LEGISLATIVE STUDY COMMITTEE

(a) There is established a legislative study committee to review the requirements of the public records act and the numerous exemptions to that act in order to assure the integrity, viability, and the ultimate purposes of the act. The review committee shall consist of:

(1) Three members of the house of representatives, appointed by the speaker of the house; and

(2) Three members of the senate, appointed by the committee on committees.

(b) The review committee shall review the exemptions set forth in 1 V.S.A. § 317 or elsewhere in the Vermont Statutes Annotated to the inspection and copying of public records under the public records act, 1 V.S.A. chapter 5, subchapter 3. Prior to each legislative session, the committee shall submit to the house and senate committees on government operations and the house and senate committees on judiciary recommendations concerning whether the public records act and exemptions under the act from inspection and copying of a public record should be repealed, amended, or remain unchanged. The report of the committee may take the form of draft legislation.

(c) In reviewing and making a recommendation under subsection (b) of this section, the study committee may review:

(1) Whether the public records act requires revision;

(2) Whether an exemption to inspection or copying under the public records act is necessary, antiquated, or in need of revision;

(3) Whether an exemption to inspection or copying under the public records act is as narrowly tailored as possible, including the need to clarify the term "personal documents" referenced in 1 V.S.A. § 317(c)(7) in order to ensure that it does not unintentionally limit access to public records that are not personnel records; and

(4) Whether the public records act should be amended to clarify application of the act to contracts between a public agency and a private entity for the performance of a governmental function;

(5) Whether or not to authorize a public agency to charge for staff time associated with responding to a request to inspect or copy a public record, including whether an agency should be authorized to charge for the staff time incurred in locating, reviewing, or redacting a public record; and

(6) Any other criteria that assist the review committee in determining the value of an exemption as compared to the public's interest in the public record protected by the exemption.

(7) Whether a municipality and how a municipality shall appoint or designate an official, officer, or employee responsible for advising municipal employees and any agency, board, committee, department, instrumentality, commission, or authority of the municipality regarding the requirements of the public records act and proper management of public records. (d) In developing recommendations authorized under subsection (a) of this section, the study committee shall consult with the secretary of administration, the secretary of state, the office of the attorney general, representatives of municipal interests, representatives of school or education interests, representatives of the media, and advocates for access to public records.

(e) The study committee shall elect co-chairs from among its members. For attendance at a meeting when the general assembly is not in session, legislative members of the commission shall be entitled to the same per diem compensation and reimbursement for actual and necessary expenses as provided members of standing committees under 2 V.S.A. § 406. The study committee is authorized to meet three times each year during the interim between sessions of the general assembly, provided that the speaker of the house and the committee on committees may authorize the study committee to

hold additional meetings during the interim between sessions so that the committee may accomplish its charge.

(f) Legislative council shall provide legal and administrative services to the study committee. The study committee may utilize the legal, research, and administrative services of other entities, such as educational institutions and, when necessary for the performance of its duties, the Vermont state archives and records administration.

Sec. 12. LEGISLATIVE COUNCIL; LIST OF PUBLIC RECORDS ACT EXEMPTIONS

The legislative council, under its statutory revision authority set forth in 2 V.S.A. § 421, shall compile a list of all known Vermont statutory exemptions to the inspection and copying of public records under the public records act, 1 V.S.A. chapter 5, subchapter 3. Legislative council shall publish the list of exemptions compiled under this section as a statutory revision note to 1 V.S.A. § 317 and shall update the list as necessary.

Sec. 13. STATE AGENCY PUBLIC RECORDS REQUEST SYSTEM

(a) Beginning July 1, 2011, all state agencies that receive a request to inspect or copy a public record shall catalogue the request in the public records request system that the secretary of administration established in response to the requirements of Sec. 3 of No. 132 of the Acts of the 2005 Adj. Sess. (2006).

(b) The secretary of administration shall revise and update the public records request system so that it includes: the date a public records request is received; the state agency that received the request; the organization or individual that made the request, including a contact name; the status of the request, including whether the request was fulfilled in whole, fulfilled in part, or denied; if the request was fulfilled in part or denied, the exemption or other grounds asserted as the basis for partial fulfillment or denial; the estimated hours necessary to respond to the request; the date the state agency closed the request; and the elapsed time between receipt of the request and the date the agency closed the request.

(c) On or before January 15, 2012, and annually thereafter, the secretary of administration shall submit to the senate and house committees on government operations a copy of the records requests catalogued in the public records request system in the preceding calendar year.

(d)(1) As a part of the report issued on or before January 15, 2012 to the senate and house committees on government operations under subsection (c) of this section, the secretary of administration, after consultation with the department of information and innovation and the Vermont state archives and

records administration, shall submit a report regarding implementation by state agencies of an electronic documents management system for the creation, management, archiving, redaction, and confidential designation of records produced or acquired by state agencies. The report shall include a recommendation as to whether a documents management system should be implemented by state agencies.

(2) If the secretary recommends implementation of a document management system, the recommendation shall:

(A) identify a specific document management system for implementation by state agencies. The report shall summarize the operation or application of the system, provide a short explanation of the basis for selection of the system, and describe how the system will improve efficiency of state agencies in managing public records;

(B) estimate the cost of implementation by state agencies of the recommended document system;

(C) propose a schedule for implementation of the recommended document management system by all state agencies.

Sec. 14. PUBLIC RECORDS REQUESTS; MUNICIPALITIES

The secretary of state, after consultation with the Vermont League of Cities and Towns, annually shall survey municipalities in the state regarding whether municipalities are receiving an increased number of requests to inspect records, whether requests for inspection of public records are being used to circumvent copying of a record by a municipality, and whether requests to inspect records pose any administrative burdens on municipalities. For purposes of this subsection, "municipality" shall mean a city, town, village, or school district of the state. On or before January 15, 2012 and annually thereafter, the secretary of state shall submit the results of the survey to the senate and house committees on government operations.

Sec. 15. COURT ADMINISTRATOR REPORT ON PUBLIC RECORDS CASES

On or before January 15, 2012 and annually thereafter, the Vermont court administrator's office shall report to the senate and house committees on government operations regarding contested cases filed in the civil division of the superior court involving disputes under the Public Records Act, as set forth in 1 V.S.A. chapter 5, subchapter 4. The report shall include the number of Public Records Act contested cases filed annually in the civil division of the superior court, the disposition of such cases, and whether attorney's fees were awarded in any of the cases. The court administrator shall submit a copy of a report required under this section to the secretary of state at the same time the

report is submitted to the senate and house committees on government operations.
