**LT. GOVERNOR MOLLY GRAY TO ENGAGE WITH FRANKLIN COUNTY
COMMUNITY ON “RECOVER STRONGER TOUR”**

What: This summer, Lt. Governor Gray will be spending time in communities meeting directly with Vermonters impacted by the pandemic. Together, they will identify the additional resources needed by working families, businesses, communities, and non-profits to not only recover, but recover stronger, from Covid-19. Vermont is set to receive an historic \$2.7 billion in relief through the American Rescue Plan Act of which the legislature has allocated roughly \$600 million. To embrace this opportunity and to make investments that serve the needs of Vermont communities, Lt. Governor Gray will be centering the experiences and voices of Vermonters in the process. This includes taking stock of lessons learned from the pandemic and capturing stories of innovation, perseverance, and resilience. St. Albans will be the second stop on the [Recover Stronger Tour](#).
