Dear Jeremy:

Thank you for taking the time to contact my office. I appreciate you sharing your views on small businesses.

Covid has laid everything bare. We cannot go back, we must go forward and work to recover stronger from this pandemic. Vermont's small business, including fitness clubs, are the backbone of our communities, and ensuring a viable state economy is a top priority of mine.

Thank you again for sharing your views on small businesses. I am deeply committed to elevating the voices of Vermonters, and I hope you will not hesitate to contact my office again. I look forward to seeing you in your community soon.

Wishing you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,

Dear Lieutenant Gray, Thank you for standing up for all of us, and for your commitment to help small businesses. I was chatting with the owner of Middlebury Fitness last week. During the first cycle of stimulus, he was skipped over while area restaurants and the like got the help they needed. Fitness clubs are vital for the health of Vermonters, and I'm hoping you can keep you eye on ways to assure these small businesses get the help they need going forward. Thanks so much- I know it's a small piece, but it's an important part of our overall health in Vermont! Wishing you and yours well,
Jeremy
