House Passed H.361:

The total proposed budget of \$ _____ is the amount determined by the school board to be necessary to support the school district's educational program. It is estimated that this proposed budget, if approved, will result in education spending of \$ _____ per equalized pupil. This projected spending per equalized pupil is _____% higher/lower than spending for the current year. Shall the voters of the school district approve the school board to expend \$ _____, which is the amount the school board has determined to be necessary for the ensuing fiscal year?"

Alternative language from the Agency of Education:

Shall the voters of the school district approve the school board to expend \$ _____, which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$ _____ per pupil. This projected spending per pupil is _____% higher/lower than spending for the current year.
