Dear Robert:

Thank you for taking the time to contact my Office. I appreciate your kind words and thoughtful note of support.

I am grateful for the opportunity to serve Vermont. Please be assured that I am working with Legislative leaders and Governor Scott. We are connecting regularly and working as a team to ensure Vermont recovers stronger from this pandemic. Moreover, I am working with the Governor Scott to make sure, heaven forbid an event should occur, that I stand prepared to serve.

Thank you again for contacting my Office. I hope you will not hesitate to stay in touch.

I wish you good health as we recover from this pandemic.

Sincerely,

A handwritten signature in black ink that reads "Molly R. Gray".

Dear LG Molly Gray, I hope the Gub includes you in his cabinet and does not shut you out like he did to your predecessor. There was a previous LG that was practicing medicine for his day job and one day when he was seeing a patient the phone rang and the LG was told that the governor had passed away and now he is the governor and needs to come down to Montpelier to get sworn in. Phil Scott is in excellent health. But you might understand that there are a lotta eyes on you in our state. A year ago, very few of us knew about you at all. And now you're among the top leaders of our state and a heartbeat away from the top. (That's pretty impressive.) Govern well, Lieutenant. Take good care of us.
