2018 Report of the Selectmen

January

- Windham County Regional Commission, WRC, designated Susan McMahon to handle contractual issues with the sidewalk grants.
- Dutch Hill Management group informed the Selectboard of their plans to begin trail maintenance and other improvements on the former ski hill.
- Selectboard amended the personnel policy as to employee benefits.

February

- Windham Solid Waste Commission reported on changes to the Transfer Station. Composting will become mandatory and a 2-yard container will be purchased so that they can be used for composting material.
- Zoning files from previous zoning administrators organized, backlog cases reviewed and updated and new forms regarding file review and ongoing permit processing developed.

March

- Reorganizational meeting-Helyn Strom Henriksen appointed chairperson and David Marchigiani as vice chairperson. Jim Franzeneli appointed to a one-year term.*
- Selectboard approved the purchase of 2018 Freightliner with trade for \$131,290 to replace the 2007 GMC and to purchase the 2018 International with two trades for \$144,690 to replace the 1999 International for a total of \$275,980.
- The sidewalk project received approval from VTrans.

April

- A new grinder pump was purchased at a cost of \$22,028 for pump and installation. Funds for payment came out of the Sewer Sinking Fund.
- Sheriff Chad Schmidt presented the Selectboard types of services the Bennington County Sheriffs can offer to the town.
- Easement documents were issued to effected residents for the Sidewalk Project.
- Susan McMahon of the Windham Regional Commission (WRC), the designated Local Project Manager for the Readsboro Sidewalk Project, presented a project summary and outlined the anticipated schedule for its construction.
- Selectboard awarded the compost bid to TAM at a cost of a \$90 flat rate, with 4 totes, effective July 1, 2017 through June 30, 2018.
- Selectboard approved purchase of a 2017 Ford F350XL 6,2 gas 3.73 gear ratio red truck with a plow and a cap for the truck bed with a \$10,000 trade in on the Ranger; 2/3's of the purchase price was paid out of the Sewer Sinking Fund and 1/3 from the Water Checking Account.

May

- The Town received a petition to hold a Special Town Meeting. The petitioner called for revenue from the windmills to be used for a new Town garage.
- The Town had posted and interviewed for 3 Highway and weekend water positions.
- Bids were opened and awarded to Weaver Construction for the sidewalk project contractor.

June

- Tyler Filiault, David Dix and Bruce Lescarbeau were hired to fill the 3 vacant highway positions and Dylan Howes was hired for the weekend water/sewer position.
- The Town held the special Town Meeting with articles to create and fund a new town garage construction reserve fund which was defeated. A motion passed to rename Town Owned Building Fund to Town Owned Building or Demolition Reserve Fund. As a result of the meeting, the board agreed to form a Municipal Buildings/ Finance Committee.
- Paving bids for Bailey Hill were opened and awarded to Bazin Bros.

- The sidewalk project started.
- The Town signed an agreement with Great River Hydro to purchase a new siren for the fire house.

July

- Bi weekly meetings of the Municipal Buildings/ Finance Committee were begun to discuss options for a new Town Garage and Town Office. Biweekly meetings continued throughout the summer.

September

- The Selectmen hosted a retirement party at the American Legion for both David McKenna and Eddy Arnold.

October

- Winter Sand and Heartwellville plowing bids were opened and awarded to Eilers Brothers and Barkus Excavating.
- Reappraisal Bids were opened and awarded to NEMRC.

November

- The Public Service Board held a grievance meeting at the school to address Town concerns regarding phone, cell and internet services.
- Mount Snow hosted a Connectivity Summit that was attended by the Administrative Assistant and Broadband Services Chairperson. The Summit focused on the lack of broadband and cell service available to many towns in Vermont.
- The sidewalk project was officially shut down for the winter. The project will be completed in the spring.

December

- The Selectboard along with DPW Superintendent held a hearing to reclassify 4 roads.
- As a result of the Connectivity Summit that was attended in November the Town was involved in the beginning phase of applying for a grant that would hire a consultant to look into the feasibility of broadband service for the entire Town.

Boldface accounts slated for tax sale

On November 13, 2018 the Town conducted a tax sale on twelve (12) properties. Of those twelve parcels, four (4) were purchased by third party buyers and the remaining eight (8) parcels were purchased by the Town. Of those eight purchased by the Town, seven (7) are located in the Alpenwald subdivision. If anyone is interested in purchasing the Town's lien with those seven parcels, please contact me at deltax@readsborovt.org

Thank you, Teddy Hopkins, Appointed Delinquent Tax Collector

Town Administrative 2018 Annual Report

During the course of the year, Readsboro had many changes. The Town hired a new Administrative Assistant as well as 4 highway positions. The Town also had a Selectboard resignation that was filled by appointment.

The Sidewalk project after many years of work from the Board and past Town Administrators finally got started. Most of the work was completed on or under budget with a few things to be finished in the spring.

The Town held a Special Town Meeting with articles to create and fund a new Town Garage Construction Reserve Fund which was defeated. A motion passed to rename Town Owned Building Fund to Town Owned Building or Demolition Reserve Fund. As a result of the meeting, the board agreed to form a Municipal Buildings/ Finance Committee. This committee held regular biweekly meetings throughout the summer. As a result of the meetings a plan was draw up by Crane Associates for a new Town Garage and a New Town Office. These plans will be voted on by the residents of Readsboro.

The Town held a hearing in December to possibly re-classify the bottom portion of Howe Pond Road as well as possibly discontinuing 3 other roads.

Many trainings and workshops were attended by the new Administrative Assistant including a Connectivity Summit along with Omar Smith, Chair of the Broadband & Cell Committee. As a result of this summit Readsboro was encouraged to submit a Letter of Intent for a feasibility study grant.

Karen Boisvert

2018 Report of the Readsboro Cemetery Commission

Thanks for your support.

The Cemetery Commission will be within budget for fiscal year FY-2019. We feel this was a very successful year. We have received many very positive comments on the condition of our Cemeteries and the Gravestone repair work. Many of these comments are town's people and we have received many from out of town people visiting their family's internment site. The town has reason to be proud of the results of their support of our projects.

The Cemetery Commission in coordination with the ad hoc Long-range cemetery-planning group has been working on plans for the long-range goal of additional graves being available at the undeveloped section at the village and South Hill Cemeteries. Danny Birch brush-hogs at the Village Cemetery each year and removes trees at no cost to the town. It was very important at the Village cemetery undeveloped section to locate any large stones or ledge for the planning of roads and gravesites. The ground penetrating radar option was selected of the many discussed. The study turned out very positive for our future expansion. The maps show no large boulders or ledge. William Clement conducted this underground study from the University Of Mass. geosciences department. This is completed.

In 2018 24 gravestones were restored in the South Hill Cemetery with cement foundations, epoxy, and cleaning.

Work started in the Heartwellville Cemetery and 10 gravestones were restored and 26 stones were washed and cleaned.

To date over 520 gravestones have been repaired in our four Cemeteries most requiring new foundations and epoxy repairs. **The South Hill Cemetery Restoration work is completed.** We will be hosting an open house **for all** in June. More information on this will be available in the spring.

We ask you for your continued support for these worthwhile projects. The Cemetery Commission voted for a **capital budget request** for the FY-2020 fiscal year of \$17,000.00 dollars. \$12,000.00 would be for gravestone repairs in our four cemeteries. \$5,000.00 dollars would be held in the capital account and not spent until we obtained the required funding for the village cemetery gates. This funding will give the C.C. the \$15,000 to proceed with this project. Thank you!

The Cemetery Commission would like to extend our great appreciation to Tom Maroni and Joel Hicks for the labor intensive and professional work that they have performed on our gravestone repair/restoration project the last several years.

The Commission would like to thank the Readsboro Town crew for their support of the Cemetery work. The town crew has delivered screened loam to the sites of the new foundations, and reset heavy gravestones

Thanks to the Following for their donation of free labor and services in 2018. Neal Houston, Lions Club, University of Mass. Danny Birch.

Barry and Joseph Berard have professionally performed all full burials our Cemeteries for 9 years.

Thanks again for your support! Respectfully submitted: Forest Hicks, Neal Houston, Devon Carrier, Al Scaia., and Priscilla Margola.

Readsboro BCC Report 2018

The Readsboro Broadband and Cell Committee (BCC) saw only limited progress in 2018. Though projects had been funded and initiated, no new construction of any Broadband build out occurred in Readsboro last year. These are some of the items in progress worth mentioning for 2018:

- Early in 2018 we learned the CoverageCo system (Cell tower at the firehouse) was shutting down. The Vermont DPS has been working on finding another provider to take over that system but due to the older (2G) technology, no one has yet been identified.
- Work with Southern Vermont Broadband Cooperative (SVBC) did not progress in 2018. Some testing early in the year did not yield any promising results for West Hill and with some problems in their existing system, testing for expansion did not progress.
- The Consolidated Communications project for North Hill has also not begun construction yet. The provider has indicated the equipment has been purchased and design engineering is underway, and we are hopeful construction could begin in 2019.
- Attended “Broadband Summit” at the Mount Snow Grand Summit in November. This year we not only had an opportunity to share experiences with other towns but also had a chance to meet with state officials and different providers regarding Broadband and Cell coverage expansion efforts around Vermont.
- In late December we began a grant application process with USDA Rural Development to fund a feasibility study to determine options for a Broadband build out in Readsboro. Those efforts will continue well into 2019 before we can gage any progress on that option.

All the BCC documents (minutes, survey, etc.) can be found on the Town web site under Boards and Commissions - Broadband/Cell committee. Currently the BCC has three members, Omar Smith, Bruce Busa and Karen Boisvert.

Readsboro Community Library Report 2018

The 2018 Summer Reading program, *Libraries Rock!* was held in July. The four-week program is always extremely popular and well attended. A visit from Vermont author Michael Daley, each child attending had the opportunity to choose 2 free books for their own collection, sponsored through a grant from The Children's Literacy Foundation. The Puppet Brigade visited with larger than life puppets, Michael Clough from the Southern Vermont Natural History Museum presented an up-close program with live turtles and Michael Caduto, award-winning environmentalist and master storyteller presented the *Energy Rocks! Kids' Power Program*, renewable energy explored through science and the arts.

For Father's Day, Heartwellville Service Station donated new men's dress shirts for the children to wrap and deliver to the Vermont Veterans Home in Bennington. For Veterans Day, they donated new pajamas and thermal underwear for the children to wrap and deliver. In December, with community donations, the Library assembled *Baskets for Veterans* and delivered the baskets to Bennington for the holidays.

Lap blankets made by the Thursday Drop-In Knit & Crochet group were donated to Hospice for their patients.

In December, the Library held the 21st annual *Remembrance Tree Lighting*. Proceeds from the purchase of tree ribbons put books on the shelves of the library and also benefit PopCares, helping cancer patients in Readsboro, Stamford and Pownal. The library hosted the 2nd annual *Holiday Breakfast & Visit with Santa*, with a Holiday Store for youngsters to purchase gifts for \$1, free Christmas craft projects and card making stations and a delicious pancake breakfast served by the Eighth Grade to raise funds for their class trip.

Special events sponsored by the library in 2018:

- Easter Egg Coloring and Egg Hunt, March.
- *Sow Seeds of Love*, Get your seeds started, materials provided! April.
- *Autism Awareness Day*, wear blue and post your photo on our FB page! April.
- 2018 Summer Reading program, *Libraries Rock!* July.
- Grandparents and Special Friends Day, November.
- 21st Annual *Remembrance Tree Lighting*, December/ 2nd Annual *Holiday Breakfast & Visit with Santa*, December.
- Quilt Raffle at RCS Holiday Concert – 2 quilts made and donated by Fawn Trumble, December.

Ongoing programs:

- Museum Passes/Vermont State Parks Pass
- One Click Digital, free downloadable audio and e-books.
- Learn Something New Today! Universal Class - Free online classes.
- Heritage Quest - Genealogy research.

Mary Angus, Chair
Library Board of Trustees

Report of the Readsboro Assessor's Office

There are twenty eight (28) inspections to be completed prior to the April 1, 2019 deadline. These consist of upgrades, open permits for new construction and owner requests for reassessment due to condition.

Important Dates for 2019:

January 1st **"ALL"** parcels revert back to Non-Residential status. (See the April 15th notes below).

April 1stAll taxable real property is assessed at Fair Market Value for the 2019 tax year.

April 15thEach resident property owner **"MUST"** file a new Homestead Declaration Form (HS -122 in the Vermont Tax Booklet) to assure that the proper tax rate will be applied to your assessed value. Filing the Household Income Form (HI-144 in the Vermont Tax Booklet) could adjust your school tax down based on Income Sensitivity. Please read the instructions that accompany those forms carefully. Even if you do not have to file a Vermont Income Tax return, you **"MUST"** still file the HS-122 to have the proper tax rate assigned **AND** the HI-144 to receive any educational tax reduction. Failure to file in a timely manner by April 15th (Late Filers), will result in statutory financial penalties.

May 1stThe Notice of Eligibility for Disabled Veterans Exemptions must be applied for through the Vermont Office of Veteran's Affairs in Montpelier Vermont.

June 4th..... The values for the 2019 tax year are finalized by the Assessor and the Abstract of the Grand List is lodged. Notices are sent out to each taxpayer who will be seeing a change in assessed value. Grievance Appeal hearings must begin fourteen (14) days after the Change of Appraisal Notices have been sent out. Grievance appointments are not restricted to taxpayers receiving this Change of Appraisal Notice, as any taxpayer may grieve his / her assessment in any given year.

July..... Tax bills are sent to the owners of record as of April 1, 2019.

August..... Each year in August the State performs a Sales Study in each town in Vermont. The valid real estate sales in the town over the past three years are compared to the town's assessed values for the purpose of determining how close assessed values are to Fair Market Value. The State requires that towns whose assessed values are skewed by too wide a margin from what sales indicate to be Fair Market Value to undergo a Reappraisal of their Grand List assessed values.

Readsboro's 2018 Sales Study resulted in a Common Level of Appraisal (CLA) to be 107.01%, and a Coefficient of Dispersion (COD) to be 19.93%. The 2017 Sales Study values indicated that the town's assessed values were not within acceptable ranges and an order to Reappraise was issued and has to be completed by April 1, 2021.

September.....Deadline to submit applications to the Current Use Program.

Thank you for your continued support.
