Representative Branagan of Georgia moves that the bill be amended in Sec. 6, 30 V.S.A. § 8005b (reports), in subsection (c) (biennial report), after subdivision (7), by inserting a new subdivision (8) to read:

(8) Projections, looking at least 10 years ahead, of the impacts of the RESET Program. The Department shall employ an economic model to make these projections and shall consider at least three scenarios based on high, mid-range, and low energy price forecasts. The Department shall project, for the State, the RESET Program’s impact in each of the following areas: electric utility rates; total energy consumption; electric energy consumption; fossil fuel consumption; and greenhouse gas emissions. The report shall compare the amount or level in each of these areas with and without the Program.
and by renumbering the remaining subdivision to be numerically correct
