Dear Mr. Lofy (Bill):

In accordance with Vermont law 1 VSA §§ 315-320, I request that the following information be provided to me within the timeframe ascribed by Statute:

Copies of all correspondence, both written and electronic, along with any attachments between attorney Warren Coleman and the Governor's staff regarding H. 258, the proposed legislation regarding public participation in enforcement actions. I ask that the individuals subject to this request include: Gov. Peter Shumlin, Secretary of Administration Jeb Spaulding, Chief of Staff Bill Lofy, Secretary of Civil and Military Affairs Alex MacLean and Commissioner David Mears.

Copies of all correspondence, both written and electronic, along with any attachments between Lake Champlain Regional Chamber of Commerce Executive Director Tom Torti and the Governor's staff regarding H. 258, the proposed legislation regarding public participation in enforcement actions. I ask that the individuals subject to this request include: Gov. Peter Shumlin, Secretary of Administration Jeb Spaulding, Chief of Staff Bill Lofy, Secretary of Civil and Military Affairs Alex MacLean and Commissioner David Mears.

If you are not the custodian of these records, please forward this request to that individual, and identify that individual so I can follow-up with them directly.

For all information you withhold which falls under the purview of this request, please describe the nature of that information and the statutory basis for which you are denying access.

Please let me know when this information would be available to review. If this information can be made available in electronic format, thereby avoiding the time and waste of creating paper copies, I would request the information be provided in such manner.

If you have any questions, feel free to contact me directly at (802) 324-3198.

Sincerely,
Shay Totten
