Dear Alden:

Thank you and Dorothy for taking the time to contact my office. I appreciate your kind words and thoughtful note of support.

COVID-19 has laid everything bare. We cannot go back, we must go forward. I'm committed to putting people before politics and working with the Governor, Legislature and our communities to ensure we recover stronger from this pandemic.

I am also deeply committed to elevating the voices of Vermonters in every corner of our state, and I hope you will not hesitate to contact my Office.

I wish you good health and I look forward to seeing you in your community soon.

Sincerely,
