Thanks Sue. What I'm really hoping for is that there's a narrative section to the pardon application, and that I can read them.

We are pulling together the information and just confirming what is public. Will get back to you a.s.a.p.

No hurry! I don't need this today, if you're slammed.

Hi Sue,

I saw the link to the "Pardon Application" on the gov's homepage and thought it would be fun to see how many applications he's received, and then get copies of the requests, which I imagine make for interesting reading.

I'm

assuming he hasn't granted any yet. If he has, of course that would be an even better story.

What's the best way to proceed on that? Also, do you have Keith Flynn's e-mail address?

Thanks!

Pete
