Subject: JFO - Cannabis Legislation

Good morning,

I just wanted to let folks know that Ira Sollace (JFO's cannabis point person) has contacted Andrew Stein in our office about administrative costs associated with legalizing recreational cannabis. It sounds like JFO might want to form a taskforce with members from departments and agencies that would be impacted by legalization.

Let me know if there's anything we should consider or mention when meeting with him – we are scheduled to meet on Wednesday, Dec. 30.

Thanks!
Candace
