Dear Josh:

Thank you for taking the time to contact my office. I appreciate your kind words and thoughtful note of support.

Covid has laid everything bare and cannot go back, we must go forward and work to recover stronger from this pandemic. Addressing climate change, quality of life for Vermont families, and workforce development are all top priorities of mine.

I am deeply committed to elevating the voices of Vermonters, and I hope you will not hesitate to contact my office again. I look forward to seeing you in your community soon.

Wishing you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,

- Dear Lt. Governor Gray, I was pleased to vote for you this November and I look forward to your success in public office for the betterment of Vermont. Since you've worked for Rep. Welch, you must be no stranger to collaboration and cooperation in order to get good things...tough things done. My theory on leadership is integrity, humor (humility), and results. I sincerely hope you can help steer Vermont further on our path to fight climate change (smarter growth, better/efficient housing, reduced transportation, and more electric transportation), improve families lives (minimum wage, childcare, healthcare), and balance that with growing good jobs and quality of life in Vermont. You have my vote of confidence and I hope you are able to build trust broadly as our VT delegation has done. I wish you good luck. No reply is needed. Thank you. Sincerely,  
Josh Kelly Montpelier
