Subject: RE: Response to public records request

Ms. Feldman,

I am willing to narrow my request to eliminate records exchanged with Nancy Drisscoll/Brooks. I am also willing to narrow my request to only the following addresses and time periods:

- o raychfeldman@gmail.com (2011 – present)
- o jeff@vtgop.org (6/1/14 – present)
- o phil@philscott.org (2011 – present)
- o ethan@philscott.org (1/1/16 – present)
- o Phil@duboisconstructionvt.com (2011 – present)
- o Don@duboisconstructionvt.com (2011 – present)
- o Rae@duboisconstructionvt.com (2011 – present)
- o Shannon@duboisconstructionvt.com (2011 – present)
- o Erica@duboisconstructionvt.com (2011 – present)
- o rachel@philscott.org (8/1/13 – present)
- o drexrode@rga.org (1/1/15 – present)

I request that you provide me with a breakdown of how many potentially responsive records exist for each of these 11 e-mail addresses so that I may consider whether to narrow my request further.

Thank you,

Ian Mandel
