Dear Mr. Mandel:

This is to acknowledge your access to records request dated September 22, 2016. Your request seeks communications to and from several individuals on three different email accounts.

In order to process your request it will be necessary to search for, collect and examine a large number of records to determine what records may be responsive to your request. In order to do this, it will be necessary to consult with the Department of Information and Innovation (DII) as your request requires us to search an archived e-mail account to which our office does not currently have access. Also, since your request presents privacy issues, it will be necessary to consult with the Attorney General about these communications.

Therefore, pursuant to 1 V.S.A. §318(a)(5)(A)(B) and (C), we are extending the response time to October 6.

Sincerely,

Rachel Feldman
Chief of Staff, Office of Lt. Governor Phil Scott
