

ANNUAL REPORT OF THE TOWN OF *LONDONDERRY, VERMONT*

After S. Londonderry Fire 1915 – Main Street

See Newspaper Article inside

For the Fiscal Year Ended June 30, 2019
Please Bring This to Town Meeting

**Patricia Ellen Wilder Wiley
1932-2019**

Patricia Ellen Wilder was born in 1932 in Londonderry, Vermont and was a life-long resident. She attended Londonderry's primary and middle schools and graduated from Chester High School in 1950.

Patty married John Wiley in 1955 and she moved from North Main Street in Londonderry to Main Street in South Londonderry. She just barely had to change her address and did not have to change her monogram. Wilder to Wiley made it pretty easy.

From an early age, Patty was interested in Londonderry history. She was fiercely proud of and very protective of her collection of historic Londonderry postcards and photographs. She started her collection sometime after marrying John and she collected everything she could about Londonderry. Her love of Londonderry led to her devotion to the Londonderry Arts and Historical Society and she served that organization as a Trustee for many years, most recently in the position of Trustee Emeritus. With the historical society, she could show off Londonderry's rich history and collections at the world-famous Tunbridge Fair and delighted audiences with local events such as the historical society's fashion show, showcasing dresses from different eras in Londonderry's past.

Patty was active with the First Baptist Church from the time she moved to South Londonderry. She was the Superintendent of the Sunday School programs and in charge of the Junior Choir. Patty was famous for hosting big bunco games at the Church.

Patty was always on the go and had a firm belief in community service. One day, in the late 70's, she announced that the whole family was going to join the Fire Department. So, Patty, John & John, Jr. joined South Londonderry's Champion 5 Fire Department. She was one of just a few women to serve and was elected secretary, a position she kept for many years. She liked being involved and rarely missed a South Derry fire call.

Patty adored her three grandchildren Leah, Caleb and Kaitlyn, and was known for spoiling them with Beanie Babies, tea parties and so much more.

Patty also had an alias. One that was very important to her and you might even think it was her TRUE persona. Her alter ego was "The Old Witch of Main Street." She was known far and wide for her big, fun-filled extravagant Halloween haunted house. Halloween and trick or treating in Londonderry was not complete without a trip to Patty's. She'd gather our friends and neighbors to dress up using her extensive collection of costumes and masks and we'd decorate the house with trunkful's of Halloween decorations and set up different rooms of horror and ghouls. Halloween had such an important impact on her family one that lives on in her grandchildren.

Excerpt from John Wiley, Jr.'s Eulogy

I had to the great fortune to grow up 5 houses north of the "Old Witch of Main Street", (across from Wiley's Garage). From the time I can remember Patty was always doing stuff with the kids on the street – whether it was The Old Home Day Parade, Halloween, bunco, tandem bike rides. She gave us rides to Sunday School and youth events. My most fond memories are going to her house to play cards – she loved a good game of Canasta, Phase 10 or Three-Thirteen (Patty never met a game she didn't like, and she loved to win of course!)

In later years I was lucky to be her escort to Weston Playhouse – she would get season's tickets. I would pick her up a little early and we would take back roads and reminisce.

Tina (Pearson) Labeau

The South Londonderry Fire of July 20, 1915

VILLAGE OF SOUTH LONDONDERRY FIRE SWEEP

Store, Garage and Two Dwellings
Completely Destroyed

LOSS WILL BE NEARLY \$15,000

Telephone Calls to Adjoining Towns
Raised Fire-Fighting Force of
500 Men.

Brattleboro, July 20, -Fire which originated this morning at 3:40 o'clock in the home of A.H. Baybrook on Main street in South Londonderry did damage of \$15,000 before it was brought under control at 7 o'clock by the efforts of the hand engine company of that village aided by one from North Londonderry and about 500 men who responded to the telephone alarm for help from the surrounding villages.

The buildings destroyed were the general store of George G. Smith over which was a tenement occupied by Julian B. Johnson, a son-in-law of Mr. Smith; a garage owned by Mr. Smith, the residence occupied by Mr. Baybrook which was owned by Dr. B.F. Millington, the residence of Mrs. George Robinson and the residence of Henry A. Darling.

The contents of two of the houses were saved from the buildings and carried across the street but the heat from the fire became so intense that many of the articles saved were destroyed.

Hunt's tavern and livery stable, the residence of D.L. Benson and the Allbee tenement across the street were on fire several times but the determined work of the volunteer fire fighters saved them from destruction although they are considerably damaged.

The fire was discovered by L.G. Smith, a neighbor, just after 3:30 o'clock and he immediately raised the alarm. The residence of Mr. Baybrook was then burning briskly. The family managed to escape unharmed although it was impossible for to save much in the way of clothing or furniture.

The breeze from the north drove the flames away from the greater part of the village and this undoubtedly prevented a greater loss than has been sustained. The store building of Mr. Smith, being close to the Baybrook house, caught fire almost immediately and then the flames spread in order to the other two houses. In the store building was the barber shop of Fred E. Phelps. Practically nothing was saved from the store and the loss of Mr. Smith is placed at between \$10,000 and \$11,000, partially covered by insurance.

The loss on the Darling house is place at \$2,000, on the Baybrook house at \$1,500 and on the Robinson house at \$1,200, all partly insured.

The Melendy telephone system was worked to the limit immediately after it was realized that the fire was beyond local control. The message sent to the north village caused the hand engine from that place to be rushed over the road in record time and it was soon on the bank of the river pumping water at the side in the engine owned in South Londonderry.

From Jamaica, Weston, Chester and Winhall men poured into the village by teams and autos and spelled the tired men on the pumps of the engines and relieved those whose faces and hands were blistered by the fierce heat as they handled the nozzles or used buckets of water and pony chemical extinguishers.

TOWN OF LONDONDERRY TRUSTEES OF PUBLIC FUNDS

2019 REPORT

Funds administered by the Trustees of Public Funds originated, mostly prior to 1953, through bequests specified in Wills, individual donations, and perpetual care payments accumulated over the years. The various funds created by these bequests and donations are listed below. Distributions are restricted to income, so the funds have grown significantly over the years. The goal of the Trustees of Public Funds is to generate as much income as possible for distribution to the town while at the same time providing for growth so that the funds are protected from inflation and will continue to provide sufficient income indefinitely. The Trustees of Public Funds hope and expect that the portfolio will last effectively forever, to provide funds for the respective purposes for which they were given. Community Bank NA of Manchester, Vermont, is the current investment manager of the account.

2019 DISTRIBUTIONS

	<u>Fund Allocations</u>	<u>Distributions</u>

Annual Report of Select Board

As we conclude another year, first I offer my thanks to my fellow board members for all their efforts and dedication put forth this year. It seems as if every year presents new and different challenges, and we as a group work hard to solve the issues as efficiently as possible.

This year the board continued to address many projects including progress on the plan for renovations at the Twitchell building, to address space requirements for the employees in the building. Wastewater continues to be an issue that the board faces in both villages. The Emerald ash Borer and the expected damage to the ash trees in our area has also become a topic of discussion and planning for the future.

I would also like to thank all the office staff, employees, boards, and personnel that work so very hard to keep things running as smooth as possible.

The board meets the first and third Mondays of each month at 7pm at the Twitchell Building, any members of the community are welcome to attend these meetings. Our meetings are broadcast on GNAT television, and the minutes from all meetings are posted on the town website.

Respectfully submitted,

James A. Ameden, Chairman

ONLINE COPY

2019 Report of the Board of Listers

Property sales in Londonderry continue to be strong, and very close to the Grand List values from our 2018 Town Wide Reappraisal. New to our office this year is having our property record cards available online. Please be aware that we care about the privacy of our property owners and we will be happy to make any adjustments necessary. The office files will remain complete with photos and drawings as public records.

Changes have been made to the Listers Section of the town Website. WWW.LONDONDERRYVT.ORG. You can now lookup form HS-122 AND HS-144 on the Listers page. Please remember filing of the HS-122 (Declaration of Homestead) is required annually for all residential property owners.

The 2019 Equalization Study results from the state show that the Common Level of Appraisal (CLA) for Londonderry is 99.39% and the Coefficient of Dispersion (COD) is 6.11%.

Thanks to all the property owners of Londonderry for your continued support.

Until next year -

Londonderry Board of Listers

Sandra Clark, Head Lister

Debbie O'Leary

Julie Adams

Town of Londonderry Town Clerk's Report

2019 felt like a whirlwind year in the Clerk's Office. The much-anticipated renovation of the front counter area literally made us move everything around. The result has been a vast improvement to our workspace, and I hope it is a better experience for the public as well.

The change in Vital Records Law is in effect now. You can now obtain a copy of any birth or death record after 1909 at any Clerk's office in the State. Copies of Marriage certificates still need to be obtained at the Clerk's office where the certificate was obtained. There are new Vital Records request forms that need to be filled out and a valid ID is required to obtain a copy of a Vital Record. The fee for a Certified Copy has remained at \$10.00.

Land Record recording fees went up this year according to Vermont State Statute 32 V.S.A. 1671. The increase was done to help increase funding to the Restoration Fund which is used to preserve old records and help fund the digitization of records. This increase will help us finish the preservation of old Vital and Land Records. Once that is complete, we will set our minds to the scanning of old records.

We had another good year of dog registration. See our report below.

Sex	#	Rate	Fees	State	Pet Dealer	Late Fees	Farm Fees	Total Fees
SPAYED	126	4.00	504.00	630.00	-	40.00	-	1,174.00
NEUTERED	146	4.00	584.00	730.00	-	56.00	-	1,370.00
MALE	19	8.00	152.00	95.00	-	26.00	-	273.00
FEMALE	15	8.00	120.00	75.00	-	16.00	-	211.00
	306		1,360.00	1,530.00	-	138.00	-	3,028.00

Please come register your dog before April 1st! You are more than welcome to mail us your registration fee and rabies certificate if you can't get to the office during open hours. We hope to have another rabies clinic this spring so stay tuned for that information.

Thank you all for your continued support. Stay involved and informed. If you have a question or concern just pick up the phone and call or, better yet, stop in so we can help.

Best to you All,

Kelly Pajala

LONDONDERRY DEVELOPMENT REVIEW BOARD
Annual Report – 2019

The role of the Londonderry Development Review Board (DRB) is to review and decide on applications for subdivision, site plans, conditional uses, variances, appeals of the decisions of the Zoning Administrator, and other zoning issues that fall outside the scope of the Zoning Administrator's jurisdiction, such as commercial expansions. The DRB also will meet on a preliminary basis with those looking to undergo land use review processes.

The DRB generally meets at 5:30 PM on the 3rd Wednesday of each month at the Town Offices. All public hearings for matters before the DRB are warned at least 15 days before the hearing in the *Vermont Journal* and are posted at the Town Offices and the two Post Offices in town. All meetings and hearings are open to the public.

In 2019, the DRB reviewed and approved the following applications:

- 2 Subdivisions
- 7 Requests for land development on private or non-Town/State maintained roads
- 4 Changes of Use/Site Plans
- 4 Conditional Use
- 1 Variance

And denied the following:

- 1 Variance
- 2 Appeals of Zoning Administrator Decision

And at year's end the following were still pending:

- 4 Conditional Use
- 1 Variance
- 1 Appeal of Zoning Administrator Decision

On April 1, 2019 the Selectboard voted to establish new staggered terms of office for all DRB members, with 2 or 3 terms of office expiring each year on September 30. At the June and July meetings the DRB approved all new application forms to provide applicants with a means to provide the Board with consistent and accurate project information to ensure fair and thorough project reviews.

Respectfully Submitted,

Denis Pinkernell, Co-Chair
Esther Fishman, Co-Chair
Terry Hill
John Lancaster
Chris Laselle
Bob Maisey
Sven Fedorow

Londonderry Zoning Administrator
Flood Plain Administrator
Annual Report 2019

Zoning Permits/ Reviews: During 2019, a total of 52 land use applications were received, including 27 applications that were referred or appealed to the Development Review Board.

Zoning Permits issued:

6 New Single-Family Dwellings
16 Residential Additions or Alterations
12 Accessory Structures
0 Accessory Dwellings
4 New Commercial Buildings – Change of Use
0 Commercial Additions or Alterations
1 New Commercial Uses
2 Signs
2 Ponds and Pools
0 Boundary Line Adjustments
2 Subdivisions
2 Excavation – Site Disturbance
0 Agriculture - Exempt Buildings
0 Renewable Energy Projects

Other:

2 Appeal of Zoning Administrator's Decision
3 Decisions Pending as of 12/31/2019
4 Notices of Violations Issued for Zoning non-compliance

The Town of Londonderry's Zoning Administrator, Shane O'Keefe, is generally available at the Town Office Monday through Thursday during regular business hours, and by appointment, to assist landowners and their agents with local permitting questions, forms and procedures.

If you are planning **any land use activity** such as: construction, structural alterations, additions or accessory structures, ponds, signs, subdivision or business ventures on your property, please contact the Zoning Administrator, in order to determine if a permit is required from the Town, **before** any land construction or land disturbance is undertaken.

The ZA can be reached by email at zoningadmin@londonderryvt.org and 802.824.3356 Ext 105.

Londonderry Planning Commission

2019 Annual Report

In 2019, the Planning Commission (PC) experienced changes in its membership with the resignations of Emmett Dunbar and Gail Mann, with professional circumstances necessitating their individual decisions. The PC expressed gratitude for Emmett's broad scope of contributions to our work during his short tenure. We are fortunate that Gail has agreed to remain active as a Londonderry resident and contribute her professional expertise to two current PC projects. The PC was pleased to have 3 interested, qualified candidates and to select Elsie Smith to join our 7-member board.

The PC is actively helping the Selectboard to advance several ongoing planning projects. Having recognized the importance of gathering data as to the limits to future commercial activities and healthy living in our villages due to water supply and wastewater issues, PC members assisted with obtaining grant funding for a professional study of current conditions and potential solutions. Working as a committee that includes Town Administrator, Shane O'Keefe and Selectboard member, Bob Forbes, PC members participated in selection of the Dufresne Group as consultants for the **Londonderry Water Supply and Wastewater Study**, to begin in 2020.

Several PC members serve in an advisory role in the **Town Office Planning Project (TOPP)**, including: Phase 1- site drainage and interior moisture mitigation at the Twitchell building, successfully completed in 2019; and continuing with Phase 2 - fine-tuning plans and specifications of structural improvements to the Town Offices including, energy efficiency, building code requirements and staff/community use of the historic structure. The TOPP project is expected to be at final plans and funding stage in August 2020.

The PC also worked with a grant from the Preservation Trust of VT and Cole Company Inc. of Manchester, to identify necessary repairs and cost estimates for the **Preservation of the Town Hall** building on Middletown Road. Some critical needs will be accomplished with PC funds in the first quarter of 2020; others will require additional grant funding and appropriations from the Town Buildings Reserve Fund once priorities are decided.

Most of the PC time and effort in 2019 was dedicated to a complete **Rewrite of the 2009 Zoning Bylaws**. With a Municipal Planning Grant, the PC is working with consultant Brandy Saxton, principal of Place Sense, the Zoning Administrator and members of the Development Review Board and Conservation Commission, to update zoning standards to reflect current land use trends and laws and to be more user friendly. Community discussion regarding the proposed 2020 Bylaw will begin once a first draft has been completed.

With guidance from the Windham Regional Commission and other State experts regarding town economic development and revitalization, the PC initiated a day long workshop to launch "**Project Londonderry**." The goal of this initiative is to seek public engagement and input as to the needs and desires of Londonderry residents to improve community satisfaction and well-being. We ask for your input to help determine what our town should be in the next 5-10 years by identifying the types of business necessary, the types of infrastructure desired, the types of housing and job opportunities, and the types of recreation and community facilities and activities needed to keep the citizens active and proud to reside in our town. As one member of the Windham Regional Commission said, "A Town not focused on the future, is a town that could easily disappear." Project Londonderry" is our effort to get you -and your families, friends and neighbors - involved in planning the future of the place we live.

If you are curious about the work of the PC and perhaps interested in becoming more actively involved in your community, we welcome you to join us at any regular monthly meeting, as posted on the Town's website calendar.

Sharon Crossman, Dick Dale, Larry Gubb, Dwight Johnson, Mary "Mimi" Lines, Elsie Smith

2019 Town Beautification Committee

Annual Report

Once again, the triangle at the intersection of Routes 11 and 100 provided a welcoming flash of color throughout the season. We began with daffodils and tulips, followed by blue flowering Baptisia, yellow daylilies and Asian lilies. Then in the fall, the black-eyed Susan's take over, with chrysanthemums added before Columbus Day! This year, we mulched heavily after removing the chrysanthemums.

Did you notice all the new daffodils on the hill across from Mountain Marketplace? The yellow generated by 1000 daffodils is a welcoming sign for spring. We also have arranged to have the hillside mowed before July 4. This is an ongoing effort to try to curb the invasion of Poison Parsnip by cutting it down before it can go to seed. Thanks to the Green Mountain Gardeners for arranging a fall mowing of the hillside.

Additionally - at their request, we have also planted a garden by the Town Office with plants from our gardens. We hope to purchase a few more plants this summer to fill in any bare spots. And the chrysanthemums! What a welcome sight that was as you went in to pay your tax bill.....

The Beautification Committee has always been responsible for the Window Boxes on the town bridges and the ones on the painted wall adjacent to the Shoe Barn. We thank the watering brigade of over 50 members for the critical function of tending our flower boxes and the garden club tubs that add color throughout the town we couldn't do it without your assistance! Thanks to Glebe Garden Center for planting and nursing these planters before they go out. And a big thanks to the Wantastiquet Rotary for putting them out, rebuilding the window boxes and taking them down after Columbus Day.

We also maintain the town entrance signs. This year, we built a raised bed by the town sign at South Derry. Thanks to Brown's Enterprises for letting us build a framework for it, and for donating the soil that went into the box. This spring, we should see over 150 daffodils, followed by daylilies and black-eyed Susan's.

The Town Beautification Committee wishes to thank all the volunteers that work to keep our town colorful in the summer. We are interested in any ideas that you may have for projects that can enhance the beauty of our public spaces. We are also asking interested citizens to join our committee. You can send a USPS message to Londonderry Beautification Committee, c/o Londonderry Town Hall, 100 Old School St., S. Londonderry, VT 05155. Or send an email via the town website: www.londonderryvt.org. Or contact any of the members.

Committee members:

Helen Hamman, Joel Kuhlberg, Martha Dale, Caroline and John Jopling, and Barbara Wells.

LONDONDERRY SOLID WASTE GROUP
Serving the towns of
Landgrove, Londonderry, Peru, Weston, Windham

Vermont's Extended Producer Responsibility legislation makes manufactures of products like Computers, Batteries, Paint, Mercury Light Bulbs and Mercury Thermostats take responsibility for their products at the end of their useful life. To find year-round drop-offs call 1-855-63-CYCLE or go to VTrecycles.com.

Trash and Recycling collection, processing and disposal has presented challenges. Several landfills closed leaving less options of where to dispose of trash. Only one landfill remains in Vermont. In addition, the recycling commodity markets remain near all-time historical lows due to the impact of *National Sword* – an initiative imposed by the Chinese government which banned the import of Mixed Paper and Mixed Plastics where much of the United States had been sending these materials. This presents opportunities to create recycling markets in the U.S. which may eventually enable us to recycle these materials here rather than ship them overseas.

Be Careful What You Put Down the Drain: Many materials, especially household hazardous waste, should NOT be poured down the drain, either to a septic tank or field. These chemicals are toxic, will kill the organisms that break down waste, and will enter surface and groundwater supplies. Flushing prescription drugs down the toilet should also be avoided as these have been shown to harm fish and amphibians. Visit <http://www.londonderryvt.org/wp-content/uploads/2019/10/Cloggers-full-brochure-FINAL.pdf>

Sharps: Needles, syringes and other sharps should not be thrown away loose in the trash since they could injure anyone handling the trash. Follow these tips for safe disposal: Carefully put needles or syringes into an empty plastic bottle marked #2 HDPE on the bottom, that also has a screw-on lid. Laundry detergent and softener bottles are good examples. Label the container with the warning: "DO NOT RECYCLE!" Dispose of the sharps container in your household trash. DO NOT put this bottle in your recycling. For more information on disposal and what to do if you are pricked by a needle or syringe, download the Vermont Department of Health's sharps disposal flier http://healthvermont.gov/adap/documents/sharps_disposal_flyer.pdf.

Food Scraps: Beginning July 1, 2020 Vermont law bans food scraps from the trash. If you compost at your home, you can still put meat and bones in your trash. Food scraps, including meat and bones, are accepted at the Londonderry Transfer Station.

Outreach: The LSWG reached out to schools and businesses in 2019 providing guidance on recycling, disposal of hazardous materials and diverting food scraps and organics from the landfill. If your school or business is interested in learning about ways to handle solid waste, organics, recyclables and other materials please contact recycle@londonderryvt.org.

Londonderry Town Parks Board
100 Old School Street
S. Londonderry, VT 05155

Dear Londonderry Residents,

The Londonderry Town Parks Board would like to thank the community for its continued support. Without your support and attendance, much of what we do would not be possible. We also want to thank Leigh Nance, our Parks Employee, who helped keep things working smoothly and rolling forward during the summer months. Special thanks to Candy Bliss for her volunteer efforts at the Transfer Station sorting redeemable bottles, her dedication and positive attitude are a gift to us all.

Some other highlights from 2019 are

- Music Mondays in Pingree Park and at the old Town Hall– Five wonderful nights of music and fun for all.
- The Butterfly Garden at Memorial Park was installed by Glebe Mountain Gardens. Many thanks to those who donated towards this project in memory of Barbara Rogers.
- Organized groups continue to use Pingree Park for Pickle Ball, FBAA Basketball summer series, Tennis.
- The Collaborative visits Memorial park 3 days a week during the summer
- Well attended Lego competition

Looking ahead to 2020 the board is working hard on a few projects we believe will enhance our parks and you visits even more.

- We continue to raise funds for the pump track in the upper baseball field at Pingree park.
- We would like to install a larger grill at Memorial park- We have noticed that many families and groups use the space for social gatherings. We think a larger grill would help accommodate these types of activities.
- We hope to add a small Walking trail at Memorial Park
- Music Mondays will continue this summer, every other Monday starting in July

Just as a reminder to everyone, all the money from the redeemable bottles that are left at the Transfer Station gets split between the Londonderry Parks Board and the Flood Brook Athletic Association. We want to offer thanks to Wendell Johnson, Steve MacLaury, David Kiefer and the crew at Wayne's for helping with the redeemable bottles and cans.

Thank you all again for your support! Enjoy our Town Parks!

Sincerely,

The Londonderry Parks Board

Nadine Van Houten, Taylor Barton, Matt Scott, Patrick Muro, Marge Fish, Kelly Pajala

The Mighty Londonderry Community Resilience Organization

The Mighty Londonderry Community Resilience Organization focused on two primary initiatives this year.

Bruce Frauman, Dick Dale and Fred Probst were planners for Londonderry's participation in CAT-4, the fourth state-wide planning exercise conducted by the Department of Emergency Management on October 23, 24 and 25. We wrote injects that were problems to be presented to the participants, primarily Emergency Management Director Kevin Beattie, Town Clerk Kelly Pajala and Treasurer Tina Labeau. Unfortunately, confusion at the state level muddled the expected timing and content of the injects.

The basic premise of the exercise was to test the recovery effort following two days of intense rain and the initial response. Kevin Beattie responded well to every situation thrown at him, all with good humor. In a real situation, we would be in contact with other towns similarly affected. In the exercise, Londonderry only communicated with the state.

My biggest take away from the exercise was the relationship we developed with the Windham Disaster Animal Relief Team, based in Brattleboro. They are available to house animals kept by people forced to leave their homes due to power outage, flooding, and other disaster situations. Many people refuse to leave their animals in such a situation.

This brings me to our second initiative. Jennifer Probst arranged for a Red Cross training should we ever need to open an overnight shelter. The only space currently authorized for an overnight shelter is the gym at Flood Brook School, where a generator was installed in 2018. Since we now have generators installed at the Twitchell Building and at the Rescue Squad building, both spaces are also available for daytime only warming or cooling centers.

Laurie DiStasio has agreed to coordinate a group of volunteers, called the Shelter Group, and meeting as part of Mighty Londonderry, should the need for an overnight shelter or a warming or cooling center arise. There are about a dozen volunteers ready to go to staff a shelter or a center, along with the Baptist and Congregational churches in town. This group has taken a short break but will meet again in January or February to keep planning. Another Red Cross training is also possible this year.

State CRO executive director Mindy Blank is working on some initiatives to be offered to the dozen or so CRO's currently active, mostly to do with food resilience and Resource Hubs, as far as I know. As we learn more over the next couple of months, we will share any ideas we feel the good folks of Londonderry would be amenable to engaging with.

We always welcome new faces to our meetings, generally held on the second Wednesday of each month, either at noon in the winter or at 6:00 during the warmer months in the Twitchell Building. Watch the town calendar and the Londonderry Community forum for specific meeting times.

Dear Sending Town Voters:

We are pleased to submit to you our 2020-2021 sending town tuition of \$17,990, which constitutes a 2.8% increase from the current year. Our tuition for non-sending towns will be \$19,990. This tuition increase will help us to attract and retain outstanding teachers, provide an amazing array of opportunities to students, and remain affordable to our communities.

In reaching this decision, the board of trustees considered the impact of projected salary increases as well as a 12.9% increase in healthcare costs. The tuition increase will *not* cover the full cost of these items; with healthcare costs continuing to escalate, the board of trustees has challenged BBA's leadership to figure out how to stay in balance without passing these costs on to taxpayers. BBA's tuition has increased 2.7% annually over the last decade demonstrating our long-term commitment to maintaining affordability.

In addition to our tuition, we raise close to \$1 million annually to support operations, and we augment annual fundraising with an endowment draw of approximately \$800,000. Through our international program, we attract students from around the globe to enhance cultural diversity and understanding while providing \$3 million in supplemental revenue.

While tuition dollars represent an important source of funds for operations, funding for capital expenditures is raised privately. Private funding has enabled us to create the Target Program, Mountain Campus, the Dene Farm program, invest in sound and projection systems in our Riley Center for the Arts, purchase Steinway pianos, and more. We became an iPad school and have put iPads in the hands of every single student, expanded athletic offerings, constructed a state of the art turf field, renovated our fitness center, and are in the process of building a track and field at the Manchester rec park. In April 2020 we will break ground on Founders Hall, a 25,000 square-foot center for integrated learning.

BBA seeks to be a constant source of strength to our communities, and we are deeply appreciative of the support we receive from these communities.

Respectfully submitted,

Mark H. Tashjian
Headmaster

Seth Bongartz
Chair of the Board

LONG TRAIL
SCHOOL

December 2019

Dear Residents of Londonderry,

For 45 years, Long Trail School has provided quality education in this region. We are incredibly proud to have raised local and global heroes. Our students continue to shape the arts, sciences and commerce of tomorrow, to build families and communities, and to make a difference. Students, faculty, staff, families and volunteers at LTS consider ourselves not only as members of a school family but as stewards of the future.

For more than four decades, we have offered our students opportunities to self-challenge, learn and grow. This year we have a record enrollment of 200 students from 46 towns, 5 states and 3 countries. Families seek us out for our unparalleled creative and intellectual challenges, and embrace our respectful learning environment. Our students have ambitious personal goals, ranging from first-in-family college attendee to small business owner ---all assisted by our programming.

We are proud of the newest addition to our facility, the Field House. We gratefully thank the anonymous donors who helped our vision become reality. The Field House offers a weight room, rock climbing wall, and beautiful basketball court. We are excited to be hosting games on our home court! We are also happy to have a full-time athletic director to help us organize and move forward with other sports opportunities in the future.

As Vermont's first IB World School, we work to help all students embrace the world as learners who are:

Inquirers - Open-minded - Knowledgeable - Caring - Thinkers -

Risk-takers - Communicators - Balanced - Principled - Reflective

These qualities and skills will serve our students - and our communities - as they move beyond our campus. We strive every day to imbue students with a sense of purpose and place. In this regard, student organizations work with local agencies and faith groups to assist others. Fundraising for particular causes supplements volunteer hours to clean roadsides, spread holiday cheer and connect with town members. Our students team with community leaders to make a difference. They are becoming meaningful world citizens.

This year, we have welcomed Red Fox Community School to our campus. Red Fox provides quality progressive school education to Kindergarten through 5th Grade.

Thank you for caring about our students and school. We invite you to visit our campus. Please email Irene Goyette (igoyette@longtrailschool.org) to schedule a convenient time. You are welcome to reach me directly at slinfield@longtrailschool.org or 802-867-5717.

Grateful for the commitment of tuition funding from area towns, we remain committed to the children of this region who benefit greatly from our compelling educational experiences. Your investment in a Long Trail education is an investment in the future of our communities, through our children.

Thank you for your consideration.

Respectfully,

Seth Linfield, Head of School

John Moser, Board of Trustees, Chair

1045 Kirby Hollow Rd
Dorset, VT 05251

longtrailschool.org

CHAMPION FIRE CO. #5

South Londonderry, VT 05155

In 2019, Champion Fire responded to 57 calls for South Londonderry and surrounding communities. Those were: 2 structure fires, 8 alarms, 12 car accidents, 1 chimney fire, 10 power line issues/storm issues, 1 hazmat and 4 miscellaneous calls. We responded to 19 calls in neighboring towns for mutual aid. A total of 556 man hours was spent on the calls

Our membership remained stable this year and two members completed the Fire Fighter 1 class. Our roster consists of 25 members, two of which are active duty military who join us when home on leave, with 16 members being certified firefighters.

In February we sold our 2004 Ford F550 brush truck to Wardsboro Fire. They were in need of a new unit for wildland fires and pulling of the backroad rescue equipment trailer. This truck was not being utilized by the department and we were in need of something more utilitarian. In March we purchased a Ford F250 double cab long box pickup and have outfitted it with a cap, bedslide, lighting and radios. This truck has seating for 5 people, allowing us to have a quick response unit with the ability to interchange payloads. In the October and November power line/storm issues utilized it to carry saws, traffic control equipment and personnel to many incidents rapidly without turning the large fire engines.

This year's Halloween Trunk or Treat and Haunted House was a soggy time. The worst of the weather held off for the occasion but everyone did get wet. Our partnership with the First Baptist Church helps to provide a safe area for kids and adults to enjoy the evening. This year Stratton Mountain Food and Beverage, The Corner Store, and Brown Enterprises donated food, drink and lighting for use. We are fortunate to have this assist by these local business!

We would like to remind everyone to check your smoke and carbon monoxide alarms monthly, change batteries twice a year and train your family on evacuation drills. These detectors are key to early warning of a problem and should be taken as a serious emergency if they sound.

Persons wanting to join are encouraged to stop at the station on the first or third Wednesday of every month at 6:30 pm or reach out to me at any time. My phone number is (802)375-3650 and email is JDuda121c1@gmail.com.

Thank You for your support!

Jeffrey R. Duda, Chief

Champion Fire Co #5
Annual Report
1/1/19 - 12/31/19

beginning balance:		\$	106,529.62

Phoenix Fire Company No. 6

In 2019 the department responded to a total of 81 calls with the following breakdown:

Motor vehicle accidents	20
Structure fires	6
Chimney fires	3
Alarms	19
Tree/wires down	10
LZ staging	1
Vehicle fires	2
Misc.	10
Carbon monoxide calls	5
Outside burns	5

The department meets on the second Tuesday of each month at 7pm at the firehouse for business meetings, and the fourth Tuesday of each month for training. Anyone interested in joining is welcome to attend any of these meetings,

Please remember to have all heating equipment checked and serviced on a regular basis, and be sure all detectors are in place and operating properly.

Respectfully submitted,

James A. Ameden, Chief

Londonderry Conservation Commission 2019 Annual Report

Conservation Commissions, as authorized under Vermont statute, perform a variety of functions and among these the LCC has managed a land conservation fund, tested water quality of our natural resources, organized educational programs for the community, and worked with the planning commission on the town plan. There are presently seven members – Mark Wright, Irwin Kuperberg, Kathie Stone, Helen Hamman, Stephen Swinburne, Sigourney Wright and Jane MacKugler. We invite interested residents to join us.

Hemlock Woolly Adelgid: The Hemlock Woolly Adelgid (HWA) is an invasive insect that poses a serious threat to the hemlock population. We participate in a statewide survey to detect the presence of HWA in Londonderry. We do a sampling of local hemlocks to determine if HWA has spread northward from Jamaica, where it was found in 2010. We do this annually and thus far have not seen evidence of the insect. We will continue the sampling in 2020 and we seek local volunteers to increase the number of trees sampled. If you are interested in this project, please contact any member of the LCC.

West River Water Quality Samplings: In connection with the Southeastern Vermont Watershed Alliance (SeVWA), South Derry resident Debbie O'Leary took bi-weekly samples at three points along the West River to check on the levels of *E. Coli* and other contaminants. SeVWA coordinated sample collection from Londonderry and other towns as well as delivery to the testing labs. Results are posted around town and on the town website in order to make the community aware of health hazards when *E. coli* levels are elevated. We would like to take this opportunity to thank Debbie O'Leary for her efforts on behalf of the town.

Town Lands: The LCC is charged with maintaining five parcels of town owned land and developing a plan for their usage. This includes management of timber stands. During the course of the year, we visit these sites and discuss their future roles in the town.

Site visits to town owned lands before the monthly commission meetings continue throughout the year. Anyone interesting in participating in these visits is welcome to join us.

Collaboration with other Conservation Commissions. The LCC collaborates with other Windham County Conservation Commissions several times per year and participates in a joint Regional Conservation Advocacy Group. The LCC collaborated with Windham Conservation Commission and Weston Conservation Commission in a statement of concern regarding development of Lowell Lake State Park.

Glebe Mountain: The LCC met with the Nature Conservancy to discuss the purchase and subsequent use of the 3500 acre Glebe Mountain Parcel.

Lowell Lake Logging Assessment: The LCC joined the state forester, Tim Morton, for a walk to discuss the land management plan for Lowell Lake.

Financial Support for Local Conservation Projects. In 1999 a Conservation Fund was started primarily to build up a financial reserve to assist in land acquisition, and to provide a mechanism for land and/or fund donations. The LCC donated \$5,000 of these monies to the Vermont Chapter of the Nature Conservancy to help in the purchase and conservation of 3500 acres of forest on Glebe Mountain.

In November, The LCC donated \$7500 to the Vermont Land Trust to cover the closing costs on the donation of development rights by Bob and Jim Twitchell of 183 acres of their land along Livermore Mills Road and Winhall Hollow Road. This gift, in conjunction with three other landowners' previous designations, significantly protects the Cook Brook watershed. This transaction brings a total of 2600 acres in the Town of Londonderry that are protected by the Vermont Land Trust. Our sincerest thanks go to Bob and Jim Twitchell for this generous gift.

Public Presentations:

EMERALD ASH BORER: On Tuesday, March 19, Ginger Nickerson & Mike Parisi presented a multi-media information meeting about the Emerald Ash Borer. This was attended by 30-40 people, with a significant community engagement.

BUTTERFLY EVENT at Flood Brook School: On Friday, May 24, Peggy Farabaugh presented a multi-media event about butterflies for children and interested adults. This kickstarted a Butterfly Garden at Flood Brook School.

RIVER WALK TALK. On Thursday, September 12, Shane Jacquith from the Nature Conservancy led a walk along the West River. This was combined with a talk about River Ecology and a question and answer session followed at The Depot in South Londonderry.

MOOSE TALK. On Thursday, October 10, Cedric Alexander, VT State Moose Project Leader presented a talk and slide show about the state of Moose in Vermont

Contacts:

The LCC meets the third Thursday of each month in the Town Office at 6:00 PM. We invite participation from the community. Members can be contacted direct at:

LONDONDERRY ENERGY COMMITTEE

The Londonderry Energy Committee, which has existed on and off for many years, was restarted again in April 2017. We began work on an enhanced energy plan for the town, and with the assistance of the Windham Regional Commission, completed this process in December 2017.

We worked with the Planning Commission in 2018 to incorporate this new enhanced energy component into our newly revised Town Plan, and it was approved by the WRC in August of that year. The Energy Plan includes goals and actions we can take to meet our goals.

The mission of the Londonderry Energy Committee is to help increase energy efficiency and thus reduce the costs of energy to all town residents and businesses, to reduce the environmental impacts of non-renewable energy sources, and to promote renewable energy generation on residential, commercial and town properties.

The Energy Committee sponsored a Button-Up workshop on November 5 in which a spirited discussion took place regarding weatherization in general as well as questions about specific houses. We plan to sponsor another Button-Up workshop this year and look forward to your participation.

We meet monthly at the Town Office, and encourage all residents, business owners, and other interested parties to attend our meetings to discuss their energy-related ideas and goals, and to learn about all the programs and opportunities we have to offer. Watch the Londonderry town calendar and the Londonderry Community Forum for times and dates of meetings.

The committee members of the Londonderry Energy Commission would like to thank both the Planning Commission and the Select Board for their assistance and support of our work.

Sincerely,

Will Reed, chair
Bob Borella
Bruce Frauman
Larry Gubb
Donna Korpi

LONDONDERRY VOLUNTEER RESCUE SQUAD

The Londonderry volunteer Rescue Squad has had a very active and demanding year. We changed from a calendar year to a fiscal year of July 1st to June 30th. This was done for a number of reasons including: to align with the State of Vermont and the State EMS's fiscal year, updating our By-laws, membership requirements, banquet, awards, and the ability to get these town reports submitted to the towns in a timely fashion. Thus, this report is for six months starting January 1, 2019 to June 30, 2019.

During these six months we responded to 234 calls. The locations of these calls are as follows: 1 in Andover, 4 in Landgrove, 79 in Londonderry, 26 in South Londonderry, 43 in Peru, 12 in Stratton, 20 in Weston, 9 in Windham, 33 in Winhall, 6 in Manchester and 1 in Ludlow. Of these there were 31 calls at the following ski areas: 16 at Bromley, 3 at Stratton, and 12 at Magic.

In breaking down these calls there were 121 illnesses, 62 injuries, 24 motor vehicle accidents, 6 stand-by calls, and 21 public assists. We responded to 11 mutual aid calls, while 23 calls resulted in other services coming to our aid. Our members initiated Advanced Life Support interventions on over 100 calls. These interventions include starting 54 pre-hospitals IV's, cardiac defibrillations, and administration of albuterol, epinephrine, Narcan, aspirin, nitroglycerin, Nitrous Oxide, morphine, fentanyl, dextrose, etc. We called in the DHART helicopter 2 times.

Our Squad Membership seems to be constantly changing with members leaving and new ones joining. So far this year we lost 6 members but had 10 new members join, for a total of 46 members. We are also excited to be conducting an EMR course at our building with 6 people taking it. Two thirds of our calls occur during the daytime and it is always a challenge to fill the daytime teams. We are always looking for new and dedicated members that have the time to make a commitment to the Squad. Please go to our website at londonderryrescuevt.org to download joining applications and to check us out.

We also have about 30 members on our Londonderry Technical Rescue (LTR). This is a separate department within our Squad with its own Executive Committee and members. They do vehicle extrications, back country rescues, swift and cold-water rescues, low angle rescues, lost and/or injured hikers, snowmobile accidents, etc. They are very active with calls and trainings and are looking for new members as well. No medical training is needed except for CRR, but rescue experience and being physical fit is helpful.

We are excited to announce that we have purchased a new ambulance with delivery scheduled the first week of December. This ambulance is replacing our older 2010 Chevy. The new ambulance is a 2019 Ford 550 four-wheel drive with a Lifeline box. With a Stryker Power Load, Power Cot, and minimal needed added equipment, the cost is approximately **\$290,000.00**. We had the money to pay for this without asking for more assistance from the towns, but it has dropped our reserves. We are starting a fund-raising campaign to help us out, so please get the word out and donate if you can.

The Londonderry Volunteer Rescue Squad is a highly trained professional Paramedic service that is run and staffed by volunteers. We are the last ambulance service in the State of Vermont that does not bill or charge our patients for transports or services. This is only made possible by the continued generosity and support of the communities and the residents that we serve.

William "Pete" Cobb
President

Treasurer's Report

For the short year January 1, 2019 to June 30, 2019, the Londonderry volunteer Rescue Squad had expenses totaling \$86,313.84. There were 234 calls at an average expense of **\$368.87 per call**. This low average cost per call is only made possible because of the commitment and sacrifices that our volunteers make.

Town of Londonderry, Select Board
100 Old School Street
South Londonderry, VT 05155

Dear Select Board:

As you know when Mountain Valley joined Springfield Medical Care Systems, we became part of a Federally Qualified Health Center and this means all our patients are entitled to the medical care they need regardless of their ability to pay.

Mountain Valley Health Center set up an "emergency relief fund" to support patients in our catchment area who are struggling to pay for their medical care. We regularly fund office visits, prescriptions, copays, provide gas cards and many other circumstantial expenses related to medical care. The fund is used only for patients seen at MVHC who live live in our catchment area. This money is not used for any care sought outside MVHC or for any non-MVHC patients.

We are asking Londonderry for \$5,000 appropriation in this year's budget. This amount is based on uncompensated services we provided to residences in 2019 from our emergency relief fund.

Due to decreases in donations, town appropriation amounts and less compensation for our services rendered added to additional expenses on our physical plant and lab, we are asking all villages we serve to contribute to this fund.

Thank you for your consideration,

Elsie Smith

824-3371**

Dear Residents and Friends,

The South Londonderry Free Library thanks you for your continuing support and we invite you to visit Your library often.

New this year is a state-of-the-art Learning Station Computer for your children and grandkids. Thanks to grants from The Thrifty Attic and The Stratton Foundation we were able to purchase this AWE computer that has learning software on it for preschoolers through preteens. Please stop in and check it out!

As always, we offer you outstanding books in all categories, Inter-Library Loans, movies on DVD, audio books, monthly children's programs with artist, Casey Junker Bailey, on-going art exhibits with local artists and access to computers and wi-fi – all in a warm and welcoming atmosphere.

If you have a small community gathering you can request to use the library's wonderful space for your meeting.

We welcome your input. Please give a call at 824-3371, email – southlondonderryfreelibrary@yahoo.com or better yet, come on over.

See you at the library!

Respectfully submitted,

Mary K. Butera, Librarian and the Library Board of Trustees

American Red Cross
New Hampshire and
Vermont Region

Windham County Service Delivery

July 1, 2018 - June 30, 2019

Disaster Response

In the past year, the American Red Cross has responded to **9 disaster incidents**, assisting **44 residents** of **Windham County**. Most commonly, these incidents were home fires. Red Cross workers were on the scene to provide food, clothing, lodging, emotional support, and more to families during their hours of greatest need. Our teams also provide Mass Care to first responders. Things like food, water, and warm drinks strengthen the brave men and women of your local Fire and Police Departments as they answer the call to keep your residents safe.

Town/City	Disasters	Individuals
Brattleboro	3	19
Dummerston	1	11
Guilford	1	2
Jamaica	1	3
Marlboro	1	6
Putney	1	1
West Townshend	1	2

Home Fire Campaign

Last year, Red Cross staff and volunteers worked throughout **Windham County** to educate residents on fire, safety and preparedness. We installed **154 free smoke alarms** in homes and helped families develop emergency evacuation plans.

Service to the Armed Forces

We proudly assisted **17** of **Windham County's Service Members, veterans and their families** by providing emergency communications and other services, including counseling and financial assistance.

Blood Drives

During the last fiscal year, **Windham County** hosted **37 Blood Drives** with the American Red Cross, collecting an impressive total of **1,214 pints** of lifesaving blood.

Training Services

Last year, **Windham** hosted **50 courses**, where **409 residents** were taught a variety of important lifesaving skills such as First Aid, CPR, Babysitting Skills and Water Safety.

Volunteer Services

Windham County is home to **20 American Red Cross Volunteers**. We have volunteers from all walks of life, who are trained and empowered to respond to disasters in the middle of the night, to teach safety courses, to help at our many blood drives, and so much more. The American Red Cross is proud that 90% of its staff is made up of volunteers; they are truly the heart and soul of our organization.

Dear Residents, Taxpayers, and Londonderry Town Select Board,

The Flood Brook Athletic Association (FBAA) would like to thank all of the residents, taxpayers, and the Town's Select Board for all your support over the years for our programs. FBAA is a volunteer run, nonprofit organization, whose mission is to provide high quality and inclusive opportunities for our local youth to participate in affordable athletic programs. We are committed to providing athletic experiences that promote individual and team skill development, collaborative teamwork, and perseverance. We are comprised of volunteers who are dedicated to organizing our programs, raising funds for uniforms and equipment, and contributing to the maintenance of the dugouts, fields, and scoreboards at Flood Brook School and Pingree Park.

In the past year, FBAA has rejuvenated our middle school baseball program, doubled the number of athletes in our PreK-6 baseball program, introduced ultimate frisbee, dance, and cross country clubs, and, in collaboration with BRSU, replaced the two main hoops at Flood Brook School. We continue to offer a robust basketball program with 75 players currently registered for the upcoming season in grades K-6. Combined, our programs had over 200 youth participants over the course of the last school year.

In order to continue our work with the area youth, we would like to humbly request to the residents, taxpayers and Londonderry Town Select Board to consider appropriating \$2500.00 to assist us in continuing to provide these valuable programs.

In closing, we would like to thank the residents of Londonderry, our players' parents and families, the volunteer coaches and referees, and the local businesses who sponsor our programs for supporting our organizational activities and our local youth. We are very grateful for the community support.

Respectfully submitted,
Flood Brook Athletic Association Board

Friends of the West River Trail

P.O. Box 2086
South Londonderry, VT 05155

November, 2019

Dear Friends,

We would like to thank you for your past appropriations and are asking for the town and community support of the Friends of the West River Trail to maintain and enhance our facilities and programming to the people of Londonderry in 2020.

To help meet the costs of maintaining the Depot for providing recreational and educational activities, we are dependent on the local communities and residents served by our non-profit organization and its committed partners and volunteers.

The West River Trail is an outstanding recreational resource in our region – for individuals, families, students and athletes of all ages and abilities. Annually we host the “Eleven Miles of Trouble” trail run organized by and benefiting The Collaborative. Also, other local and state non-profits, as well as private individuals, are making increasing use of the Depot and have established it as the vital community center we envisioned. And, of course, it is home to growing list of free public events conducted annually by our own organization.

Please help enable us to continue to serve Londonderry and the communities of South Central Vermont in these and additional ways by approving our request for \$1000 to support our 2020 activities.

The Board of Directors
Friends of the West River Trail

Caring For Our Communities in Sickness and in Health

"I can't say enough positive words about my care at Grace Cottage's ER. Everyone was so compassionate and kind. I am thrilled that we have such an excellent health care facility near us, and that Grace Cottage's retail pharmacy is right across the road from the hospital and primary care offices." Dr. Rachel Lovens, Grafton, VT

Grace Cottage Family Health & Hospital has served the healthcare needs of our rural community with competence and compassion for more than 70 years. In 2019, Grace Cottage was named "Best Hospital," "Best Emergency Department," "Best Physical Therapy," "Best Pediatrician," (Dr. Elizabeth Linder) and "Best Place to Work" in the Brattleboro Reformer Readers' Choice Best of Windham County Awards.

Grace Cottage Hospital is comprised of a 19-bed inpatient facility for acute and rehabilitative care, a 24-hour Emergency Department, a hospice care suite, and laboratory and diagnostic imaging departments. In 2019, donations allowed us to purchase, among many other things, new Emergency Department equipment, IV pumps, cardiac monitoring equipment, and infrastructure improvements (roof replacements, generators, updated heating systems).

Grace Cottage Family Health offers expanded hours for the convenience of patients, and same-day appointments, even for those who have never used our primary care services before. In most cases, provider appointments are immediately available. More than 7,000 area residents choose Grace Cottage for their primary care. We offer physicals and wellness visits, chronic disease management, pediatrics, podiatry, and mental health services. Many of our providers are accepting new patients.

Grace Cottage's **Community Health Team** offers valuable, free services to area residents, such as nutrition and lifestyle education, diabetes coaching, short-term mental health support, substance abuse assessment and treatment, and help with applying for health insurance and connecting to community resources for food, fuel, and housing assistance.

Grace Cottage's **Rehabilitation Department** continues to offer exceptional care for both hospital patients and outpatients, with 15 physical and occupational therapists on staff.

Expanded services include lymphedema therapy, custom orthotics, and women's health and pelvic floor physical therapy.

Grace Cottage is committed to promoting wellness. We encourage area residents and visitors to take advantage of our low-cost or free wellness classes and events, including yoga, Tai Chi, and Strong Bones, which are held in the beautiful and serene **Community Wellness Center**. Various support groups are offered throughout the year.

Messenger Valley Pharmacy, owned by Grace Cottage, continues to provide convenient prescription fulfillment for all members of the community, along with expert advice and friendly service. We fill orders from any provider, including veterinarians. Many over-the-counter items, gifts, and greeting cards are also available.

Grace Cottage is an independent, non-profit 501(C)3 organization. Private donations and town appropriations enable us to provide the best possible care for our region. On behalf of all of the patients that we serve, **thank you for your support**. You help to make Grace Cottage the special place that it is.

FY 2019, by the numbers:

21,475:	Patient visits to Grace Cottage Family Health
3,925:	Patient days in hospital
2,927:	Emergency Dept. visits
5,834:	Outpatient Rehab visits
2,193:	Diagnostic Imaging visits
4,944:	Community Health Team visits
3,739:	Visits to Wellness classes and events
2,015:	Individual donations to Grace Cottage

Your Community Media & Training Center

www.gnat-tv.org

(Arlington, Dorset, Londonderry, Manchester, Peru, Rupert, Sandgate, Stratton, Sunderland, Weston, Winhall)

Thank you for your past support of GNAT-TV. Your financial support enables us to provide video coverage of your local government meetings. GNAT-TV is a 501c3 Not for Profit Organization created by community members in 1995. GNAT-TV employs local citizens to videotape the meetings and makes these meetings (and other educational, civic and community events) available to all citizens on our cable channels, on YouTube and our website: www.gnat-tv.org. In 2020 we will launch distribution on Apple TV and Roku.

In addition to our meeting coverage, GNAT-TV offers free and low-cost media services and provides a platform for local voices to be heard. Residents, government entities, community organizations and schools within our eleven-town service territory may produce and broadcast non-commercial television programs. GNAT-TV maintains community television studio facilities, lends high quality video equipment and provides technical training. GNAT-TV maintains a vibrant **youth program** including internships, media production camps and school collaborations. **The News Project** provides local news and information (in 2019 GNAT-TV Produced 258 local News Project programs).

Local media coverage is vital to our democracy. We ask for your financial contribution to help support your community media. Thank you again for your thoughtful consideration and support.

Town of Londonderry
100 Old School Street
S. Londonderry, VT 05155

Dear Town Selectors,

Green Mountain RSVP (GMRSVP) respectfully requests your continued support for our program in the amount \$415.00.

Your Town's funds are essential for us to continue to support and develop programs for seniors who wish to volunteer, as they continue to address pressing needs that impact the local area. Your funding enables us to support Londonderry volunteers with recognition and additional liability insurance. Our staff and administrative costs are covered by federal funds from the Corporation for National and Community Service (CNCS) – Senior Corps. Your partnership within the Londonderry community can truly make a difference for Windham County with local volunteers helping their neighbors.

GMRSVP, a Senior Corps Program sponsored by SVCOA continued its work this year in recruiting and placing older Vermonters into volunteer opportunities where they used their skills and experience to address community needs. Across Bennington, Windham, and Windsor counties 377 GMRSVP volunteers provided 46,278 hours to causes throughout southern Vermont. Key outcomes for the GMRSVP fiscal year include 892 tax returns submitted on behalf of those needing assistance; 741 food-insecure individuals served; 783 Bone Builder participants served; 230 Meals on Wheels recipients served; 493 rides provided by transportation volunteers; friendly visits to 12 older Vermonters; and 5 individuals assisted by money management volunteer. Additionally, many nonprofit organizations in the GMRSVP service area received support from volunteers, and include activities at museums, schools, hospitals, blood drives, senior centers and meal sites, libraries, and more. There are many benefits to volunteering, not only for the community, but for the volunteer as well. In the coming year, we hope to become involved in preventing financial exploitation, through training of our volunteers and holding events in the communities we serve.

GMRSVP has a very active Bone Builders program that meets at the Neighborhood Connections office Mondays and Thursdays. We recruit and train the class instructors and provide all the weights and technical assistance so seniors can attend free of charge. Four instructors are serving up to twenty-five people each week year-round.

Please update your records with our new address:

**Green Mountain RSVP

Town of Londonderry
100 Old School Street
S. Londonderry, VT 05155

Dear Town:

10/14/2019

Thank you for your past appropriation for Green Up Vermont, your help is crucial to sustain our mission of cleaning up our roadways and waterways. Your contribution is greatly appreciated! As Green Up rolls into our 50th year, we are again asking for your continued support for 2020.

For your convenience, below is an invoice in the amount you appropriated last year. Please note that many towns allocate money through their Road Line budget each year. The amount requested is based on town population:

- 0- 1,000: \$50
- 1001 - 2000: \$100
- 2001 - 3000: \$150
- 3001 – 4,000: \$200
- 4,001 up: \$300

Green Up Vermont is a private, non-profit organization whose mission is to promote and organize a statewide clean-up day, always the first Saturday in May, and to raise public awareness for a litter free environment. Quick litter stats from 2019: 43 tons of litter and over 2,100 tires were collected. This data is from only about half of our participating towns that filed post-Green Up reports. We will be striving to obtain better statistics for 2020.

Mark your calendar for Green Up Day 2020, May 2nd and help us celebrate 50 years of keeping Vermont green! Please do not hesitate to contact me should you have any questions or comments. As the new Executive Director, I look forward to working with you. Thank you!

Kate Alberghini
Executive Director

Vermont Green Up Inc. is a 501(c)(3) organization

Request for Support from the Town of Londonderry

Health Care and Rehabilitation Services of Southeastern Vermont (HCRS) requests an appropriation of \$1,513.00 from the Town of Londonderry at the 2020 Town Meeting to help support our Access Navigator Program. The Access Navigator Program is instrumental in ensuring that new clients are able to access services in a timely manner – working towards a same-day access model across the agency. In the year ending June 30, 2019 our agency provided a comprehensive range of community based services to 4168 residents of Windsor and Windham counties. The services that are available to the residents of your community are:

Adult Mental Health and Addiction Services: HCRS offers comprehensive services for adults who are experiencing mental health and/or substance abuse difficulties. Adult services include assessment, treatment including individual, group, couples, and family counseling, referral services, and limited psychiatric services. It is the philosophy of HCRS that people are resilient and therefore capable of overcoming difficult experiences and recovering from mental illness and substance abuse. HCRS is committed to building on the strengths of the individuals and families of whom we serve. Our goal is to help clients and their families achieve improved wellness, health, and quality of life while addressing their mental health and substance abuse needs.

Children, Youth, and Families Program: The Children's Division provides a comprehensive system of care for youth experiencing emotional, behavioral, developmental, or substance use difficulties in their life, as well as education and support for family members. We offer many services for youth and their families including psychiatry, counseling, case management, respite and case aid services, school-based services, behavioral consultation services, summer therapeutic programs, crisis response and emergency respite services, a mental health program specifically for young children up to six years old, and an employment assistance program for youth in transition who have significant emotional disturbances.

Developmental Services (DS): The DS program provides services to people with developmental disabilities and their families. Services are available to people of all ages who have been found eligible, and each person being served receives an individually written program to meet his or her needs. Children with a developmental disability are served through a collaboration with the Children's Division.

Residential Services: Residential Services offers residential care from short term crisis stabilization, to intensive residential care, to therapeutic community residential services. Each program is specifically designed to offer individuals the appropriate level of care to support their personal recovery and wellness needs. The Residential continuum of care is comprised of a total of 38 beds spanning five individual programs.

Emergency Services: The Emergency Services Team has a very specific mission to act quickly in critical situations. Specially trained mental health professionals are available 24 hours a day for emergencies. Anyone may use this service when an emergency arises including individuals of any age, family or friends of an individual in crisis, hospitals and nursing homes, police, schools, clergy, businesses, and other community agencies.

We thank the Board and the citizens of Londonderry for your past support and for your continued interest in Health Care and Rehabilitation Services of Southeastern Vermont.

ANNUAL REPORT SENIOR SOLUTIONS (COUNCIL ON AGING FOR SOUTHEASTERN VERMONT, INC.)

Senior Solutions -- Council on Aging for Southeastern Vermont, Inc. -- has served the residents of Londonderry and Southeastern Vermont since 1973. We have offices in Springfield (main office), White River Junction and Brattleboro. Our mission is to promote the well-being and dignity of older adults. Our vision is that every person will age in the place of their choice, with the support they need and the opportunity for meaningful relationships and active engagement in their community.

Many of our services are available regardless of income. However, we target our resources to those older adults with the greatest social and economic needs. Supporting caregivers is an important part of our work. Senior Solutions can help caregivers assess their family's needs and options, connect with resources and local programs and provide short-term relief (respite) for those who are caring for loved ones.

The population of older adults is increasing, as are many costs associated with providing services. Vermont is the second oldest state in the country (median age) and within Vermont the highest concentration of elders is in Windsor and Windham counties. Unfortunately, our state and federal funding has been largely stagnant for many years. This means that financial support from the towns we serve is critical.

We continually seek funding from new sources to enable us to do more for people. This past year we received grants from the National Council on Aging to expand our outreach to vulnerable elders, the Granite United Way to expand our Friendly Visitor and Veteran to Veteran program and the US Department of Justice to assist victims of abuse in later life. Clients are given the opportunity to make a voluntary contribution to help support the services they receive. We also seek donations from the public and have established a planned giving program through the Vermont Community Foundation.

We strive to develop new programs to meet evolving interests and needs. This past year we implemented the HomeMeds program that screens older adults for medication

problems such as drug interactions or harmful side effects, expanded our popular aquatics program for arthritis, trained counselors to provide the PEARLS home-based program for people with depression and trained instructors in Tai Chi for falls prevention. We provide financial support to volunteers interested in starting new evidence-based wellness programs.

This is a summary of services provided to Londonderry residents in the last year (09-01-18 through 10-31-19).

Information and Assistance: 72

Calls and Office Visits. Our toll-free Senior HelpLine (1-800-642-5119) offers information, referrals and assistance to seniors, their families and caregivers to problem-solve, plan, locate resources and obtain assistance with benefits and completing applications. Callers were assisted with applying for benefits, health insurance problems, housing needs, fuel assistance and many other services. Extensive resources are also described at www.seniorsolutionsvt.org.

Medicare Assistance: 2 residents received assistance with Medicare issues through our State Health Insurance Assistance Program (SHIP). Our SHIP program provides Medicare education and counseling, "boot camps" for new Medicare enrollees and assistance in enrolling in Part D or choosing a drug plan.

In-Home Social Services: We provided **6** elder residents with in-home case management or other home-based services for **56** hours to enable them to remain living safely in their homes. Often minimal services can prevent premature institutionalization. A case manager works with an elder in their home to create and monitor a plan of care, centered on the elder's personal values and preferences. Many people would not be able to remain in their homes but for the services of Senior Solutions. Senior Solutions also investigates reports of self-neglect and provides assistance to those facing challenges using a community collaboration approach.

Nutrition services and programs: 11 Londonderry seniors received

1937 meals at home through Wardsboro Meals on Wheels provided by the Dam diner. We also sponsor the monthly congregate meal at Jamaica Community Church, and our registered dietician is available for nutritional counseling when appropriate.

Senior Solutions administers federal and state funds that are provided to local agencies to help operate senior meals programs, and provides food safety and quality monitoring and oversight. Unfortunately, these funds do not cover the full cost of providing meals, so local agencies must seek additional funding. Senior Solutions does not use Town funds to support the senior meals program or benefit from any funds given by the Town to support local Meals on Wheels. Senior Solutions provides the services of a registered dietician to older adults and meal sites. Assistance is also provided with applications for the 3SquaresVT (food stamp) program.

Caregiver Respite: Through grants we provide respite assistance for caregivers of those diagnosed with dementia or other chronic diseases.

Transportation: Senior Solutions provides financial support and collaborates with local and regional transit providers to support transportation services for seniors that may include a van, a taxi, or a volunteer driver. Special arrangements are made for non-Medicaid seniors who require medical transportation.

Other Services: Senior Solutions supports a variety of other services including health, wellness and fall prevention programs, legal assistance (through Vermont Legal Aid), assistance for adults with disabilities and home-based mental health services. Senior Solutions has a flexible "Special Help Fund" that can help people with one-time needs when no other program is available.

Our agency is enormously grateful for the support of the people of Londonderry.

Submitted by Carol Stamatakis, Executive Director.

Southeastern Vermont Community Action

Southeastern Vermont Community Action is an anti-poverty, community-based, nonprofit organization serving Windham and Windsor counties since 1965. Our mission is to enable people to cope with and reduce the hardships of poverty; create sustainable self-sufficiency; and reduce the causes and move toward the elimination of poverty. SEVCA has a variety of programs and services to meet this end. They include: Head Start, Weatherization, Emergency Home Repair, Family Services/Crisis Resolution, (fuel & utility, housing and food assistance), Micro-Business Development, Vermont Matched Savings (asset building & financial literacy), Ready-for-Work (workforce development), Volunteer Income Tax Assistance, VT Health Connect Navigation, and Thrift Stores.

In the community of Londonderry we have provided the following services during FY2019:

Weatherization: 4 housing units (5 people) were weatherized at a cost of \$6,703

Family Services/Crisis Resolution: 6 households (18 people) received 41 services valued at \$267 (including crisis resolution, financial counseling, nutrition education, forms assistance, referral to and assistance with accessing needed services)

Fuel/Utility Assistance: 7 households (15 people) received 8 assists valued at \$8,128

Housing Assistance: 2 households (7 people) received 2 assists valued at \$4,845

Community support, through town funding, helps to build a strong partnership. The combination of federal, state, private, and town funds allow us to not only maintain, but to increase and improve service. We thank the residents of Londonderry for their continued support.

Stephen Geller, Executive Director
Southeastern Vermont Community Action (SEVCA)
91 Buck Drive
Westminster, VT 05158

sevca@sevca.org
www.sevca.org

2019 proved to be an interesting year for the Southeastern Vermont Watershed Alliance (SeVWA) as it performed data collection and water monitoring at sites along area rivers. On the early sampling days the water level was low, later in the summer it was more normal. Without a doubt, our river saw more usage than in any time in recent memory. The large number of people enjoying the water made the testing results of utmost importance and gave users up to date information of the quality of the water. The repeated low water conditions have added valuable data to the historic record of the rivers.

Ours is a quiet mission, we get up early, trek to the rivers, gather the samples and deliver to the labs. Results are published and posted. Unless you have an area of concern or want to check to see if the water is healthy for you to enjoy, you are likely unaware of our work. Because of our low profile, fund raising is challenging which makes the support of your town the life blood of SeVWA. We are grateful for your support of area waterways and SeVWA's work.

This year SeVWA participated with the Connecticut River Conservancy, our unfailing partners, in hauling some 138 tires out of the West River and with the annual Source to Sea river clean-up. You'd be surprised at the trash found on the river banks after the summer. From one stretch of river we filled a truck and then some. We extended our board membership to include a member from Winhall- the north end of our geographic area and enlisted more volunteers to the program. Upcoming, we have our eyes set on knotweed.

Clean, healthy water supports our economy and benefits everyone equally.

Information on our work can be found on our website www.sevwa.org or on our Face book page.

Again, thank you for your acknowledgment of the value of our efforts by your consistent support.

The Board of Directors
Southeaster Vermont Watershed Alliance

*The Collaborative promotes the development of a healthy involved community
supporting substance free youth in a caring environment.*

Dec. 2019

Dear Londonderry Residents,

The Collaborative appreciates your vote of confidence as you vote for the 2020-21 budget. In 2019, The Collaborative marked **twenty years** of providing quality afterschool care for families with children attending Flood Brook School. Since 1999, we have grown from a small after school program to an organization providing a wide range of individual, youth, and family programs focused on preventing youth substance use, supporting working families and creating a healthy community.

In the town budget we are requesting funds to support The Collaborative Extended Day Program, Collaborative Camp and the Refuse to Use program. Over half of FBS students are enrolled in the Extended Day Program. Each day students utilize the high-quality state licensed after school care, where they enjoy an engaging activity, snack, and homework help. Over one hundred campers this year at our Flood Brook School based summer camp participated in interactive activities while enjoying our local outdoor environment. Swim lessons are available for each camper for no additional charge at Collaborative Camp. We work hard to make these services available to all families regardless of ability to pay the tuition. During the 2019-2020 school year and summer camp, we provided nearly \$7,000 in scholarships. Over 400 students participated in The Refuse to Use Program which included more than eight hours of hands-on education about refusal skills, activity alternatives, and the risk and harms of alcohol, tobacco, and drug use for each student.

We are requesting your approval of \$1,000 in your town's budget to assist The Collaborative in continuing to provide these services to our community. We appreciate your involvement!

Sincerely,

Maryann Morris

Executive Director

The Current Town Report Town of Londonderry FY 20

We thank you again for Londonderry's contribution last year of \$125. As a private non-profit 501c3 transportation company since 2003, The Current relies heavily and more than ever on local contributions. These funds allow us to draw down federal funds and provide operating support and the required match for our new vehicles. Londonderry has contributed to us for many years, and we thank you again for your support.

The Current's mission is to provide a safe, reliable and efficient transportation system that supports economic opportunity and quality of life for the 30 Windham and southern Windsor County towns we serve. We operate bus routes and senior and disabled non-emergency medical transportation services through our fleet of 23 buses, vans, and a network of 15 volunteer drivers. We receive state and federal grants, contributions from towns and resorts, fares, and contributions from our human service partners.

The Current's total operating expenses last year were \$2,642,941. We provided 153,691 bus, van, taxi, and volunteer rides. Our buses and vans traveled 872,290 miles over 29,500 hours.

Londonderry's contribution supports continuing public transit in your town and throughout the region. Service levels vary by town and from year by year. A town's transportation needs can be minimal some years and large the next. We need your help to remain a healthy company to be able to respond to needs of the elderly, disabled, or in an emergency or crisis when the need arises.

In Londonderry we operate van and volunteer services for the elderly and disabled. We provided 458 rides at a cost of \$18,620 in FY19. We are requesting a \$200 contribution from the Town of Londonderry this year. We hope you will support our funding request.

We are always seeking input to improve our services. Please contact me to let us know how The Current may improve service in your community.

Thank you!

Sincerely,

Rebecca Gagnon

We Provide the Ride!

VISITING NURSE AND HOSPICE FOR VT AND NH
Home Health, Hospice and Skilled Pediatric Services in Londonderry, VT

Visiting Nurse and Hospice for Vermont and New Hampshire (VNH) is a compassionate, non-profit healthcare organization committed to providing the highest quality home health and hospice services to individuals and their families. VNH provides care for people of all ages and at all stages in life, and delivers care to all, regardless of ability to pay.

VNH services reduce costs associated with town programs for emergency response and elder care. With quality care provided at home, there is less need for costly hospital and emergency room trips. And with VNH support, residents can age in place rather than relocating to a state or local nursing home.

Between July 1, 2018 and June 30, 2019 VNH made 687 homecare visits to 56 Londonderry residents. This included approximately \$36,064 in unreimbursed care to Londonderry residents.

- Home Health Care: 419 home visits to 45 residents with short-term medical or physical needs.
- Long-Term Care: 44 home visits to 3 residents with chronic medical problems who need extended care in the home to avoid admission to a nursing home.
- Hospice Services: 211 home visits to 6 residents who were in the final stages of their lives.
- Skilled Pediatric Care: 13 home visits to 2 residents for well-baby, preventative and palliative medical care.

Additionally, residents made visits to VNH wellness clinics at local senior and community centers throughout the year, receiving low- and no-cost services including blood pressure screenings, foot care, and flu shots.

Londonderry's annual appropriation to VNH helps to ensure that all have access to quality care when and where it is needed most. On behalf of the people we serve, we thank you for your continued support.

Sincerely,

Hilary Davis, Director Community Relations and Development (1-888-300-8853)

Londonderry Arts and Historical Society
PO BOX 366
Londonderry, Vermont 05148

December 10, 2019

The Londonderry Arts and Historical Society was established in 1971 and functioned for decades with Patty Wiley as its leader/President of a dedicated Board of Directors, who together built a lasting foundation and program. Today the organization has a 16 member board, one part-time staff person, and several volunteers to carefully manage and preserve its every-growing collection of donated and acquired items that help tell the story of our community and its people from its beginning.

LAHS occupies and maintains the former home and barn of artist Bernadine Custer Sharp property on Middletown Road, owned the Town at the bequest of Bernadine's family. Presently, we are most excited about current plans to turn the attached shed area into additional, secure exhibit space which will include replacement of the existing gravel floor with Danby marble – a recent donation that inspired and enabled this long-awaited upgrade. Additionally, LAHS owns, and is working thoughtfully to stabilize and determine the future use of, the historic Middletown Schoolhouse (former Masonic Hall).

2019 has been an incredible year for LAHS – with over 700 visitors coming to see the 5 exhibits, talks and movies. We also hosted a successful Dine-Around Fundraiser, which will be repeated every other year, with smaller community fundraisers in between. With professional assistance, critical images of Londonderry captured and created by resident Everett Vaile in early 1900s were expertly edited, reproduced and offered for sale to the general public for the first time ever.

The mission of preserving three historic structures, as well as the extensive collection of items representing our community and culture, for their priceless value to inform our sense of life in Londonderry since its beginning, is a challenging, never-ending and costly endeavor.

Thank you for considering our first request for a town appropriation in the amount of \$1000 to support the steadfast efforts of LAHS for the broad, long-term benefit of our community today and for years to come.

Your support helps our organization grow stronger with increasing numbers of volunteers, visitors and donors. Our collective efforts help keep Londonderry's past alive for future generations!

Sincerely,

Annie Campbell and Hilary Batchelor, Co-Presidents LAHS

Hilary Batchelor

Historical Society of Windham County
PO Box 246, Newfane, VT 05345
Email: info@historicalsocietyofwindhamcounty.org

For inclusion in 2019 Town Report:

HISTORICAL SOCIETY OF WINDHAM COUNTY

The Historical Society of Windham County was founded in 1927 to collect, preserve and present our County's heritage for present and future generations.

In 1936, the Museum was built in Newfane to house the extensive collection originating from all the towns in the County. This now contains over 8,000 artifacts which are displayed in changing interpretative exhibits. The Museum's archives of manuscripts and documents are also available for research or special interests. School visits are encouraged.

With the completion of the 1880 Newfane Railroad Station restoration in 2018, the Historical Society of Windham County is now the steward of both the Windham County Museum and the West River Railroad Museum. The restored Railroad Station provides a visual and accessible presentation for a broad audience, as well as an engaging teaching tool for educators and parents.

Throughout the decades, admission to our County Museum has always been free. The same is true for all of the special programs, presentations and genealogical research provided by the Historical Society of Windham County. None of this comes free for us however, and clearly we couldn't do it without the support of our community.

The County Museum and the West River Railroad Museums are open Saturdays and Sundays from Noon to 5:00, from Memorial Day weekend until mid-October, as well as by appointment. (The County Museum is also open Wednesdays, Noon - 4:00.) Inquiries are fielded year-round.

We hope you share our belief that all our towns would be poorer if our rich local history was ever lost. Please visit our website for more information, and the latest news and schedule of events:
www.historicalocietyofwindhamcounty.org.

We thank you for your support.

Report to the Town of Londonderry

Youth Services was established in 1972. We provide transformative programs in prevention, intervention and development for young people and families in Windham County Communities. We assist over 1,200 children, youth and families annually. We help youth and young adults living in difficult circumstances learn the life skills that will assist them in living successfully on their own and as engaged and productive community citizens. Our broad array of program services include:

- Intervention and support services to teens running away from home or at-risk for running away with counseling, family mediation, and housing
- Transitioning youth in foster care to independent living as young adults
- Court Diversion for youth and adults, an alternative to the traditional court system using a restorative justice approach to repair the harm to victims and the community while addressing the underlying issues of the people who violated the law
- Full substance abuse counseling services for young adults
- Therapeutic case management services for youth and young adults
- Career development programs with one-on-one mentoring for high school students and young adults
- Substance abuse prevention for youth and adults
- Supervised visitation services for families

This year, we respectfully request \$315 from the Town of Londonderry to help fund our agency's services. We served 4 residents of Londonderry during Fiscal Year 2019 and remain available to provide services in the future. Your continued support is beneficial to the children, youth and families in your town.

For additional information please see our website at www.youthservicesinc.org, call 802-257-0361 or email info@youthservicesinc.org. Thank you for your consideration of this request.

Russell Bradbury-Carlin
Executive Director

Transforming Lives, Inspiring Futures

Valley Cares, Inc.
2019 FIGURES & 2020 REQUEST
For Londonderry

Valley Cares, Inc. is a 501(c)(3) non-profit organization committed to providing high quality, affordable, housing and compassionate care allowing seniors to age in place with respect and dignity. We provide affordable assisted living, supportive living and independent living at West River Valley Senior Housing – as well as services for seniors in the greater community.

West River Valley Senior Housing

- 2 out of 3 of our current residents receive some form of assistance to help pay for rent, meals and/or care
- This year 5 of our residents were either previous residents of Londonderry or have immediate relatives who currently live in Londonderry
- Value of services provided to these Londonderry residents in 2019 = \$208,713
- Rents and fees collected from Londonderry residents
and/or subsidies received for Londonderry residents in 2019 = \$156,890
- **Free care and services provided to Londonderry residents in 2019 = \$51,823**

To help cover some of our costs we are requesting \$1.55 per capita from your community. This amounts to \$2,742.

Thank you!

**Women's Freedom Center's
Statement of Services
And
Report to the Town of Londonderry**

The mission of the Women's Freedom Center is to work to end physical, sexual and emotional violence against the women and children of Windham and Southern Windsor Counties. The Freedom Center works to fulfill its mission by educating the community regarding the root causes of violence against women, challenging the systems that help keep it in place and by providing support and services, including shelter and safe housing, to all survivors and their children who have experienced domestic violence, sexual assault, stalking, and dating violence. Since our beginnings in 1974, we have provided support to the survivors of these crimes, as well as consultation and educational activities to a wide range of community groups to help create a community in which violence is not tolerated.

Emergency support such as shelter, safety planning, financial assistance, and information and referral is available 24 hours a day, 365 days a year. Ongoing individual and group support for survivors and children; legal, medical, housing and social services advocacy; and cooperative work with other agencies are provided during the week. Due to the rural nature of Windham County and the isolation inherent in many abusive relationships, we are committed to meeting with survivors wherever we may do so safely. Sometimes this means assisting them to get to us and other times it means us going to them, somewhere safe in their community.

During the fiscal year July 1, 2018 through June 30, 2019, the Women's Freedom Center responded to 2,010 hotline calls, sheltered 123 people (83 adults and 37 children) and had 8,660 contacts through which we provided thousands of hours of individual and group support, advocacy, emergency financial and housing assistance, access to legal representation, transportation and childcare to **1,441 people** (882 women, 52 men, 3 gender non-binary individuals and 504 children) who were abused. These figures include at least 11 survivors—7 adults and their 4 children— from Londonderry. In addition, we provided community outreach activities including school presentations and workshops throughout Windham and southern Windsor County.

The Women's Freedom Center is a private, non-profit organization relying heavily on community support to provide our free and confidential services. We thank you for your Town's contribution to the Freedom Center and hope you will look at it as an investment in creating a future free from violence, something we all deserve.

Regards,

Vickie Sterling
Executive Director
Women's Freedom Center

Rural Fire Protection Task Force Members:

Tom Maclay, Chair, Marshfield VFD
 Bill Sanborn, Vice-Chair, Town of Maidstone
 Tyler Hermanson, VT Enhanced 9-1-1
 Hayley Pero, Senator Bernie Sanders Office
 Mike Greenia, Vermont Division of Fire Safety
 Christine Kaiser, Kaiser Farm, Stowe VT
 Lars Lund, VT Forest Parks & Recreation

"This is our 6th grant-funded hydrant project, and taken as a whole, this program has completely changed the water supply picture in our fire district. I think this has a real impact on the quality of fire protection we are providing. Robust grant funding allows us to pursue emergency water supply infrastructure projects that would otherwise be difficult to justify in our limited budget, and keeps us on a proactive footing."

Jon Weiss, Chief, Pawlet VFD

Re: Appropriation Request for 2020

Dear Select Board:

Neighborhood Connections, Inc. is a community-based nonprofit serving nine towns in southern Vermont, including Londonderry. Our focus is on people who have fallen through the cracks of governmental support systems. They may suffer from: poor health, inadequate housing, food insecurity, loneliness or depression amongst various other challenges. Too often they experience more than one of these challenges.

In order to enable us to continue providing supports for our neighbors, we are requesting \$6,000 from Londonderry for use in our general operating budget. This is an increase from the \$5000 we received last year, as the amount of services we have provided have increased. During this past year, Londonderry residents have accounted for over 627 services provided by Neighborhood Connections.

Some of the other services provided include (this is not an exhaustive list):

- *Advocacy and referrals
- *Health Services
- *Food Assistance & Nutrition
- *Heating crisis and Funds for Repair
- *Employment Counseling
- *Tax Return Assistance
- *Short-term Financial Assistance
- *Safety and wellness monitoring
- *Access to Mental Health services
- *Applications for Medicare and Medicaid enrollment
- *Crisis Intervention
- *Legal Referrals

In addition, we coordinate services voluntarily provided by other organizations and volunteers with whom we partner. These may include home improvements, transportation services, companionship home visits, etc. Coordination with others enables Neighborhood Connections to significantly expand the quantity and range of services that we can offer to those in need.

Neighborhood Connections also provides a "Meeting Place" for a variety of community organizations. In the past year, the Meeting place hosted more than 50 meetings and talks with over 400 attendees. Among the groups using the Meeting Place are Clean & Sober, the Tri-Mountains Lions Club, AARP (for tax assistance), and mental health providers. Since 2014, the Meeting Place has also served as the location for monthly meetings of "Community Partners"- an initiative composed of more than 30 volunteers groups and community-based organizations that come together to share information and strategies on the most effective and efficient ways to meet the needs of the residents of the towns they serve.

We hope you will continue to provide us with the financial support that we need so that we can help our neighbors in need.

With sincerest gratitude,

SeVEDS Impact Statement for Town Reports – 2020

Thank you to the Selectboard and voters from the Town of Londonderry for your ongoing support of Southeastern Vermont Economic Development Strategies (SeVEDS). Since 2007, (SeVEDS) has taken on shared economic challenges we face as a region. SeVEDS, founded as an affiliate of the Brattleboro Development Credit Corporation (BDCC), takes a proactive, long-term approach to economic development. Improving wages, attracting and keeping people, and fostering a healthy regional jobs base are all critical. But it is beyond the capacity of any single community to substantially affect these things. SeVEDS creates strategies, attracts resources, and helps us act together regionally in order to build a vibrant economy. We use municipal funding in three key ways:

- (1) As **seed funding** to bring more funding to the region (in FY19 \$415,924 of federal and state funding);
- (2) For **capacity** to write grants, to create the programs and research and planning; and
- (3) To directly **fund implementation** of programs & projects.

Background & Request

SeVEDS requests funding from all 27 towns we serve. In 2019, thirteen communities funded SeVEDS, representing 74% of Windham residents. We leverage municipal investments alongside BDCC investment to secure bring in new dollars from state, federal and foundation sources. Our work is guided by the Comprehensive Economic Development Strategy (CEDS), a regional plan funded by municipal investment. Its goals are simple: **Strengthen Business, Support People.**

This 2019 Southern Vermont CEDS, which is available online, is the region's next step towards becoming an Economic Development District to better coordinate federal support.

SeVEDS leads regional economic development with strategy and insight. SeVEDS helps to fund a wide range of initiatives which were have directly resulted from the CEDS and SeVEDS research:

- We are building a **regional workforce development system** that connects employers with people and connects people with opportunities through the Workforce Center of Excellence.
- This includes **Southern Vermont Young Professionals**, which since 2018 put on 20 networking events, 10 financial literacy & homebuyer trainings, and engaged over 500 young people living here.
- **BDCC Paid Internships** has placed 105 interns since 2014, visits over 20 campuses, and has worked with over 175 employers across the region. We place regional college students of all ages, and students returning to this region for summer or post-graduation. 25% of interns are hired on to stay.
- **Capacity-building for communities** Through our Southern Vermont Economy Project and Community Facilities Assistance Program we help towns and non-profits to improve community vibrancy through local projects. Since 2017 we provided 89 trainings (like a grant-writing workshop and broadband summits) with over 1,000 participants, plus 32 online webinars to help solve problems or find resources (7,000 views so far!).
- In FY'19 we helped over 500 **job-seekers and career-changers** including people affected by layoffs. We worked with 67 employers on everything from funding a new workforce training program, to welcoming high school and college students who are potential future employees.
- We provide innovative services, lending & technical assistance for **small businesses and startups** through INSTIG8. In 2019 we worked with employers providing 25% of the Windham Region's jobs. We run everything from succession planning workshops to help proprietors seeking to retire, to startup bootcamps to help new entrepreneurs succeed. We are also the official agency that connects businesses with a host of other state and federal resources, from business counseling to incentive programs.
- SeVEDS & BDCC visit every community, listen and learn, to keep evolving and adapting the work we do for you.

We have asked the Town of Londonderry to include SeVEDS in your 2020 general fund budget. We ask every town in the Windham Region to contribute at the rate of \$3.00 per person. **Therefore, we are asking the Town of Londonderry to appropriate \$5,307.00 (based on a population of 1,769 to support SeVEDS.**

The Windham Regional Commission

The mission of the Windham Regional Commission (WRC) is to assist towns in Southeastern Vermont to provide effective local governance and to work collaboratively with them to address regional issues. In the absence of county government, we provide an essential link between towns, the state, and the federal government. The region is comprised of 27 member towns: the 23 towns of Windham County; Readsboro, Searsburg and Winhall in Bennington County; and Weston in Windsor County.

The Commission, a political subdivision of the state, is composed of and governed by town-appointed Commissioners. Towns choose their own representatives to serve on the Commission. After town meeting, each Selectboard appoints up to two representatives to serve on the Commission for the coming year. Londonderry is currently represented by Denis Pinkernell and Georgianne Mora. Each Commissioner represents their town's interests before the Commission, brings information from the Commission back to their town, and serves on at least one of a number of WRC committees that address regional and municipal issues and concerns. Active service on these committees is very important because the WRC is organized around a strong committee structure. It's within these committees that most Commission decisions are made. All WRC meetings are open to the public and subject to Vermont open meeting law.

We assist towns with a number of different activities, including town plans and bylaws; community and economic development; local emergency and hazard mitigation planning, including flood hazard and river corridor bylaw assistance; natural resources, including assisting towns with watershed restoration projects and implementation of the state's new clean water law; Act 174 town energy planning; transportation, including traffic counts (automotive, bicycles, pedestrian), inventories (bridges, culverts, signs, road erosion), road foremen training, and serving as a liaison with VTTrans to report damage to town road infrastructure to the state as a result of flooding; redevelopment of "Brownfields" sites (sites that are or may be contaminated by hazardous substances); review of projects submitted for review through Act 250 (land use), Section 248 (energy generation and transmission, telecommunications), and federal permitting processes; grant application and administration; training of municipal officials and volunteers across a range of topics; and mapping and geographic information system (GIS) analyses. The maps in your town office were likely produced by the WRC.

We help towns make the most of the financial and human resources they have both individually and collectively, assisting with projects between and among towns, building and augmenting the capacity of volunteer-based town boards and commissions, and providing professional services to towns that may want to take on a project that is beyond what they can comfortably manage with their own staff and volunteers. Our relationship with towns is inherently collaborative. For instance, towns may choose to have their plans reviewed by the Commission; town plan review and approval by the WRC is not mandatory. The regional plan, which was updated in 2014 following a two-year process, is developed in consultation with member towns, reflects town plan policies, and is ultimately approved by our towns.

Past year highlights reflect the range of services we provide to the towns of the region. We have submitted an application for a VT Public Service Department Broadband Innovation Grant in collaboration with Valley Net and the Center on Rural Innovation to develop a feasibility analysis and business plan to improve access to high-speed broadband to underserved communities for the region as a whole. This work will be done in collaboration with towns. We've established a regional Emergency Management Directors (EMD) Roundtable, and have worked with EMDs and assistance agencies to create a Vulnerable Population Phone Tree to facilitate outreach to those most at risk during a disaster. We continue to help towns apply for grants to support compliance with the state's Municipal Roads General Permit compliance. We also continue to be the primary GIS and mapping resource for our towns. An annual report is available on our website (www.windhamregional.org). Click on the heading "About Us." We encourage you to visit your town's page on our website to see your town's profile (<http://windhamregional.org/towns>). A video about the WRC is available on our homepage.

Funding for the WRC is provided through contracts with state agencies, federal grants, and town assessments. Town assessments make up a relatively small percentage of our budget; about 5% of a \$2.32 million budget for FY 2020, a substantial portion of which includes our brownfields revolving loan fund and modern wood heat and renewable energy grant funds. But it is the only funding we receive that has no conditions placed upon it by entities beyond the WRC's borders. Your town's assessment makes it possible for us to leverage the resources to serve you. The town's assessment for this year is \$4,025. To see our detailed Work Program and Budget for FY 2020, visit our website and click on the heading "About Us."

Vermont League of Cities and Towns
Serving and Strengthening Vermont Local Government

About the League

The Vermont League of Cities and Towns (VLCT) is a nonprofit, nonpartisan organization, owned by its member municipalities, with a mission to serve and strengthen Vermont local government. It is directed by a 13-member Board of Directors elected by the membership and comprising municipal officials from across the state. The most recent audited financial statements are posted on our website, vlct.org/about/audit-reports, and show that our positive net position continues.

Member Benefits

All 246 Vermont cities and towns are members of VLCT, as are 139 other municipal entities that include villages, solid waste districts, regional planning commissions, and fire districts. Members have exclusive access to a wide range of specialized benefits, expertise, and services, including:

- **Legal, consulting, and education services**, including prompt responses to member inquiries. In 2019, VLCT continued to provide members with timely legal and technical assistance, including answering more than 4,000 legal questions and publishing legal compliance guidance, templates and research reports, many of which are available to our members on our website.
- **Training programs on topics of specific concern to officials** who carry out the duties required by statute or are directed by town meeting mandates. The League provided training on various topics related to municipal law and governance to more than 1,000 members this past year.
- **Representation before the state legislature and state agencies**, ensuring that municipal voices are heard collectively and as a single, united voice. VLCT's recent legislative efforts have helped provide cities and towns additional resources to achieve tangible results on pressing issues such as road and bridge repair, cybersecurity, housing and economic growth, renewable energy, emergency medical services, reducing carbon emissions, and ensuring water quality. Members are also represented at the federal level primarily through our partner, the National League of Cities, as well as directly with Vermont's Congressional delegation.
- **Access to two exceptional insurance programs.** The Property and Casualty Intermunicipal Fund (PACIF) provides comprehensive and cost-effective property, liability, and workers' compensation insurance coverage, programs, and services that protect the assets of your community. The VLCT Employment Resource and Benefits Trust (VERB) provides unemployment insurance, life, disability, dental, and vision insurance products to members at a competitive price. Both programs provide coverage and products that members need and ask for, help Vermont municipalities stretch their budgets, and are *only* available to VLCT members.
- **Access to a host of educational and informative materials and member conferences**, including a news magazine, handbooks, reports, articles, and events that all focus on the needs of local government and provide additional educational and networking opportunities.

At the heart of all these activities is VLCT's commitment to serving as a good steward of member assets, and we are proud of the progress we continue to make in that effort. Members are welcome to visit the VLCT office anytime to review the operations of the organization, to ask questions, and to access resources that can help each individual official and employee carry out the important work of local government.

To learn more about the Vermont League of Cities and Towns, visit the VLCT website at vlct.org.

United States™ Census 2020

The 2020 U.S. Decennial Census begins in March and April

Every ten years the US Constitution requires an 'enumeration' of all persons in the United States, commonly referred to as "The Census." For the next ten years, the numbers produced in this effort will help determine how more than 675 billion dollars will be distributed to states and localities annually through more than 65 federal programs. These programs include special education funding, school lunch programs, meals on wheels, fuel assistance, Medicare, housing rehabilitation, community economic development and revitalization block grants, early childhood education, cooperative extension offices, and more. This year, you will have the option of responding on-line, over the telephone or with a traditional, short-form written response. Look for your invitation to respond in the mail or at your door. It is critical that *everyone* participate and that all household members be included. Make sure that our community counts!

December 23rd, 2019

Dear Veteran,

The White River Junction VA Medical Center is attempting to contact all Veterans in our catchment area of Vermont and New Hampshire who are not enrolled or are enrolled and no longer utilizing our services. If you currently receive our services, please pass this note on to a Veteran who may benefit.

We offer a wide variety of services including assistance to Veterans who are homeless or unemployed to providing primary and specialty care. We have a robust mental health department offering one-on-one counseling, peer support, group sessions, and more. There is a designated treatment area for our women Veterans at the Women's Comprehensive Care Clinic; a safe space.

The White River Junction VA Medical Center has seven community-based outpatient clinics. They are located in Bennington, Rutland, Brattleboro, Newport and Burlington, Vermont; in New Hampshire we offer services in Keene and Littleton. We are here to serve all Veterans, please do not hesitate to contact us, if for no other reason than to register/enroll with us in case of future need.

Our eligibility office in White River Junction can be reached at 802-295-9363 extension 5118. A single form - VA form 10-10EZ - and a copy of the DD214 is all that is needed.

The American Legion, Disabled American Veterans and the Veterans of Foreign Wars have full time service officers that are knowledgeable about our programs. These independent organizations serve all Veterans including nonmembers in processing disability and pension claims. They can be reached in White River Junction at:

American Legion	802-296-5166
Disabled American Veterans	802-296-5167
Veterans of Foreign Wars	802-296-5168

Thank you for your service to our nation. On behalf of the White River Junction VA Medical Center team, we look forward to serving you.

Respectfully;

Becky Rhoads, Au.D.
Associate Medical Center Director

MINUTES FOR THE LONDONDERRY TOWN MEETING

The inhabitants of the Town of Londonderry, Vermont, who are legal voters of the Town Meeting met at their Town Hall, 139 Middletown Road, S. Londonderry, on Tuesday, March 5th A.D. 2019 at 9:30 A.M. and acted on the following Articles, namely:

BUSINESS TRANSACTED FROM THE FLOOR ON TUESDAY, MARCH 5, 2019:

The meeting was called to order at 9:30 a.m.

The Assembly recited the Pledge of Allegiance.

Selectboard Chair, Jim Ameden introduced the new Town Administrator Shane O'Keefe.

ARTICLE 1 To choose a Moderator to preside at Town Meeting: Jim Ameden called for nominations for Moderator. Pete Cobb nominated Doug Friant. Marge Fish seconded the nomination. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Doug Friant. Pam Spaulding seconded the motion. The motion passed by a voice vote. Doug Friant went over Robert's Rules of Order.

ARTICLE 2 To act on the report of the Town Officers: Richard Dale moved the article. John Barry seconded the motion. Article 2 passed voice vote.

Without objection, Representative Kelly Pajala was given permission to speak before the body and update the Town about issues of importance in the Vermont Statehouse, including education funding and estimated property tax rates, changes to the pre-k policy of the Taconic & Green Regional School District, changes Statewide in the delivery of pre-k and child care, legislation to improve telecommunication infrastructure, Springfield Medical Care Systems updates, and information on the bill H.57 which preserves the right to abortion in Vermont and the possibilities for a Vermont Tax and Regulation program for marijuana.

ARTICLE 3 To elect all Town Officials required by law.

Selectboard member for a term of three years: Richard Dale nominated Taylor Prouty. Pam Spaulding seconded the nomination. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Taylor Prouty. Marge Fish seconded the motion. The motion passed by a voice vote.

Selectboard member for a term of two years: Esther Fishman nominated Georgianne Mora. George Legace seconded the nomination. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Georgianne Mora. Marge Fish seconded the motion. The motion passed by a voice vote.

Lister for a term of three years: Julie Adams nominated Sandra Clark. John Barry seconded the nomination. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Sandra Clark. Marge Fish seconded the motion. The motion passed by a voice vote.

Lister for a term of one year remaining on a three-year term: George Legace nominated Julie Adams. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Julie Adams. Marge Fish seconded the motion. The motion passed by a voice vote.

First Constable for a term of one year: Matt Mosher nominated Roger Sheehan. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Roger Sheehan. George Legace seconded the motion. The motion passed by a voice vote.

Second Constable for a term of one year: no nominations were made. Richard Dale moved that nominations be closed. The motion passed by a voice vote.

Collector of Delinquent Taxes for a term of one year: Amanda Fusco nominated Joan Dayton. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Joan Dayton. Pam Spaulding seconded the motion. The motion passed by a voice vote.

Town Grand Juror for a term of one year: Sharon Crossman nominated Peter Pagnucco. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Peter Pagnucco. Pam Spaulding seconded the motion. The motion passed by a voice vote.

Town Agent for a term of one year: Richard Dale nominated Huzon Alexander III. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Huzon Alexander III. George Legace seconded the motion. The motion passed by a voice vote.

Cemetery Commissioner for a term of five years: Pam Spaulding nominated Daniel Cobb. Richard Dale moved that nominations be closed, and the Clerk cast one ballot for Daniel Cobb. Roger Sheehan seconded the motion. The motion passed by a voice vote.

Trustee of Public Funds for a term of three years: Darcy Duval nominated Michael Goodbody. Daniel Cobb moved that nominations be closed, and the Clerk cast one ballot for Michael Goodbody. Richard Dale seconded the motion. The motion passed by a voice vote.

ARTICLE 4 To see if the Town will vote the sum of \$1,000 (One Thousand) for the Londonderry Conservation Fund. Richard Dale moved the article. John Barry seconded the motion. The article passed voice vote.

ARTICLE 5 To see if the Town will vote to raise a sum of \$20,000 (Twenty Thousand) on the Grand List of 2019 for Champion Fire Company #5 Inc. Pam Spaulding moved the article. Marge Fish seconded the motion. The article passed by voice vote.

ARTICLE 6 To see if the Town will vote to raise a sum of \$80,000 (Eighty Thousand) on the Grand List of 2019 for Phoenix Fire Company #6 to purchase a Ford F550 four door crew cab Fire Truck. Richard Dale moved the article. John Barry seconded the motion. Don Hazleton spoke on behalf of the Phoenix Fire Company #6. The article passed by voice vote.

ARTICLE 7 To see if the Town will vote to raise a sum of \$10,000 (Ten Thousand) on the Grand List of 2019 for Londonderry Volunteer Rescue Squad. Pam Spaulding moved the article. Richard Dale seconded the motion. The article passed by voice vote.

ARTICLE 8 To see if the Town will vote to raise a sum of \$10,000 (Ten Thousand) on the Grand List of 2019 for S. Londonderry Library Association. Pam Spaulding moved the article. Richard Dale seconded the motion. The article passed by voice vote.

ARTICLE 9 To see if the Town will vote to renew the exemption from Property Taxes for the S. Londonderry Library Association – Old School Street, S. Londonderry. Richard Dale moved the article. Pam Spaulding seconded the article. The article passed by voice vote.

ARTICLE 10 Shall the Town of Londonderry vote to approve a sum not to exceed \$40,000 (Forty Thousand) to fund contracting with the VT State Police for policing the Town of Londonderry? Pam Spaulding moved the article. George Legace seconded the motion. James Ameden made a motion to amend the amount to \$15,000.00. Pete Cobb seconded the amendment. There was discussion about the

lack of officers signing up for hours to fulfill a contract with Londonderry at the 2018 level and if it is necessary to continue the contract with VSP. Sandy Wilbur asked to call the question. The Assembly voted to call the question. The amendment passed by a voice vote. The article as amended passed by a voice vote.

ARTICLE 11 Shall the Town of Londonderry vote to approve a sum of \$120,000 (One Hundred Twenty Thousand) to put into the Highway Equipment Reserve Fund? Pam Spaulding moved the article. John Barry seconded the motion. The article passed by voice vote.

ARTICLE 12 Shall the town raise and appropriate the sum of \$100,000 (One Hundred Thousand) to fund the Town Buildings Reserve Fund? Pam Spaulding moved the article. Richard Dale seconded the motion. Without objection, the assembly heard from Shane O'Keefe about the current status of the improvements and renovations at the Town Office Building. The article passed by voice vote.

ARTICLE 13 Shall the Town of Londonderry vote to approve a sum of \$5,000.00 (Five Thousand) to the Londonderry Parks Board to install a Pump Track at Pingree Park? Richard Dale moved the article. George Legace seconded the motion. Nadine Van Houten spoke on behalf of the Parks Board about the pump track project and thanked Candy Bliss for her volunteer efforts in counting the redeemable bottles. The article passed by voice vote.

The Assembly heard from Dr. Roger Fox about the appropriation request for Mountain Valley Medical Center.

ARTICLE 14 To see how much the Town will vote for a General Fund. Pam Spaulding moved the article. George Legace seconded the motion. Tina Labeau shared the budget total from page 18 of the town Report, \$1,836,016.77. The article passed by voice vote.

ARTICLE 15 Shall the Town vote for its taxes to be paid to the Town Treasurer as provided by law, due date to be on or before October 1st, 2019? Pam Spaulding moved the article. George Legace seconded the motion. The article passed by voice vote.

ARTICLE 16 Shall the Town vote to raise the sum of \$29,445 (Twenty-nine thousand, four hundred forty-five) for the following organizations?

American Red Cross	500.00
Flood Brook Athletic Association	2,500.00
Grace Cottage Foundation	750.00
Greater Northshire Access TV	2,000.00
Green Mountain RSVP	415.00
Green Up Vermont	100.00
Health Care & Rehabilitation Services	1,513.00
Londonderry 4 th of July	1,000.00
Neighborhood Connections	5,500.00
Senior Solutions	850.00
SEVCA	1,700.00
Southeast Vermont Watershed Alliance	410.00
The Collaborative	1,000.00
Valley Cares	2,742.00
Visiting Nurse Assoc. of VT & NH	7,000.00
Vermont Rural Fire Protection	100.00
Windham County Historical Society	250.00

Pam Spaulding moved the article. Richard Dale seconded the motion. John Barry made a motion to change Greater Northshire Access TV's request from \$2,000.00 to \$800.00. After some discussion the motion was withdrawn without objection. John Barry made a motion to split the question by creating Article 16A for \$27,445 with all requests except Greater Northshire Access TV for \$2,000.00 to be Article 16B. Richard Dale seconded the motion. Tina Labeau discussed the process for putting appropriations on the warning. The motion to divide the article passed. Article 16A in the amount of \$27,445 passed by a voice vote. Article 16B for Greater Northshire Access TV in the amount of \$2,000.00 was moved by Pam Spaulding and seconded by George Legace. John Barry made a motion to amend 16B to be \$800.00. Pam Spaulding seconded the motion. There was discussion about the amount of \$2,000 being disproportionate being based on population. There was also discussion about the services GNAT provides to 13 different towns in their coverage area, specific events in Londonderry that they have helped with and why the amount is \$2,000.00. The motion to amend failed by a voice vote. Article 16B passed by a voice vote.

ARTICLE 17 Shall the voters in the Town of Londonderry appropriate the sum of \$5307 (Five Thousand three hundred and seven) to be raised by taxes in support of Southeastern Vermont Economic Development Strategies (SeVEDS) to provide workforce and economic coordination services to residents of the town? Pam Spaulding moved the article. Bruce Frauman seconded the motion. Without objection a representative from the BDCC, the organization that manages SeVEDS, spoke to the assembly about the how SeVEDS works for the community. John Barry made a motion to postpone the article indefinitely. The motion was withdrawn. Wilma Tremarco made a motion to commit article 17 to a study committee. Marge Fish seconded the motion. After some discussion the motion was amended to included that the article will be revisited at next year's town meeting. There was further discussion about the benefit that Londonderry and the region in general receives from SeVEDS programs. The motion to commit article 17 and the second to the motion were withdrawn. Darcy Duval made a motion to amend the article to \$2,500.00. Pete Cobb seconded the motion. The motion to amend failed by a division of the House 32/50. Steve Twitchell moved to call the question. Marge Fish seconded the motion. The vote to call the question passed. The article passed by voice vote.

ARTICLE 18 Shall the voters in the Town of Londonderry appropriate the sum of \$500 (Five Hundred) to the Windham County Humane Society? Pam Spaulding moved the article. George Legace seconded the motion. The article passed by voice vote.

ARTICLE 19 Shall the voters in the Town of Londonderry appropriate the sum of \$1,000 (One Thousand) to the Friends of the West River Trail? Pam Spaulding moved the article. John Barry seconded the motion. The article passed by voice vote.

ARTICLE 20 Shall the voters in the Town of Londonderry appropriate the sum of \$5,000 (Five Thousand) to the Mountain Valley Medical Clinic to provide assistance to uninsured patients? Pam Spaulding moved the article. Marge Fish seconded the motion. There was discussion about where the appropriation would go, either to MVMC or to Springfield Medical Care Systems. The appropriation will go to Mountain Valley Health Council endowment fund to cover uncovered patient's costs for Londonderry residents. There was discussion about how to keep the money in the Londonderry community and make sure the money gets sent to the proper entity. It was made clear that the name Mountain Valley Medical Clinic was a clerical

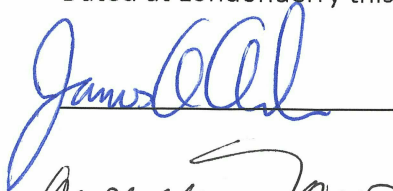

error and in order to clarify the intent of the article, Roger Sheehan made a motion to amend the article to say "Shall the voters in the Town of Londonderry appropriate the sum of \$5,000 (Five Thousand) to the Mountain Valley Medical Clinic to provide assistance to uninsured patients via the Mountain Valley Health Center's emergency relief fund to support patients in the Londonderry area who are struggling to pay for their medical care?". Claire Trask seconded the motion. There was further discussion about how to clarify the intent of the amendment. Sven Federow made a motion to amend the amendment to say, "Shall the voters in the Town of Londonderry appropriate the sum of \$5,000 (Five Thousand) to the Mountain Valley Medical Clinic to provide assistance to uninsured patients via the Mountain Valley Health Center's emergency relief fund to support patients in the Londonderry area who are struggling to pay for their medical care in accordance with the November 26th, 2018 letter to the Town of Londonderry"? Richard Korzun seconded the motion. There was further discussion. The motion to amend the amendment passed by a voice vote. There was further discussion about the amended amendment. The amended amendment failed by a voice vote. Laurie Mullen called the question. Melissa Brown seconded the calling of the question. John Barry called a point of order that was deemed not germane. The vote to call the question passed by a voice vote. The article as written passed by a voice vote.

ARTICLE 21 Shall the voters in the Town of Londonderry appropriate the sum of \$3,000 (Three Thousand) to West River Montessori School to provide scholarships for students in the 2 & 3-year-old program? Pam Spaulding moved the article. Claire Trask seconded the motion. It was announced that the request letter from WRMS did not get printed in the Town Report but copies were provided at the meeting and the Moderator read the letter to the assembly. The Director of WRMS was granted permission to speak at the meeting to answer questions. There was discussion about the article. The article passed by a voice vote.

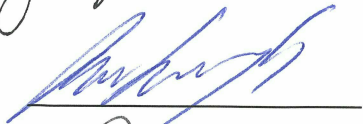

ARTICLE 22 Shall the voters in the Town of Londonderry appropriate the sum \$125 (One hundred twenty-five) to the Current? Pete Cobb moved the article. Pam Spaulding seconded the motion. The article passed by a voice vote.

ARTICLE 23 To transact any other business that may legally come before the Meeting. John Barry made a motion to adjourn. Pam Spaulding seconded the motion. Steve Twitchell encouraged everyone to thank Candy Bliss for sorting the redeemable bottles and cans at the transfer station. Kevin Beattie suggested changing the date of our town meeting to increase participation. Marcia Camp asked about what was happening at Lowell Lake. Georgianne Mora stated that the Lowell Lake Working Group was not keeping the select board informed about their activities. It was clarified that the Working Group is not a part of Town Government and is an independent group. Bonnie Cobb thanked all the people who volunteer in the Town of Londonderry. Melissa Brown commented on the Londonderry Community Forum Facebook Page. Georgianne Mora replied by saying that Facebook page is in no way connected with Town Government. Sandy Wilbur brought up the Nature Conservancy's recent purchase of acreage on Glebe Mountain. There was brief discussion about the Lowell Lake Working Group meetings not being well publicized. The motion to adjourn passed and the meeting adjourned at 1:11pm.

BUSINESS TO BE TRANSACTED FROM THE FLOOR ON TUESDAY, MARCH 3, 2020:

ARTICLE 1 To choose a Moderator to preside at Town Meeting.

ARTICLE 2 To act on the report of the Town Officers.

ARTICLE 3 Shall the voters authorize the Selectboard to appoint a collector of delinquent taxes pursuant to 17 V.S.A. § 2651d(a)?

ARTICLE 4 To elect all Town Officials required by law:

- Town Clerk for a term of three years
- Town Treasurer for a term of three years
- Selectboard member for a term of three years.
- Selectboard member for a term of two years.
- Lister for a term of three years.
- First Constable for a term of one year.
- Second Constable for a term of one year.
- Collector of Delinquent Taxes for a term of one year.
- Town Grand Juror for a term of one year.
- Town Agent for a term of one year.
- Cemetery Commissioner for a term of five years.
- Trustee of Public Funds for a term of three years.

ARTICLE 5 To see if the Town will vote the sum of \$1,000 for the Londonderry Conservation Fund.

ARTICLE 6 To see if the Town will vote to raise the sum of \$20,000 on the Grand List of 2019 for Champion Fire Company #5 Inc.

ARTICLE 7 To see if the Town will vote to raise a sum of \$10,000 on the Grand List of 2019 for Londonderry Volunteer Rescue Squad.

ARTICLE 8 To see if the Town will vote to raise a sum of \$10,000 on the Grand List of 2019 for S. Londonderry Library Association.

ARTICLE 9 Shall the Town of Londonderry vote to approve a sum not to exceed \$5,000 (Five Thousand) to fund contracting with the VT State Police for policing the Town of Londonderry?

ARTICLE 10 Shall the Town of Londonderry vote to approve a sum of \$120,000 (One Hundred Twenty Thousand) to put into the Highway Equipment Reserve Fund?

ARTICLE 11 Shall the Town raise and appropriate the sum of \$100,000 (One Hundred Thousand) to fund the Town Buildings Reserve Fund?

ARTICLE 12 To see how much the Town will vote for a General Fund.

ARTICLE 13 Shall the Town vote for its taxes to be paid to the Town Treasurer as provided by law, due date to be on or before October 1st, 2020?

ARTICLE 14 Shall the Town vote to raise the sum of \$51,802 (Fifty-one thousand, eight hundred two) for the following organizations?

American Red Cross	500.00
Flood Brook Athletic Association	2,500.00
Friends of The West River Trail	1000.00
Grace Cottage Foundation	750.00
Greater Northshire Access TV	2,000.00
Green Mountain RSVP	415.00
Green Up Vermont	100.00
Health Care & Rehabilitation Services	1,513.00
Londonderry 4 th of July	1,500.00
Mountain Valley Health Council	5000.00
Neighborhood Connections	6000.00
Senior Solutions	850.00
SVEDS	5307.00
SEVCA	1,700.00
Southeast Vermont Watershed Alliance	260.00
The Collaborative	1,000.00
The Current	200.00
