

To Whom It May Concern:

My name is Tyler Kuhn and I am a senior at Dartmouth College.

I am conducting research on the history of state pardons and I could use some help from the Office of the Governor.

Is there anyway your agency can provide me with a spreadsheet of the number of pardons issued by the Governor per year (preferably with dates attached) since 1978? For example, I want to know how many pardons were issued by the governor in 2004.

I do not believe this will take too much time or effort but, as I have uncovered, this is an impossible task to do as a private citizen without the help of the Governor's Office.

I know this is a bit of a long shot but any help you could provide me would be greatly appreciated.

Could you please send the datasheet to my email address ([Tyler.D.Kuhn@Dartmouth.edu](mailto:Tyler.D.Kuhn@Dartmouth.edu)). If there are any issues, please feel free to use this (or my phone number 330-697-7737) as the primary means of contact.

I assume this is public information that should be accessible for someone to access. I have contacted other state agencies and they have led me to this agency. If you could help me on this inquiry, I would be very grateful.

Thank you,

Tyler D. Kuhn
