

Baltimore

Secretary of
Vermont State

This certifies that the number of paupers in
the town of Baltimore March 1829 was one
The manner of supporting said pauper is
by sale at auction to the lowest bidder for one year
Expence thereof thirty five Dollars

The causes which have reduced said person to
pauperism are old age and infirmity

The number of law suits in which the town
has been a party in the year proceeding in
settling the residence of paupers is none
