Do we have a comparable documents from the administration, PSD or others? Do we need one?
The veto message doesn't cut it.

Dear Senators,

Due to the number of inquiries concerning S.230 I have asked Mike O'Grady and Aaron Adler to provide me with a memo outlining the specific issues raised by the Governor in his veto message. I hope this will be helpful for our deliberations tomorrow. As I previously stated, it is my intention to gavel in then move to recess in order to caucus. I will provide more information if things change.
