

## 2019-2020 Session

[Change Session ▼](#)

# House Committee on Transportation

## (Room 43)

The House Committee on Transportation considers matters relating to all transportation companies and corporations subject to the regulation of the Public Service Board, all air and surface transportation, the registration, regulation, and licensing of transportation operations and users, the construction and maintenance of thoroughfares, and the impact of the transportation sector on air pollution and climate change.
