Sarah,

Looks good to me, hopefully meet on at least a quarterly basis. I know it is not less than bi-annual.

Bruce, apologies for delay, I thought I had already sent this to you. Just let me know if you receive. Others, I believe you have already seen, but sending again to be sure.

Attached is a draft Executive Order discussed at the meeting we had last Wednesday. Again, the thinking is this will be executed in May or at the end of the legislative session. Thank you for not circulating broadly yet, but do feel free to send me any feedback or concerns you may have. This should incorporate the feedback expressed at the meeting, but if not let me know. (Also, as many of you know but just to be sure – unlike prior Administrations, I am putting expiration dates on our Executive Orders. Any Executive Order can be renewed at any time. This is part of a larger effort to manage the contents of title 3a of the VSA's and is not specific to this Order.)

I will be in touch as soon as I have more information about the signing of this Order, and about our next meeting.

Thank you for those that were able to attend last Wednesday. I look forward to being in touch,
Sarah
