Robert, I received your attached public records act request. The Governor's Office has searched all current and prior staff's records. The only records we have that relate to this topic or to the names you provided are emails from Felix Kniazev to a constituent correspondent. The emails include an invitation to attend a "Freedom from Harm" event, a press release regarding that event, and an invitation to attend an "Eco Art Event" and "GreenFestival."

If you would like those emails, I am happy to provide them. If you have any questions or concerns, feel free to give me a call as well.

Thank you,  
Sarah
