Subject: Senate Finance notes 2/16/16: health care advocate bill back

Senate Finance 2/16/16

Health Care Advocate Bill Back

Trinka Kerr, Health Care Advocate - Facing a cut in the Governor's recommend \$160,000. Two federal grants are ending. We are hoping to make up at least part of that difference. We looked at our funding sources. GMCB \$350,000 bill back switched to Global Commitment funding. June 30 bill back ending. Bill back money for three years. Now expiring. Board decided to use GC. I don't actually know how they can do that? I have no idea why they switched it (the Board). If it's GC money coming to us that draws down a federal match. We already get a chunk of money through DVHA and Vermont Health Connect. We do a lot of work before the GMCB, so it makes sense for us to get a share through bill back.

Ashe: We'll ask the Board for an explanation why they made the change. (Bill back to GC funding)

Sirotkin: If you use GC, not bill back, then you need state dollars.

Nolan: You need state dollars for bill back as well.

Lyons: Which one costs more? The work that is being done is important. Robin or Devon.

Hi all – do we care if the GMCB uses bill back or GC funds for the Health Care Advocate contract? I also got asked what our position was in Senate finance today. Our office previously did a report that recommended bill back, so I think we could be neutral or ok with it (or we could be inconsistent with previous position, but we'd need a reason).

Al's letter said that they didn't use bill back, because the authority was sunseting.

HWM wants a response related to added language in the miscellaneous tax bill. Here's the language:

Sec. 34a. OFFICE OF THE HEALTH CARE ADVOCATE

Financial support for the Office of the Health Care Advocate established pursuant to 18 V.S.A. chapter 229 for services related to the Green Mountain Care Board's regulatory and supervisory duties shall be considered expenses incurred by the Board under 18 V.S.A. § 9374(h) and shall be an acceptable use of funds realized pursuant to that section.

Ways and means has the "official" version of the misc tax bill now:
<http://legislature.vermont.gov/assets/Documents/2016/WorkGroups/House%20Ways%20and%20Means/Miscellaneous%20Tax%20Bill/W~Peter%20Griffin~Miscellaneous%20Tax%20Bill%20language~2-16-2016.pdf>

They added a Sec. 34a related to the health care advocate. During their walk through they wanted to know if the admin was okay. I said I had to check with people because I had no idea! Thanks for letting me know!!
