10. Other Business

a. Kevin Leahy, Board Counsel, was present to discuss spot
inspections with the Board. Mr. Leahy explained how this Board is
unique in that it has the power to investigate and do inspections,
but felt that if Board members were to do inspections that a conflict
would arise if an inspection led to a disciplinary procedure.

Mr. Coane described situations that had happened in the past that
had Board member involvement, and how one agency was shut
down due to the observation of a Board member. The Board was
in agreement as to how strong they all felt regarding this matter.

Mr. Leahy explained how some of the other boards work, and
stated that if we were to do a checklist that comports with our
Board's laws and rules it would be very helpful for the investigators.
Mr. Leahy will be presenting this matter at a meeting he will be
attending with the Director, Investigators, and Administrators.

b. Mr. Edwards made a motion, seconded by Mr. Blais, to retain the
same slate of Board officers. Motion passed unanimously.
