or call (802) 828-2226

Coming Home focuses on five people returning back to their Vermont communities from prison. The film spotlights the innovative COSA program (Circle of Support and Accountability) that helps reintegrate folks back into their daily lives. The COSA program is run through Vermont's **Community Justice Centers**. Coming Home takes an intimate and powerful look at this COSA process, the struggles and challenges of folks coming out of prison and the successes of the restorative justice model.
