DEDICATION OF TOWN REPORT

The Auditors of the Town of Whiting are pleased to dedicated this Town Report to Ellen Kurrelmeyer.

Ellen has been an integral part of our town since she and John moved here in 1996. These are just a few of the many things that Ellen (and John) has accomplished in the years in our town. Ellen was first elected to the Select Board in 2004, and became the Chair in 2010. In her years on the Board she has seen her share of complicated issues and difficult projects and has handled them all with grace and dignity. She wrote a grant to have WCAX attend the New Firehouse Opening and a grant for the Town Hall Lighting. Ellen has also been an Auditor (2003), the Town Moderator (2008-2014), the School Moderator (2005-2016), and a member of the Addison County Regional Planning Commission (1999-present) where she has been an Executive Board member and the Chair of the Act 250 committee. Since 1997 Ellen has been the Whiting Representative to the Otter Valley Union High School. During her time on the board she has been the Chair of the Principal committee and the Chair of the Finance committee. Ellen and John have organized and run the Legislative Breakfasts in Whiting from 2002 to present. This breakfast has been a way for we as townspeople to get to know our representatives but also for others to know where Whiting is on the map

We all remember Ellen at the counter of the town post office. She was there at the window to greet us from 1998 to 2015. Always ready to help with a question you had or she would just ask how you are doing and really care about your answer. Ellen taught Art at Whiting Christian School from 1997-2005 in the Whiting Community Church building. Here she used her degrees in art to teach the young people of our town how to really see what was in front of them, the angles and depths of a building, the colors and contrasts in a tree, it was a real gift she gave the students. Ellen and John together ran the Bulwagga Books bookstore in town from 1996-2016. This book store was a focal point for many visitors into town and especially bicyclists on their ride up route 30.

We thank her for all the countless hours spent writing reports and letters, attending meetings and planning events, and for her commitment and dedication to making this Town a better place for all of us.

Thank you, Ellen.

Who's Who in Local Government

Roles of Elected and Appointed Officers

Supplied by the Vermont Secretary of State's Office

Auditor (elected)

Review and audit all town accounts and prepare the annual town report. Should be very detail oriented. Good writing skills are a plus.

Cemetery Commissioner (elected)

Responsible for the care and management of the town's cemeteries. If no cemetery commissioners are elected, the selectboard fulfills this role.

Collector of Current Taxes

A town must vote to have the Town Manager or Town Treasurer to collect current taxes. If the town fails to vote, then the Town Constable becomes the collector of current taxes.

Collector of Delinquent Taxes

A town must vote to authorize the selectboard to appoint a collector of delinquent taxes, who may be the Town Manager or Town Treasurer. If a town fails to vote, then the Town Constable becomes the collector of delinquent taxes.

Constable (elected)

In some towns the constable is the town's local law enforcement officer, with all powers of search, seizure, and arrest within the town. In other towns, the constable only has the power to serve civil process, assist the health officer in the discharge of his or her duties, destroy unlicensed dogs, kill injured deer, remove disorderly people from town meeting, and, if the first constable, to collect taxes, if no tax collector is elected. Should be good at de-escalating and resolving conflicts.

Fence Viewers (appointed)

Three viewers are appointed by the selectboard each year. When called upon, they examine fences and other boundaries within the town.

Grand Juror (elected)

Helps to prosecute criminal offenses that occur in the town by giving information to state and local law enforcement. (Generally not a very active position.)

Health Officer (appointed)

Appointed by the commissioner of health to a three-year term after recommendation by the town selectboard. Enforces the rules and regulations for the prevention and abatement of public health hazards.

Justices of the Peace (elected)

Although elected by a town, justices of the peace are actually county officers. For more information, see the Justice of the Peace Handbook. The duties of justices of the peace can fall into five categories of responsibilities: elections, tax abatement and appeals, marriages and civil unions, oaths and notary, and magistrate.

Listers (elected)

Appraise property within the town for the purpose of property tax assessment. Should be able to be polite, yet firm, and not be oversensitive to criticism.

Moderator (elected)

Runs the annual and special town/school meeting. Should have a good sense of humor, be good at group process, and have experience following Roberts Rules of Order.

Planning Commissioners (appointed or elected)

Appointed unless town votes to elect. Duties include preparing a municipal plan; making recommendations on matters of land development, conservation, and preservation; and participating in a

regional planning program. Makes site plan and subdivision permit decisions unless there is a development review board in town. Should have a good working knowledge of all aspects of the town and be able to listen to many sides of an issue.

Regional Planning Commission Representative (appointed)

Helps develop the regional plan and assess municipal land use plans.

Road Commissioners (elected or appointed)

Can be elected or appointed. Has no independent authority, but can assist the selectboard in overseeing town highways at the request of the board. Should have experience with town highways and be a good communicator.

Selectboard Members (elected)

General supervision and control over town; enacts ordinances, regulations, and policies for town; oversees town property and personnel; prepares, presents and manages budget; and oversees roads, including laying out, discontinuing, and reclassifying roads. Sits as local board of health, liquor control commission, and sewer commission. Should know the town well, be able to understand all sides of complex issues, and have very thick skin.

Town Agent (elected)

The town agent used to prosecute and defend suits. The selectboard now has that authority. Thus, the town agent's duty consists merely of assisting when litigation is in progress, at the request of the selectboard. (Generally not a very active position.)

Town Clerk (elected)

Records, preserves, and certifies the public records of the town. Issues dog, marriage, civil union, and hunting and fishing licenses; as well as motor vehicle renewals. Runs the local elections, serves as clerk of the board of civil authority, and hears tax abatement requests and tax appeals. Should have the patience of a saint and be a good ambassador for the town.

Town Forest Fire Warden (appointed)

Appointed by the fire commissioner with the approval of the selectboard. Prevents forest fires in the town by enforcing the laws designed to prevent forest fires.

Town Services Officer (appointed)

Appointed on or before April 15th of each year. Assists individuals within the town who require emergency food, fuel, or shelter assistance when the Vermont Department of Social Welfare is not available.

Town Treasurer (elected)

Keeps the town and school's accounts (unless a separate school treasurer is elected), invests money (with the approval of the legislative body), keeps a record of the taxes voted, and pays orders drawn on him or her. Should be very precise, detail oriented and good at math.

Town Tree Warden (appointed)

Plans and implements a shade tree preservation program for the purpose of shading and beautifying public places. Removes diseased, dying, or dead trees; which create a hazard to public safety or threaten the effectiveness of disease or insect control programs.

Zoning Administrator (appointed)

Appointed by the planning commission with the approval of the selectboard. Approves or denies applications for zoning permits. Administers the municipal bylaws literally. Enforces regulations pertaining to the zoning ordinance.

TOWN CLERK AND TREASURER REPORT

After 3 years as Town Clerk I still find it is fascinating and enjoyable and I do look forward to coming into the office each week. It has been and is my absolute pleasure to serve as your Town Clerk and Treasurer.

I would like to thank Julie Delphia, who has been a wonderful mentor to me as Town Clerk. I also have a large network of clerks and treasurers to connect with and learn from.

This year has been one of continued organization. I have done some rearranging of our vault and arranging of the office. There is still plenty to do on that front, and hopefully 2017 will allow for more of these projects.

In January of 2016 I began recording all land records on the NEMRC land record system (on the computer) instead of recording each by hand. This has allowed for greater accuracy, both in recording and in the filing of these records. There are other programs available for Town Clerk on the computer through NEMRC and I hope to incorporate those in the next few years.

I have also switched the land record book size from ledger to legal size paper which makes the records both easier to read and to photocopy. This change will also allow us to use the existing racks, in our already crowded safe, for a longer period of time as the books now take up only half the space on a shelf.

Don't forget Dog Registrations are due April 1st. That is a Saturday, so I will accept them on Monday April 3rd, 2017 without late fees. Taxes are due -in hand- December 1st, which is a Friday. The office will be open that day to accept payments.

Lastly, I want to join the town in thanking Ellen Kurrelmeyer for all her hard work and dedication for the Town of Whiting. She is a valuable asset and has been a great supporter and resource for me.

Thank you all for your support!

Gale Quenneville, Town Clerk and Treasurer

Whiting Board of Selectmen's 2016 Report

This past year, 2016, has been one of significant change, for our country and our town. After Thanksgiving, Ellen Kurrelmeyer resigned as Chair of the Whiting Selectmen. Bob Wood has taken over as Chair and Steve Quenneville remains a Selectman and Chair of the Town Planning Commission. Bob and Steve invited three townspeople to come interview for the post of Interim Selectman. Afterwards, they invited Tara Trudo to join them until Town Meeting when the office of Selectman will be nominated and voted on by the whole town. Ellen will continue to serve the town as our Delegate to the Addison County Regional Planning Commission, and help out on town planning issues.

On November 12th, at a lovely ceremony and reception, the Whiting Veterans' Plaque was dedicated at the Town Hall. One of the resident's present, Victor Quesnel, spoke movingly about some of the names on the plaque – soldiers he had grown up with. The bronze plaque looks beautiful on the Town Hall wall, which has a brownish hue from the local gravel the blocks were cast from. It is easily seen and admired from Route 30 as you pass by. Names may still be added – if you know of someone who may have been missed. Mary Pepe and Elizabeth Curran put in many hours of work to get this project completed. Thank you.

The Town of Whiting now has a website! We are in the process of deciding which documents to post, like the Town Plan, Zoning Regulations, Warnings, for meetings – and agendas. In addition, minutes from meetings will be posted, forms and permits that townspeople may need. The website address is: www.WhitingVT.com

We are still working with the Town Planning Commission on our new Town Plan. We have been delayed because the State has just passed new energy planning laws with requirements for Regional and Town Plans. We wanted to include these with our new plan. Because we currently have no plan, the Selectmen have just passed an Ordinance for siting alternative energy and commercial projects in town. This was to have been included in our plan – and will be – but we are trying to protect the town from further poorly sited projects such as the 2 acres, 500Kw on the corner of Sawyer-Needham and Leicester-Whiting Roads. We are still fighting this project, and have requested a hearing in Montpelier with the Public Service Board. The town will have to hire an aesthetics expert to prepare testimony for this hearing. Adam Lougee from Addison Country Regional Planning Commission will appear on our behalf.

Budget and tax rates – as promised, our school tax rate went down last year from the incentives we received for voting and consolidating into one school district. In exchange, we no longer have any real say in or control over how the school will be run. We did have a shortfall in our Town budget. The Veterans' Plaque cost more than anticipated, the Listers had extra hours to attend trainings and catch up on work that had been piling up, and we incurred costs for the website design. These items should not have put us over budget, but we had a high amount of delinquent taxes. We never know when – or if – delinquent taxes will be paid, and every calendar year there is a percentage of taxes that don't get paid. We will not include all delinquent taxes not yet collected in our budgeted income for 2017. As well, last year's budgeted income included the Municipal Tax Adjustment; this money is part of the total taxes collected – not an income item. These items will have the effect of raising the amount to be collected for 2017 [especially since we did not have our usual positive balance, or "carry forward"] and requiring a higher rate for town taxes.

Submitted by Steve Quenneville on behalf of Selectmen Bob Wood and Tara Trudo.

ZONING ADMINISTRATOR'S REPORT 2016

- 2 standard permits for new construction
- 2 applications to the ZBA for setback waivers
- 1 notification of intention to construct an agricultural building
- 2 applications for changes of use (permitted)
- 2 letters attesting to no known zoning violations

In the past year the Planning Commission has worked with Addison County Regional Planning in updating the Whiting Town Plan and in identifying areas in which the Zoning Bylaws should be revised.

The Whiting Select board has approved a revised fee schedule for zoning applications. Copies can be obtained from the Town Clerk. Almost all land development in Vermont requires State and or local permits. Land development includes construction, alteration of a structure, demolition, subdivision, and changes in use. Please contact me before beginning a project (kate_briggs@msn.com or 247-5305).

ROAD COMMISSIONERS REPORT 2016

Welcome to a New Year! As of the last day of January we have not had much snow but a lot of rain, sleet and ice. The roads have not been frozen only for short periods causing some muddy areas and pot holes. Please be patient. This year we will be changing to Liquid Chloride and hoping for good results.

Tree cutting on the south end of Town is almost complete. We then will start on the north end of Town.

Thank you for your continued support

Paul Quesnel, Road Commissioner

LISTER'S REPORT 2016

Both our CLA of 107.28 and our COD of 7.85 are GREAT.

What do these number mean?

The **Common Level of Appraisal (CLA)** for tax purposes in 2016 was 107.28. Having the CLA greater than 100% results in a downward adjustment of tax rates. The **Coefficient of Dispersion (COD)** for 2016 was 7.85. A COD over 20 necessitates a reappraisal, so we are doing very well. This number measures how fairly distributed the property tax is in our town.

The Listers had 35 changes of appraisal. We had 14 informal meetings with property owners about their property values. There were 6 formal grievances with 1 going to the BCA.

The Town of Whiting has contracted with NEMRC to produce new up-to-date Tax Maps.

The Listers attended many classes and trainings this year. With all the changes to Current Use we had several classes that we were required to attend, we also had State PVR instructional courses and computer classes about updates to our data system that we attended. The Listers job requires more time than in previous years and this year we have submitted a budget to the Select Board.

The Lister office hours are Mondays 4-7pm at the Town Clerk's office.

2016 Whiting Library Trustee Report

In 2016 the library was open on Saturdays from May through the end of October. There was a weekly story time on Wednesdays from June through the beginning of August. We found that the Wednesday summer story time was very popular with many Whiting families that have young children. These families attended almost every week and this story time has become a social time for these families and children. We as trustees, have seen this story time as an opportunity to build on the feeling of community for these families. On October 22th we also had a fall event attended by over 50 people with crafts, snacks, and some Halloween stories.

The trustees are trying to update the library; we purchased new books and some new shelving this year. See our budget below.

In the coming year, we are hoping to explore, with the town, a way to maintain the building. We also hope to build our selection of books for all ages and some of our materials for children. Currently we are looking for new or slightly used easy reader books and Legos. We are always looking for donations of books that are recently published and for volunteers to help at the library.

Budget:

Starting Balance 2016	\$2,817.08
Receipts	\$2,000.00
Expenses	
Summer Program / Fall Party Expenses	\$238.16
Equipment / Furniture	\$559.24

Total Expenses	\$1,124.34
Ending Balance	\$3,692.74

THE WHITING CEMETERIES

There are three cemeteries in Whiting. One in the center of town behind the Whiting Community Church, one south of town behind the Wilbur Sugar House and off the North Road at the north of Whiting. The one behind the church is the one that is used. The other two have not been used in many years. The one in the south of town had 7 people buried there. One couple was moved to the center of town by an ancestor. The north one, nothing is known about it.

As of January 2017, there are almost 1,000 stones in the cemetery. There are two parts of the cemetery; the north part and the south part. The south part is the oldest one but there is still room for more to be buried in it.

We have a lot of plots for sale at \$200 per plot. Our Sexton is Gary Stanley from Miller & Ketcham Funeral Home in Brandon. Our president is Beverly Freeguard. Our secretary/Treasurer is Grace Simonds.

At present, we are looking for someone to mow and trim the cemetery for 2017. If anyone has any interest, contact either Bev or Grace.

We also have some stones that need to be repaired. Paperwork is being prepared to apply for a grant from the Vermont Old Cemetery Association. We have had several grants from them over the years.

At the present time, we have two certificates in the total amount of around \$15,000. We are in need of repairs to the fence as well as clearing away of the stump that is there.

For more information of the cemetery, please contact either Bev at 623-8033 or Grace at 623-7811.

WHITING FOOD SHELF 2016

The Whiting Food Shelf is a ministry of the Whiting Community Church. We are in the church at 74 N Main St. We are open for coffee hour at 1:00pm and 1:30pm to 3:00pm for the food shelf on Mondays.

In 2016 we served 10 towns besides Whiting. We served 54 families for a total of 1640 people. We did special boxes for Easter, Thanksgiving and Christmas.

We run completely on donations. 100% of the money goes back to restock the shelves. We accept donations of food and paper products as well as money.

Thank you to the Town of Whiting and other organizations and individuals for their donations.

If you have any questions or needs, please call Beverly Freeguard, Director of the Whiting Food Shelf at 623-8033.

2016 TOWN HALL REPORT

The Whiting Town Hall was used a total of 136 times this past year, four times for rent by area residents and 132 times for use by non-profit organizations. These organizations include: The Whiting Volunteer Fire Department, Whiting Elementary School, FOWS, Whiting Cloverleaves 4-H club, Silverhooves 4-H club, and the Bone Builders group. The tables and chairs were used outside the town hall 3 times, twice for rent and once by a non-profit organization. If you have any questions, please call Tammy Wilbur at 623-7862.

District residents and businesses may drop off a variety of other materials for reuse, recycling and composting. The ***Reuse It or Lose It!*** Centers are open for accepting reusable household goods and building materials. A complete list of acceptable items and prices is posted on the District's website.

2016 Highlights

Act 148. The District has devoted most of its resources in 2016 toward public outreach in preparation for expansion of leaf & yard debris in 2016 and food scrap collection in 2017. One of the first tasks in 2016 was to survey all District residents and businesses to gather valuable feedback on their general awareness and understanding of solid waste services offered in our member towns. We received 1,513 responses and were encouraged by both the number and quality of responses. Thanks to everyone who took the time and effort to share their thoughts with us! The survey will be repeated five years from now to measure any changes in awareness levels, with a goal toward increasing awareness as a result of our outreach efforts. District staff spent months gathering data for the first annual Implementation Report required by its SWIP. The District has also assisted haulers, member towns and businesses in implementing the new deadlines of Act 148. As of 7/1/16, all commercial waste haulers had to begin offering collection of leaf & yard debris, at least seasonally. A statewide landfill ban also took effect on 7/1/16 for leaf & yard debris and clean wood. **Product Stewardship.** As a member of the VT Product Stewardship Council, the District has helped to lead efforts to adopt new extended producer responsibility (EPR) laws for electronic waste (E-Waste), fluorescent light bulbs, and waste paint, whereby manufacturers of those materials take over the costs of transporting and recycling their products once they are no longer wanted. In 2015, Vermont made history by becoming the first state in the U.S. to enact an EPR recycling law for primary cell batteries. Single-use household battery manufacturers that sell or manufacture their products in Vermont were required to plan, implement and manage a statewide battery collection program by 1/1/16. The District Transfer Station is a Collector under this program. **Recycling.** As of September, the Transfer Station received 1,270 tons of single stream recyclables. All generators are required by District ordinance and State law to separate Mandated Recyclables from their waste. A list of Mandated Recyclables is posted on the District website. In 2016, 19 member municipalities had access to town or private recycling drop-off centers, and one – Goshen – provided a curbside program. A list of the drop-off centers can be found on the District website. **Illegal Burning/Disposal.** The District contracted with the Addison County Sheriff's Department to enforce its Illegal Burning & Disposal Ordinance. As of 9/1/16, the Sheriff's office investigated 25 illegal burning/disposal complaints. The District served once again as County Coordinator for Green-Up Day, Vermont's annual litter clean-up event. The District subsidized the disposal of 13.44 tons of roadside trash, 7.29 tons of tires, 11 auto batteries, 2 fluorescent bulbs, 28 E-Waste items, and 5 appliances, for a total economic benefit to its member towns of \$2,882.

2017 Budget

The District adopted a 2017 Annual Budget of \$2,989,316, a 6% increase over the 2016 Annual Budget. The Transfer Station tip fees will remain at \$123/ton for MSW and C&D. The District Fee of \$33.40/ton on all waste destined for disposal, and \$10/ton on contaminated soils approved by ANR for use as Alternative Daily Cover at the landfill will remain the same. **There will be no assessments to member municipalities in 2017.** For a copy of the full 2016 Annual Report, please give us a call, or visit the District website at www.AddisonCountyRecycles.org.

An authorized person can apply for you to get a ballot only in person or in writing.

You can also go to the Town Clerk's office and vote your ballot while at the office or pick up a ballot at the Town Clerk's Office and take it home to vote. (you cannot pick up a ballot for your spouse or anyone else.)

MOST LIKELY TO SUCCEED SHOWING DATES

Along the lines of a north star and what RNESU wants for its students, the OVUU Board and the BUU Board have both identified nights for community showings of *Most Likely to Succeed*, the documentary we showed teachers at convocation this year. PLEASE HOLD THE DATES, as I know both boards would like board turn out and board members to reach out to community members to personally invite them to the showings.

FEB. 7 at BRANDON TOWN HALL, 7:00 PM

FEB. 9 at BARSTOW MEMORIAL, 7:00 PM

Both showings will have a moderated discussion following the film.

SPOTLIGHT ON RNESU SCHOOLS

The January 19 PEG TV show will focus on the budget process and budget decisions of RNESU, OVUHS and BUU. This show will hopefully get the word out to community members of what is in each budget. Laurie, Jeanne, Brenda and maybe Bonnie will do this show.

SNOW DAYS

This year we have had 2 Ice Days. Icy roads are difficult to call as they are not consistently icy all over the SU. We rely on local road crews to advise us at 4:30 or 5:00 in the morning. Becky and I will talk with these crew leaders to discuss the concept of a late start decision, though that is also difficult for parents. The recent call would have stayed a day off even with late starts as the back roads were very icy.

NEGOTIATIONS UPDATE

The support staff Fact Finder report came in about Dec 1. Post fact finding mediation was held on January 5 and was unsuccessful. The report is now available to the public on the RNESU Negotiations Committee website. Teacher Negotiations are still underway. The next session will be February 9.

Congratulations to each of you for the hard work of the boards in developing budgets for the coming school year. In the district, much time has been devoted to budget needs over the past month. The next round of meetings, Jan. 17 and 18, will have ballot language for board approval. The next step is to ensure the communities understand what is in the budget and why and to create our first annual OVUU and BUU annual reports. This is an opportunity to show all of the towns what our schools are about, as we transition to this newly merged model.

ANNUAL MEETING DATES

Because we have merged, we are no longer part of Town Meetings except as guests. Our charter identified dates for each district to hold its Annual Meeting. These dates this year are:

Feb. 28, 6:30 pm, Barstow Unified Annual Meeting, Barstow Memorial School

March 1, 6:30 pm, Otter Valley Unified Annual meeting, OVUHS

BOARD SEATS OPEN FOR ELECTION

Barstow Unified has one seat open: Michelle Erickson has decided not to run again after many years of service to the Barstow Community.

Otter Valley will see 6 elections: Jim Rademacher has decided not to run, Linda Kokonis and David Bishop are both resigning their seats. Dick White, Angela Ouellette and Michelle Rawls are expecting to run.

This first crucial year has been critical in the formation of our new unified unions. I thank everyone for the time and dedication put forth as we shape our future.

GOOD NEWS!

Dasha Kalisz, OVUHS Art Teacher, along with Jeff Myers, OV, submitted a grant request to the Montshire Museum of Science and Otter Valley was chosen as one of ten schools from VT and NH. Here is a link that describes the initiative:

<https://www.surveymonkey.com/r/makingspaces>.

Brigid Enright and Angelo McCullough of Otter Valley Union High School, were among 25 nominees for the Presidential Scholars Award named by the state Agency of Education Monday. The Vermont Presidential Scholars Program recognizes graduating high school seniors who show outstanding scholarship, leadership and service to their communities, according to the state. Nominees are invited to apply and the Scholars will be announced in May.

Jason Gibbs, graduate of Otter Valley Union High School and current board member on the Waterbury-Duxbury school board, has been named chief of staff for Vermont's next governor, Phil Scott.

Otter Valley Unified Union School District Board Annual Report

The newly formed Otter Valley Unified Union School District Board assumed responsibility for the Brandon, Goshen, Leicester, Pittsford, Sudbury, Whiting and Otter Valley schools on July 1, 2016. The Board immediately organized into three committees: Student Achievement, Finance/Building and Grounds and Policy and Advocacy. It spent much of its first few months getting to better know individual schools and the programs schools offer to our students. During the fall and winter, the Board held its meetings at individual schools.

School choice, a topic often discussed during the Rutland Northeast Supervisory Union consolidation discussions, was one of the first policies developed by the Policy and Advocacy committee. The opportunities afforded by school choice will be available to parents beginning in September 2017.

In January, the Board adopted its first consolidated budget. This budget will be explained in detail at the Otter Valley Unified Union School District annual meeting to be held on Wednesday March 1, 2017 at 6:30 PM at Otter Valley Union High School. During budget development, it was necessary to make difficult reductions in order to reach a responsible level of spending. It is clear to the Board that our communities are in difficult fiscal times. The development of future budgets will require us to be ever more collaborative and creative as we strive to offer to all students the educational opportunities that will prepare them well to be engaging and productive citizens.

We encourage all residents of our six member towns to actively participate in the activities of the board. If you are unable to attend a meeting but have a question to ask, idea to share or concern to raise, please use the *Let's Talk* link on any school website or email me at b.bourne@rnesu.org.

Bonnie Bourne
Chair for the OVUUSD Board

Rutland Northeast Supervisory Union Board Annual Report

First and foremost we would like to thank the voters of all of the towns that make up the Supervisory Union for their confidence and faith in the members of the Board. It is gratifying to see budgets passed, the passage of our new unified district under Act 46, and your support shown in so many ways.

This year we continued to have much on our plates...with working through the nuances of Act 46 and the passage of the Otter Valley Union Unified District and the Barstow Unified District, contract negotiations for both our para-professionals and bus drivers and licensed professionals, continuing review of our policies, development and adoption of Central Office, Transportation, and Special Education budgets.

Although much of our time is spent on the business of operating our schools, our primary goal is to provide the very best quality education for all of the students in our districts. We know that the communities and the students count on our board to guarantee high standards, quality education, multiple opportunities to learn, a high degree of safety, and highly qualified teachers and staff to educate our children and get them ready to be outstanding citizens. We work hard to achieve those goals.

We also conducted our second evaluation of Jeanné Collins, our Superintendent. Jeanné did a self-evaluation and then an online confidential evaluation was done by members of all the school boards. We are pleased to say that Ms. Collins received high rankings in all categories. She worked hard at her goals and met many of them.

Once again we thank you for the confidence you place in us and the great opportunity you give us to serve all of our children.

Sincerely,

Richard A. White
Rutland Northeast Supervisory Union Board Chair

Dear Residents of Brandon, Goshen, Leicester, Pittsford, Sudbury and Whiting

Welcome to the newly formed Otter Valley Unified Union School District. After a successful vote to consolidate on January 19, 2016, we opened our doors on July 1, 2016 and have spent much of our first few months transferring properties and ensuring our systems have caught up with the new changes. While we work on our budget for 2018, we are looking at equity of opportunity for our students, seeking efficiencies within our new structure and the Board is working on a school choice policy and a long term Capital Plan to meet our facility needs. This is an exciting opportunity to redesign our system to meet the needs of our students, their families and our faculty and staff.

Otter Valley Unified Union is now its own school district within Rutland Northeast Supervisory Union; thus, it will have its own Annual Meeting, replacing the OVUHS Annual Meeting. Please plan to attend the first annual OVUUSD meeting on Wednesday, March 1, 2017 at 6:30 PM at Otter Valley Union High School. Prior to that meeting, all relevant budget materials and information about the schools you are used to reading in your town report will be collated and sent to you in a separate report, mailed out by OVUUSD before the Annual Meeting.

We look forward to seeing all of you at the Annual OVUUSD Meeting on March 1. If you have any questions, please email me at jcollins@rnesu.org or use the *Let's Talk* link on any school website.

WHITING TOWN SCHOOL DISTRICT MINUTES

FEBRUARY 29, 2016

The legal voters of the Whiting Town School District are hereby notified and warned to meet at the Town Hall in Whiting, Vermont on Monday, February 29, 2016 at 7:00 p.m. to conduct the following business:

ARTICLE I

Discussion:

To hear a presentation of the Otter Valley Unified Union school budget for FY2016/2017. School Board Members present: Carol Brigham, Tara Trudo and Chair Becky Bertrand. Becky Bertrand explained that since there had been no petition to repeal the vote, the Otter Valley Unified Union creation has passed and is now ready to be created. Because there was not a petition to rescind, the warned vote for the Whiting Elementary Budget is now moot. The budget created was added to all the school's budgets that are now the Unified Union and that total is the budget to be voted. Whiting Elementary's cost per pupil was \$14,495 per pupil. Last year the cost per pupil was \$13,890. The tax rate is to be reduced \$.10. Some of the reasons the Whiting budget was reduced from last year include health insurance costs reducing, the teacher's next one year contract at a smaller increase than predicted, and no additional costs for long term substitutes this year. The motion was made to recess until 7:00am to vote at the Whiting Town Hall. This meeting closed at 7:40pm.

The meeting shall then be recessed to Tuesday, March 1, 2016 in order to vote on the following article by Australian ballot. The polls will be open from 10:00 AM to 7:00 PM at the Whiting Town Hall.

ARTICLE II

Shall the voters approve the Otter Valley Unified Union school board, if the Otter Valley Unified Union school district is formed, with operations commencing July 1, 2016, to expend \$ 22,604 806, which in accordance with the Otter Valley Unified Union school district formation plan, is the amount the school boards of Brandon, Goshen, Leicester, Pittsford, Sudbury, and Whiting town school districts and Otter Valley Union High school district have determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$14,495 per equalized pupils.

The legal voters of Whiting Town School District are hereby further notified and warned to meet at the Town Hall in Whiting, Vermont on Tuesday, March 1, 2016 at 7:15 p.m. to transact the following business.

ARTICLE III

To elect the necessary School District Officers:

- a. A Moderator for a term of one (1) year.
- b. A school district Treasurer for a term of one (1) year.
- c. A school director for a term of three (3) years.

ARTICLE IV

To receive and act upon the report of the School District Officers.

ARTICLE V

Shall the voters of the Whiting Town School District approve the school board to expend \$633,161, which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$12,606 per equalized pupil. This projected spending per equalized pupil is 9.24% lower than spending for the current year.

ARTICLE VI

To see if the Whiting Town School District will authorize its Board of School Directors to borrow money in anticipation of the receipt of taxes to meet the obligations of the Whiting Town School District.

ARTICLE VII

To transact any other business proper to be done when met.

Dated at Whiting, Vermont, this 25 day of January, 2016.

WHITING BOARD OF SCHOOL DIRECTORS

Rebecca Bertrand, Chair	(2016)
Carol Brigham, Clerk	(2017)
Tara Trudo	(2018)

A motion was made by Paul Quesnel, seconded by Heather Mattison. Discussion opened; there was a question about the \$50,000 due the First National Bank of Orwell. Ellen explained that this was our line of credit that is normally paid off in December, however we did not receive the invoice in January. The bill was sent in error to the Fire Dept and had not been opened, and has since been paid. There was also a question on the income line item "Webster Books". It was explained that this income was on the sale of the two books in the Town Office written by Harold and Elizabeth Webster: Our Whiting and The Old Addison Railroad. Ellen also explained that the Select Board has designed an emblem for the Town. This will be a decal on our Town Truck and on our Grader. It will also be available for sale as a decal, and hopefully we will have tee shirts and ball caps with the emblem. Mitchell's in Pittsford is creating the items.

The Town was asked if they were interested in caps and tee shirts and they were. This article was so moved by Elizabeth Curran.

ARTICLE VII: Will the town provide a veteran's exemption (for disabled vets) in the amount of \$40,000 of appraisal value in accord with 32 V.S.A. 3802 (11)?

Ellen explained that this exemption right now only impacts one property. The \$40,000 of appraisal value would basically require the taxpayers to share the cost of roughly \$200. Elizabeth Curran made a motion that the Town will provide a veteran's exemption in the amount of \$40,000 of appraisal value, Bob Wood seconded the motion. The motion passed.

ARTICLE VIII: To receive and act upon the report of the committee working on development and construction of a Veteran's Plaque.

Elizabeth Curran spoke to the townspeople on the project that she and Mary Pepe have been working on. She handed out flyers showing two versions; one in white plastic and PVC and the other a plaque with bronze name plates. Elizabeth explained that though the white plastic would be cheaper (\$2000), the bronze version would cost more initially (\$5800) but would last much longer. Mary Pepe had been in contact with local veteran's clubs and is confident that they would help contribute to the cost. The cost to the town would be \$5000. The town had already put a line item in the budget for \$2000, and the Select Board was confident they could find the rest of the money within the budget as it is presented. The current challenge is to collect all the names of Whiting's Townspeople that served in the military. It was suggested that an ad be placed in the paper. There was also a suggestion that the name be changed to Veteran's Memorial. Pat Mattison made the motion that Mary Pepe and Elizabeth Curran continue to work on this, she added that the town trusted them to make any other decisions, and that they should pursue creating a bronze memorial for Whiting's Veterans. Tara Trudo seconded the motion. The motion passed.

ARTICLE IX: To transact any nonbinding business deemed necessary and proper when met.

Randy Denis inquired about the upcoming and present Solar Arrays. Is the land being taxed fairly? Marilyn Chicoine felt that the land should increase in value from farm land to solar farms. Randy also expressed concern for the array that is coming into town in which the owner does not live in Whiting. The income from this farm will be going out of town and out of state. Ellen explained that the Town Plan was a work in progress and one of the issues being updated is solar arrays; specifically concerns for decommissioning (after 25 years), siting, and screening. The town had sent a letter to this solar array owner asking that they consider our wishes in these three areas. There was no other nonbinding business deemed necessary and proper.

This meeting closed at 9:45pm.

Respectfully submitted,

Gale Quenneville, Whiting Town Clerk
