**Subject:** public records request

Scott,

I'd like to make a request under Vermont's Public Records Act (1 V.S.A. Secs. 315-320) for records from the governor's office, specifically:

- all emails (including from a personal or government account), letters or other correspondence sent from First Lady Deborah Shumlin or on her behalf by any state official, soliciting contributions to any charities. This request is limited to January 9, 2015 to the present.

The AP agrees to pay reasonable duplication fees for the processing of this request. The AP requests that the records be provided in electronic format, such as by email or DVD-R.

I look forward to hearing from you. Please let me know if you have any questions about this request.
