Although a quorum was present, the Board lacked a quorum of members who attended the meeting of October 20, 2015. 3. **Disciplinary Actions – Hearings/Dismissals/Stipulations:**
 - a. 2015-245 – Kristin Rabtoy - Stipulation and Consent Order
Linda Retchin moved to approve the Stipulation and Consent order as presented to the Board. Littia Mann seconded. Motion passed unanimously. The Stipulation and Consent order is approved.
4. **Discussion Items**
 - a. Email from Roger Bogue on Cardiovascular Interventionist (CV) certification was discussed in detail. The Board agrees that the CV designation, which ARRT has ceased issuing, subsumes cardiac-interventional radiography and vascular-interventional radiography; consequently, individuals holding the CV certification, which is no longer issued are regarded by the board as holding a recognized post primary certification for purposes of 26 V.S.A. 2821b. Linda Retchin moved to recognize the CV certification as a post primary certification for purposes of 26 V.S.A. 2821b(a). Motion passed unanimously.

Jane Alsofrom moved to request that the Office of Professional Regulation update license renewal forms to reflect the recognition of the CV certification as a post primary practice category. Linda Retchin seconded. Motion passed unanimously.
 - b. Possibly changing the name of the board to include all imaging modalities – tabled. General Counsel advised that this would be a statutory change requiring legislative action.

- c. Rules were briefly discussed by the Board. General Counsel will forward current draft text to members for comment and, barring any substantial disagreement or need for further discussion, will file the proposed rule amendments with the Interagency Committee on Administrative Rules, whereupon public notice, including a copy of the proposed text, will be posted to the Board's webpage.
- d. Correspondence from Carol Steiner was discussed with the Board. Gabe Gilman will respond.
- e. Election of officers – tabled.
