H.133

Representative Yantachka of Charlotte moves that the bill be amended by inserting a new Sec. 10 to read:

Sec. 10. 30 V.S.A. § 209(e) is amended to read:

(e) Thermal energy and process fuel efficiency funding.

(1) Each of the following shall be used to deliver thermal energy and process fuel energy efficiency services in accordance with this section for unregulated fuels to Vermont consumers of such fuels. In addition, the Commission may authorize an entity appointed to deliver such services under subdivision (d)(2)(B) of this section to use monies subject to this subsection for the engineering, design, and construction of facilities for the conversion of thermal energy customers using fossil fuels to district heat if the majority of the district’s energy is from biomass sources, the district’s distribution system is highly energy efficient, and such conversion is cost effective.
