**Subject:** Follow-up: Rep. Poirier's request re covered lives in Diocese health plan Carrie Handy

Loring,

Please share this information with Rep. Poirier:

We have a total of 87 employees eligible for the group health care plan that includes the Roman Catholic Diocese, Vermont Catholic Charities and employees of the Catholic Charities' Loretto-Kervick Home in Rutland.

Of these, 64 are actually enrolled. This includes 35 individual plans, 15 couples; 3 single parent/child(ren) subscribers and 11 family plan subscribers.

Schools and parishes are under separate small employer entities. I do not have figures for these.

I hope this helps.]

Carrie Handy
