Dear Governor Shumlin:

On Monday, February 11, 2013, the delegates of the Windsor County Democratic Committee, meeting as the Windsor County District Committee, met to recommend candidates for your consideration to fill the unexpired term of the Windsor County State's Attorney, Robert Sand.

The following is the resolution passed by the committee:

In this body's collective opinion, Mr. David Cahill and Mr. Michael Kainen are each highly qualified to fill the unexpired term of State's Attorney for Windsor County until the next general election and we recommend them, without preference, for your consideration."
