Evening James,  
As you scroll down through the attachment:

Work Space  
- \$545,000 - This is now in the Capital Bill

Equipment  
- \$592,600 - This is not in the '17 Budget, hopes are we can get grant money from the GHSP (AOT). Should a decision be to put it in the MJ Bill, that would ensure this. Your call.

Training  
- \$25,000 - Should be put into the MJ Bill.

Contractual  
- \$10,000 - Should be put into the MJ Bill.

Personnel  
- \$480,000 (Reflect 3 staff in Lab and 3 in VCIC in '17 vs. initial plan for 12. Additional 6 (3 and 3) staff would come in '18).  
\$480,000 should be put into the MJ Bill.

Supplies

- \$26,550 - Should be put into the MJ Bill.

Contractual

- \$2,025 - Should be put into the MJ Bill.

Let me know if this answers your question.

Thanks,  
Joe

Thanks for sending this Joe. Very helpful. As to the start-up costs, is any of this for the marijuana bill or is this all capital bill?
