Hi, was just able to confirm this. Correct below on both! That's Laura's flight and Laura's personal travel.

Hi Sarah,

Thanks again for your response to this request. I have two questions about things that aren't clear:

- The largest amount on the expense report says "Out air transp \$590," which sounds like a flight. I know you said the cost of the governor's flight (\$673.14) will be covered by Georgetown University. Does the \$590 expense refer to Laura Gray's flight, or something else?
- The expense report also says "personal travel 11th-14th." Was this Laura Gray's personal travel, or the governor's?

Thanks again.
April
