THE FELTT FAMILY OF ANDOVER

(part two)

by Jonathan W. Stevens

Abner Feltt "Sr.," died in Andover, on February 26, 1832, and subsequently Abner Feltt "Jr." returned from Chester to live on the farm on East Hill, Lot 12 in the 3rd Range, that his father had purchased in 1787. In this article, he will be referred to as Abner Feltt and his son, though technically Abner Feltt III, will be referred as Abner Feltt Jr., to reflect the usage in the records of the time. Abner Feltt married Hannah French in Grafton, in July 1814. Hannah, daughter of David and Hannah (Butterfield) French, born Jaffrey, N.H., in 1784 and died in Chester, on March 2, 1831 at 47 years and was buried in Brookside Cemetery in Chester. The children of Abner and Hannah (French) Feltt were: i. Hannah Feltt, born in Andover, on June 27, 1816. Hannah married Ashby Morgan, son of Jacob and Sarah (Nurse) Morgan of Andover on February 14, 1839, and they moved to Peru, N.Y. ii. Abner Feltt Jr., born in Andover, on January 1, 1818. iii. Sophia Feltt, born in Andover in 1821 and died in Buffalo, N.Y., on October 23, 1889, unmarried, iv. Mary Feltt, born in Andover, on December 22, 1823 and died in Toronto, Ontario, Canada, on May 20, 1867 and was buried in Necropolis Cemetery in Toronto. She married William Henry Dunsbaugh in Troy, N.Y., on January 27, 1851. Dunsbaugh was a chemist. v. William Feltt, died Chester, on November 27, 1825, and was buried in Brookside Cemetery. vi. William Frank Feltt, born in Chester, on September 28, 1829. After the death of his first wife Abner Feltt married her younger sister Bridget French in Chester, on April 26, 1832. Bridget, was born in Grafton, in 1795 and died in Andover, on May 1, 1854 and was buried in Brookside Cemetery. The children of Abner and Bridget (French) Feltt were: vii. Andrew Augustus Feltt, born in Andover, on May 17, 1833 and died Andover, on September 3, 1862, of typhoid fever and was in Brookside Cemetery. His death record lists his occupation as a "speculator" and his probate records give some indication of this. On December 15, 1862, Mason C. Richardson of Chester and Henry Heald of Andover were appointed a committee to appraise the personal property as presented to them by Abner Feltt and William F. Feltt. The inventory dated January 8, 1863, consisted of ½ of "an undivided pottery house in the town of Grafton, Vt.," \$20, 25 pottery boxes in the above house \$12.50, one horse \$110, one "waggon" \$90, one silver plated harness \$28, one old harness \$8, one "buffalow" robe \$7, one wool robe \$4, ½ of one undivided sleigh \$7, Lot of undivided wool in Boston, Mass. estimated at 9,000lbs 63½ cents per lb \$5,715.00. The estate totaled at \$6,001.50 viii. Caroline A. Feltt, born in Andover, on January 28, 1835 and died in Andover, on November 24, 1852 and was buried in Brookside Cemetery. ix. Ellen Francis Feltt, born in Andover, on January 30, 1836 and died in Andover, on August 1, 1856, and was buried in Brookside Cemetery.

On November 19, 1838, Abner Feltt mortgaged Lot 12 in the 3rd Range to Dr. Abram Lowell of Chester for \$300, which was discharged April 16, 1844 and at that time he remortgaged the property to Dr. Lowell for \$609.36 on the same day. On March 30, 1863, Abner Feltt sold Lot 12 in the 3rd Range to his son William Frank Feltt. William F. had married Celinda Jane Derby in Andover, on September 1, 1859, by Rev. William S. Balch. Celinda, daughter of Nathan and Betsey (Balch) Derby, born in Andover, on November 3, 1835. William F. and Celinda had a daughter Ella Louise Feltt, born in Andover, on August 13, 1861. At the same time William and Celinda entered into a maintenance agreement with Abner "to give him a good comfortable support and maintenance during his natural life and furnish him at all times with good board, house room, doctoring and nursing according to his age and condition and to keep a horse for his own use, while he is able to use the same, and ten sheep for his own use and to let the lambs of said sheep run with sheep during the summer and fall, And I agree to give my sister Sophia Feltt a home while she lives single. At the decease of my said father I agree to give him a good common burial and erect a gravestone at his grave." Abner Feltt died in Andover, on March 24, 1871, at 85 years and 5 months of "old age" and was buried in Heald Cemetery, even though both his wives, and the children that had died young, were buried in Chester. On June 19, 1871, William F. Feltt acting as principal and Abner Feltt Jr. as surety posted a \$1,000 bond; William F. Feltt was appointed the administrator of his father's estate.

Hamilton Child, ed., *Gazetteer and Business Directory of Windsor County, Vt., for 1883-84*, listed William F. Feltt as a farmer, with a sugar orchard of 1,000 trees. Ella L. Feltt was listed as a "teacher, who boards with William F. Feltt." William F. Feltt died in Andover, on April 8, 1887 at 58 years, 6 months and 10 days of apoplexy and was buried in Heald Cemetery. On April 25, 1887, Celinda and Ella posted a \$4,000 bond to the probate court and Celinda was appointed the administratrix of the estate. At this time James H. Heald and Charles M. Gutterson were appointed commissioners to "to receive, examine and adjust all claims and demands of persons against the estate," the notice of which was posted at the Andover Post Office, the Chester Post Office, the Simonsville Post Office and as "the Steam saw mill at Simonsville," and by publishing the same, three weeks successively in the *Vermont Tribune* printed at Ludlow. In the August 9, 1888 issue of *The Londonderry Sifter* "Mrs. C.J. Feltt and daughter, Ella, left last week for Galesburg, Illinois, where Miss Ella is

engaged as a teacher." On July 8, 1890, Celinda J. Feltt and Ella L. Feltt entered into articles of agreement with George Cheney of Plymouth for \$2,200; once \$1,000 was received, a deed would be issued. In addition to the real estate, the agreement also included the personal property consisting of: "all the sugar tools consisting of bucket storage, sap and sugar pans and everything connected therewith, one mowing machine, one ox cart, one farm wagon, one express wagon, one buggy wagon and one sleigh." On October 18, 1890, Celinda and Ella deeded the farm to George Cheney of Plymouth, described as "bounded on the north by the Benjamin Austin farm, east by land of William W. Pettengill, south by land of James H. Heald and west by land of Mark B. Hewitt and are the same premises that which were owned by Wm. F. Feltt and occupied by him as a homestead at the time of his decease." They did come back and visit as the Andover column in the July 19, 1895 issue of *The Londonderry Sifter* mentioned that "Mrs. Celinda Feltt and Miss Ellen [sic] of Galesburg, Ill., are expected in town soon." Celinda died in Galesburg, on October 7, 1902 and Ella died there on February 23, 1942, both were interred with William F. Feltt in Heald Cemetery.

Abner Feltt Jr. married Caroline Augusta Eaton in Cavendish, on August 25, 1842. Caroline, daughter of Joseph and Betsey (Wellington) Eaton, was born in Ludlow, on August 17, 1824. After their marriage they left Vermont and moved to Plattsburg, N.Y., where their eldest child was born. The children of Abner and Caroline (Eaton) Feltt were: i. William Adelbert Feltt, born in Plattsburg, N.Y., on October 31, 1844 and died in Chester, on February 18, 1918 and was buried in Pleasant View Cemetery. He married Emma Jane Gutterson in Chester, on December 27, 1871. Emma, daughter of Alden and Sophia (Hall) Gutterson, was born in Andover, on December 13, 1844 and died in Andover, on November 19, 1874. ii. Frederick Eugene "Fred" Feltt, born in Ludlow, on October 29, 1849 and died in Chester, on January 11, 1919, unmarried, and was buried in Pleasant View Cemetery. iii. Ella C. Feltt, born in Andover, on August 9, 1852 and died in Andover, on March 3, 1853, and is now buried in Pleasant View Cemetery. iv. Carrie Madella Feltt, born in Andover, on November 6, 1859 and died in Chester, on February 28, 1930 and was buried in Pleasant View Cemetery. She married Frank Dexter Martin.

Abner Feltt Jr.'s family returned to Vermont from Plattsburg, N.Y., residing first in Ludlow, but by 1852 they had moved to Andover and were living on the Benjamin Morse place. They subsequently moved to the John Pettengill place on Cobb Rd. On November 20, 1854, Andover's Selectmen: Joseph Dodge, George W. Stickney and Richard Ward discontinued per a petition a pent road "leading from John Pettengill's dwelling house occupied by Abner Feltt Jr. northerly to the intersection with the road leading from the dwelling house of Merrick Butterfield to the school house in School District No. 6 (Puffer). On July 25, 1855, John Pettengill Jr. and Abigail (Puffer) Pettengill sold the property to Abner Feltt Jr., for \$1,000, consisting of two parcels of land, described as the whole of Lot 16 in the 3rd Range, except what was formerly sold of said lot and a part of Lot 17 in the 3rd Range, consisting of about 16 acres, said last described piece described being lease land and was subject to a mortgage of \$510, to William Jarvis of Weathersfield, which was discharged by Jarvis's estate on February 11, 1860. This was the property that John Pettengill Sr. of Andover has sold to John Pettengill Jr. of Ludlow, on June 7, 1845. Abner and Caroline mortgaged the property to Isaac B. Puffer, and after that mortgage was discharged on February 23, 1860 they mortgaged the property to Mason C. Richardson of Chester for \$640. On March 2, 1863, Abner and Caroline sold this property, which was still under the mortgage to Richardson, to Leonard French of Andover for \$1,000.

On March 24, 1863, Thomas M. Merritt and Clementine (Merritt) Hesselton "administrators of the goods, chattels and estate of which were of Sewell Hesselton late of Andover deceased" sold to Abner Feltt Jr. for \$1,600, "the whole of Lot 14 in the 3rd Range, except a small piece owned by Cyrus Bailey, and also about 20 acres located in Lot 13 in the 3rd Range, described as beginning at the southeast corner of the orchard on Lot No. 14, thence south parallel with the east line of said lot fifty rods to a wall running east and west, thence easterly to the east line of said lot parallel with the north line, thence northerly to the northeast corner of said lot, thence westerly on the north line of said lot to the first mentioned bounds." The premises were conveyed with the "consent of said Clementine Hesselton widow of the deceased." At the point of purchase Abner and Caroline mortgaged the property to Clementine for \$800, she subsequently married Rufus Ezra Edson, this mortgage was never discharged. Abner and Caroline took out an additional mortgage for \$800 on the property on April 1, 1863, with Herman Guild of Chester, that would be discharged on February 16, 1872. On March 26, 1866, Cyrus Bailey of Londonderry sold Abner Feltt Jr., "all the land lying southeast of the road belonging to Lot 15 in the 3rd Range of lots in said Andover, also one other piece of land beginning at the northeast corner of Lot 14 in the 3rd Range running southerly on the east line of said lot about 8 rods, thence westerly parallel with the north line of said lot, as far as the highway, both of said pieces containing by estimation about 80 square rods."

On March 28, 1866, DeWitt C. Cram and Sarah (Hutchins) Cram of Andover sold to Abner Feltt Jr. for \$1,000 "part of Lot 11 in the 2nd Range, described as "bounded on the north by lands of Edwin P. Stuart, east by lands of Edwin P. Stuart and Joel C. Pettengill, south by land of Timothy Hesselton and west by land of said Timothy Hesselton." This was the Mansur Mills property on Pettengill Rd., consisting of a saw and gristmill, dwelling house, barn and water privileges, which was sold to Dewitt C. Cram and James B. Cram by Franklin Mansur and Lois (Walker) Mansur on January 27, 1854. James B. Cram sold his undivided half-interest to DeWitt C. Cram on June 3, 1856, and on June 24, 1856, Franklin Mansur sold the Crams the parcel he reserved in 1854, on which "the joiner or carpenters shop now stands, which was deeded to James B. Cram and Martin McIntyre on January 14, 1852." The property was subject to a mortgage from DeWitt C. Cram to Sarah F. Bemis of Chester, on January 16, 1864, for \$500. Sarah F. Bemis subsequently married Jeremiah Rounds and they assigned the mortgage to Otis Robbins of Cavendish, on which was due \$700.

On June 11, 1866, Abner Feltt Jr. was appointed postmaster of the Andover Post Office, taking over for Josiah Wright Hannum, who had been appointed on January 15, 1866. Abner would serve in this position for 31 years until his death. On June 5, 1869, Abner Feltt Jr. and Caroline A. Feltt sold to their son William A. Feltt for \$500 "being an undivided half of all the premises where we now live known as the Mansur Mills and described as follows, being a part of Lot 11 in the 2nd Range and bounded north by land of E.P. Stuart, east by lands of Edwin P. Stuart and James Pettengill, south by land of Timothy Hesselton, west by land of E.P. Stuart being all and the same premises conveyed to me by DeWitt C. Cram and to him from Franklin and Lois Mansur. The business directory for the F.W. Beers, *Atlas of Windsor of Windsor Co., Vermont From Actual Surveys* published in New York in 1869, listed Abner Feltt and William A. Feltt, as manufactures of chair stock and dealers in maple logs for printing and bleaching rollers, also ash, beech, birch, bass, and maple lumber." The map of Andover shows the house and two buildings on Pettengill Rd., with the name "A. & W.A. Feltt" and indicates that it is a carpenter shop, saw mill and chair stock factory. On July 31, 1871, Abner Feltt Jr., Caroline A. Feltt and William A. Feltt mortgaged the property to Mason C. Richardson of Chester, Nathaniel Fullerton of Chester, William F. Feltt of Andover and James H. Williams of Rockingham for \$600. On January 10, 1876, Otis Robbins of Cavendish foreclosed on Mason C. Richardson, James H. Williams, James H. Williams as the administrator of the estate of Nathaniel Fullerton deceased, William A. Feltt, William F. Feltt, Frederick W. Marsh, Philemon H. Robbins, Abner Feltt, Henry H. Ingraham and Caroline A. Feltt on the mortgage that had been assigned to him, for the \$1764.26, plus the cost of the suit of \$33.54. The defendants had until January 10, 1877 to redeem the property. It was not redeemed and remained under the ownership of Otis Robbins of Cavendish for the next ten years.

On January 1, 1872, Abner and Caroline mortgaged their East Hill property to the Bellows Falls Savings Institution, for \$1,000 and on August 10, 1873, Abner and Caroline sold this property to their son Fred E. Feltt for \$2,000. They defaulted on the mortgage. At a "Court of Chancery holden at Woodstock" on the "Fourth Tuesday of May A.D. 1876" a petition was presented by the bank against Fred E. Feltt, Abner Feltt, Caroline A. Feltt, Clementine Edson and [Rufus] Ezra Edson. The Edsons were named in the foreclosure complaint due to the mortgage to Clementine in 1863. According to the bank the property contained a "considerable amount of valuable timber and that they have reason to believe that the defendants Feldds intent to remove and cut off said timber, thereby rendering your petitioners still more insufficient." On February 3, 1876, the court issued an injunction per the banks' petition to "enjoin the said Fred E. Feltt, Abner Feltt, Caroline A. Feltt, Clementine Edson and Ezra Edson their servants and agents each and every of them from cutting down or conveying away any tree, wood or timber from the premises described in the foregoing petition and until the further order of this court." On June 21, 1876, the bank foreclosed on \$1,091.70 on the mortgage and cost of the suit of \$29.75. The Feldds could redeem the property with payment on or before June 24, 1877. They failed to redeem the property, and on April 11, 1878, the Bellows Falls Savings Institution quit-claimed the property to Henry A. Austin, the neighbor to the south, for \$350, and this was followed by a bond between him and Abner and William A., for the property on April 27, 1878, for \$1,800, with \$967.50 to be paid on or before April 1, 1879. On that date Henry A. Austin sold the property back to Abner Feltt and William A. Feltt, and at the same time they mortgaged it to Rufus Ezra Edson for \$825. Edson would assign the mortgage to Frederick W. Marsh and Philemon H. Robbins of Chester, August 20, 1887. According to Hamilton Child, ed., *Gazetteer and Business Directory of Windsor County, Vt., for 1883-84*, listed "A. & W.A. Feltt manufactures of wooden ware, mops, and clothes horses. They were also listed as farmers. Abner Feltt was also listed as the postmaster. On December 11, 1891, Abner Feltt, Caroline A. Feltt and William A. Feltt sold the East Hill property to Carrie M. (Feltt) Martin of North Springfield for \$1,500.

Abner Feltt Jr. died in Andover, on November 29, 1897 and was buried in Heald Cemetery. On December 16, 1897, William A. Feltt was appointed postmaster of the Andover Post Office, position he served in until Abbie M. (Batchelder)

(Baldwin) Aldrich, was appointed postmistress April 29, 1903. The Andover Post Office discontinued on April 14, 1937. The closure was effective as of April 30, 1937.

On August 25, 1886, articles of agreement were made between Edwin P. Stuart and Carrie M. Feltt both of Andover, for "a certain spring of water situated 30 rods northeast of the dwelling house now occupied by the family of Abner Feltt" the term of the lease were "as many years as Abner Feltt or any of the members now constituting his family continue to live where they now do." On February 21, 1887, Otis Robbins of Cavendish sold to Carrie M. Feltt of Andover for \$200, the Mansur Mills property described as "it being a part of Lot 11 in the 2nd Range, with the buildings thereon standing, situated in Peaseville so-called and now occupied by Abner Feltt, the same premises conveyed to me by decree of foreclosure December term A.D. 1875." Carrie married Frank Dexter Martin in Andover, on March 23, 1891. Frank was son of Dexter and Charlotte (Lee) Martin, born in Springfield, on May 26, 1846. He operated a factory that manufactured fancy boxes in North Springfield, which burned in 1884 and again in 1893. In 1899, he opened the Martin Novelty Works, located on South Street in Chester. The August 7, 1901, "Old Home Week Edition" of *The Vermont Watchman*, published in Montpelier, noted that the Martin Novelty Works had been in Chester for two years and were "manufactures of boxes, note book holders, butter stamps and laundry forks." The April 2, 1891 issue of *The Londonderry Sifter* included the following: "About 70 friends of Mr. and Mrs. Frank D. Martin, met Saturday evening at Mr. Abner Feltt's to greet them on their return from their bridal trip, spending a pleasant evening in visiting and in games. Refreshments were served consisting of cake and lemonade including a generous supply of wedding cake." On December 11, 1891, Frank D. Martin and Carrie M. (Feltt) Martin of Springfield sold to Abner and Caroline for \$500, the Mansur Mills property that Carrie had purchased from Otis Robbins after his foreclosure, plus "the right to a certain spring of water on the land of Edwin P. Stuart and connected by aqueduct with said premises."

The September 1, 1892, issue of Bellows *Falls Times* gave a detail account of the fiftieth wedding celebration of the marriage of Abner Feltt Jr. and Caroline A. Eaton. "Last Thursday, although the rain came pouring down was a gala day in Andover, as Mr. and Mrs. Abner Feltt celebrated their golden wedding. The program was opened, after the inner man had been feasted from the good things on the loaded tables, by singing of Old Hundred by all present; an original poem by Miss Eva J. Stickney; song, "Together Fifty Years," composed by Rev. J.M. Hull and sung by a quartet, Mrs. Rowell, Miss Rounds, Messrs. Martin and Puffer; recitation "A Wedding Hymn," Blanch French; "Darby and Joan," song with banjo accompaniment, Lulu Rounds; recitation, "Little Flo," Master Allie Easton; song, "Mehitable Jones," Gertie French; recitation Norris Chapman; remarks by Charles Eaton, who attended the original wedding." It also added jokingly that William A. Feltt "was not present at the original wedding but was happy to be present at this."

On December 4, 1897, Carrie M. (Feltt) Martin and Frank D. Martin of Andover sold the East Hill property that Carrie had purchased from her parents on December 11, 1891, to Philemon H. Robbins of Chester for \$1,000. In 1903, the remaining members of the Feltt family left Andover, and moved to Chester. On May 16, 1903, Caroline A. Feltt of Chester sold to Lyndes Moore of Boston, Mass. for \$575, the Mansur Mills property, with the exception the spring rights, located in Lot 11 in the 2nd Range, that were described as the same premises "conveyed to Abner Feltt and Caroline A. Feltt by Frank D. Martin and Carrie M. Martin, on December 11, 1891, consisting of "about three acres" and "are the same premises which have recently been occupied as a Post Office by William Feltt. It is hereby also intended to convey all the manure now on the said premises."

William A. Feltt had become a salesman in the marble and granite monument business. On August 31, 1901, Andover's Selectmen, H.O. Peabody, P.T. Marsh and Solon Thompson issued a letter that stated: "This is to certify that W.A. Feltt has a permit to remove the bodies of Abner Feltt and family in the Peaseville Cemetery to his lot in said cemetery." The said cemetery referred to was Pleasant View in Chester, four years later on November 2, 1905, William A. Feltt had the body of his father Abner Feltt Jr., plus that of his wife Emma J. (Gutterson) Feltt, who had died November 19, 1874 at 29 years of "disease of the kidneys and childbirth" and their son Willie Abner Feltt who on September 17, 1875, at 10 months and 7 days of cholera infantum, were exhumed from Heald Cemetery and reinterred in Pleasant View Cemetery in Chester. A large granite stone was installed in Pleasant View Cemetery, with individual stones for each of the family members. Caroline A. (Eaton) Feltt died in Chester, on October 18, 1906 at 82 years of gastro intestinal catarrh and was buried in there beside her husband. It was noted in the January-June 1910 issue of *The Iron Age*, a business publication that "The Martin Manufacturing Company, Inc. of Chester, Vt., had been incorporated to take over the business of the Martin Novelty Works of that place, manufacturer of hard wood boxes, cabinets, etc. W.A. Feltt is the president, F.E. Feltt, vice-president; W.H. Austin secretary; C.M. Martin, treasurer, and F.D. Martin, manager." Though the Feltt family had left Andover, they left a mark on the history of the town that should not be forgotten.

**SUMMARY OF ANDOVER TOWN SCHOOL DISTRICT
ANNUAL MEETING
MARCH 4, 2017**

The meeting was called to order at 10:00 a.m. by Jonathan Bliss, Moderator. The meeting began with the Pledge of Allegiance. Jon Bliss read the Meeting Warning.

- Article 1. Joe Fromberger nominated Jon Bliss to serve as Moderator for a term of one year beginning July 1, 2017 and ending June 30, 2018. Elizabeth Moulton seconded. There being no other nominations, Joe Fromberger moved that nominations be closed and the clerk cast one ballot for Jon Bliss. Motion carried.
- Article 2. Sherry Willumitis nominated Joe Fromberger to serve as Andover Town School Director for a term of three years. Elizabeth Moulton seconded. There being no other nominations, Joe Fromberger moved that nominations be closed and the clerk cast one ballot for Joe Fromberger. Motion carried.
- Article 3. Joe Fromberger moved that the voters approve the proposed Town School Budget and raise the sum of \$27,248.00 to cover the expenses of the Town School District, which include money for Early Education and the Supervisory Union. Sherry Willumitis seconded. Joe reminded everyone this is the Town School District budget, the elementary and high school budgets are separate from this and voted on at a different time. Paul Stumpf asked about the increase in the Early Education line item over the prior year. Joe noted it is due to an increase in the number of Early Ed. students. Hank Mauti called out the decline in the student population of Green Mountain Union High School but yet costs continue to increase. Elizabeth Moulton asked if the amount in the budget line labeled "Supervisory Union Assessment" would change as a result of Act 46. Joe pointed out the Act 46 informational sheet that was passed out for everyone's reference. He said there could be some changes or adjustments to the Supervisory Union, because it will continue to exist under Act 46, and he expects there to be some cost reduction associated with that. Gordon Payne asked if the Federal funding for preschoolers in the Supervisory Union budget renders the Town School District budget "superfluous". He stated he had other questions regarding the "basic authority" to fund education through property taxes referencing the Brigham decision of 1997 and elaborated on those questions. Mr. Payne stated we are approaching an equalization of funding, but school performance has not improved. He suggested the Town "take a stand to reassert its authority to fund schooling" and offered additional commentary on that topic and then went on to say he thought the motion to pass the Town School District budget should be tabled to put a different motion in place. Sherry Willumitis asked that Joe Fromberger respond to Gordon's comments. Joe said he hesitated to call into question the Legislature's authority to legislate. He stated he was not aware of anyone successfully challenging Act 60 or Act 68 and the law is what it is. He said it is our obligation to live within it or collectively change it. He suggested following the Democratic process if people are unhappy with current laws and elect new officials. Joe said he did not know how effective it would be to make a statement as a Town questioning the authority of the State. Mr. Payne responded with some information on court case research he has done and pointed out the increasing costs being seen in the

budget. He reiterated his remarks on lack of performance improvement in our schools. Jon Bliss thanked Gordon and asked for brief additional commentaries and reminded all there was a motion on the floor. Austin Zipeto called the motion. Joe Fromberger explained that means with a two-thirds majority vote, debate would cease and then the original motion of adopting the budget would need to be voted on. Sherry Willumitis asked for clarification of whether the budget motion would be voted on or Mr. Payne's motion to table the budget motion. Jon Bliss stated the voters would be voting on the initial motion of budget adoption and the way forward with Mr. Payne's comments and request would be to discuss it during the "other business" portion of the meeting and develop a motion to reflect the constitutionality questions that were brought up so it could be added as part of next year's Town Meeting. Joe Fromberger confirmed the motion before the voters was the adoption of the Town School District budget and that Mr. Payne had not made a formal motion for the declaration he suggested. Mr. Payne indicated he would not be making a motion. Joe stated the motion before the voters was to call the question. Susan Leader stated she wished to discuss Act 46 but didn't see how that related to passing the Town School District budget. Gordon Payne commented they are related. A vote was taken by a show of hands to end the debate. A two-thirds majority was achieved. The call to question carried. Jon Bliss then called for a vote on the adoption of the Town School District budget. The motion carried. Jon thanked everyone for their patience and civil discourse, acknowledging the importance of the conversation.

Article 4. Jamie Maloof provided those present with an overview and update of the "Pennies for the Playground" project currently underway at Chester-Andover Elementary School. She noted the safety issues with the current playground structure, discussed ongoing fundraising efforts and urged all to get involved through volunteer time and/or financial support.

Hank Mauti shared his thoughts and concerns on restroom usage in schools as it relates to gender. He also shared statistics from a website on the ranking of Green Mountain Union High School (40th out of 57) based on standardized test scores of 11th graders throughout the state. He noted that this information used to be printed in the budget book and it no longer is which makes it hard to find. He urged people to vote on the school budget according to how they feel and whether or not they think they are "getting their money's worth".

Joe Fromberger called attention to the Act 46 information sheet that was handed out, gave some background on the adoption of Act 46 by the State, calling out in particular school population decline, discussed the work done by this area's Act 46 Study Committee and talked about the proposal submitted to the State Board of Education for Andover, Chester, and Cavendish to form a **Regional Education District**. Baltimore has been asked to join this potential district as well. Joe also discussed the type of school board that would exist under the RED - there would be one board overseeing the schools in all three towns. He said a vote could potentially be scheduled in May. Jon Bliss asked where and when informational sessions will take place before the vote in May. Joe said these would be scheduled if and when the State Board of Education approves the plan.

Susan Leader asked if we voted down Act 46, could Andover become a school choice town? She added, "if Andover votes no, could we get out of the union?"

Joe Fromberger explained if any of the three towns votes "no" (Andover, Chester, and Cavendish) to the plan, it will be dead and the State will regard that as taking no action and the State Board of Education will step in and impose their own plan for unification. Jon Bliss asked, indicating Susan's point, if Act 46 is an "opt-out offer". Susan asked if there is any vote that would end in dissolution of the school unions. Joe replied no, we have two unions and both towns (Chester & Andover) would have to vote to dissolve the union. If that happened, the State Board of Education would ask how our children would be educated and there would need to be answers to that before a union could be dissolved. Joe said we could not become a choice town.

Gordon Payne asked Joe to confirm what would happen to the local school boards should the **RED** plan be adopted. Joe explained the local boards would be dissolved. Gordon asked everyone to note what he called the erosion of local control. He also asked if there is information regarding how much each town pays into the education system and suggested representation on a school board should be based on how much towns pay rather than population.

Joe Fromberger responded that Federal law requires representation based on population.

Jon Bliss reminded the group there was no motion on the floor and the discussions were informational and to keep in mind the Act 46 informational meetings that will be coming up.

Chris Adams, the Finance Director of the Two Rivers Supervisory Union introduced himself. He restated the intent to have informational meetings about Act 46 before the vote in May and urged voters not to confuse that information and vote with the school budgets that need to be voted on Tuesday, March 7th. Chris explained the work done around budgeting and the challenges with a shrinking student population. He stated even when there is a reduction in student numbers, you can't automatically reduce the number of teachers. He said one of the purposes of Act 46 is to be able to "ride out" the highs and lows.

Carmen Macchia stated he did not understand the purpose of Hank's discourse on the restrooms but agreed with him that the school performance information should be included in the school's annual report again. Mr. Macchia went on to ask if we will see substantial savings with the proposed consolidation due to the closing of Black River.

Chris Adams responded with the Act 46 Committee's struggle to come up with a plan that Ludlow was comfortable with. He stated Ludlow residents are still struggling with the idea of closing their school which is why they did not choose to be part of the **RED** plan. Chris agreed that is where the most savings could be realized but Ludlow has not agreed to close their school.

Cindy Ingersoll asked if one of the criteria for a plan presented to the State Board of Ed. would be cost savings. Joe Fromberger responded that it would be as the Act itself discusses reigning in costs as well as increased educational opportunities.

Cindy followed up by asking if the proposal being submitted to the State shows a decreased cost per student. Joe said no. He said he would like it to, but it won't. Cindy asked if the State Board of Ed would then reject the **RED** proposal. Joe explained because of the Supervisory Union consolidation this area went through five years ago, money has already been saved and now there are fewer opportunities to save more money. At best, Joe said, the **RED** proposal would be a way to reign in the cost increases.

Francesca Salazar asked Chris Adams to tell the group how much money Andover sends to the State for education funding. Joe pointed out the School Directors report on page 56 of the Andover Town Report, which provides that information.

Chris Elders commented that we seem to get on this topic year after year and go around in circles but never get anywhere. He acknowledged the importance of meetings, but suggested that those who are really concerned get together, form a study group and come up with concrete proposals that can be brought to the Town.

Raymond Makul asked about the amount provided by the State to Andover residents in terms of homestead rebates and noted that any discussion around what is sent to the State should also include what is sent back from the State.

Elizabeth Moulton thanked Joe Fromberger , Chris Adams and all the Act 46 Committee members for the all the time and effort they have put into it.

Hank Mauti noted we are losing school board representation through the potential consolidation(from the current three down to one for the **RED** board) yet not saving any money.

At 11:25 a.m. Theresa Hatin moved to adjourn the School District Meeting. Barry Williams seconded. So moved.

TOWN OF ANDOVER
SUMMARY OF ANNUAL TOWN MEETING
March 4, 2017

Before the Annual Town Meeting was called to order, Moderator Jonathan Bliss introduced Representative Tom Bock who asked to share what is being worked on in Montpelier. To begin with, he quoted some encouraging Vermont employment, tourism, business and high school graduation statistics. Representative Bock then discussed budgeting challenges, potential reductions in Federal programs, and how the Legislature is trying to address workforce challenges. He noted there is work being done that could add some flexibility to Act 46 with regard to current deadlines and discussions around funding the Federal Clean Water Act. Mr. Bock encouraged all to contact him with opinions and concerns.

Gerry Williams pointed out the existing vacancy on the Cemetery Commission. Joe Fromberger said it would be appropriate if someone was nominated to have a vote, even though it is not in the warning. Jean Peters asked if the Cemetery Commission should appoint someone. Joe said it is up to the Select Board to appoint someone, if there is no nomination/vote. With no nominations to consider, the vacancy was put to the Select Board to fill at a later date.

Article 4. Joe Fromberger moved that the article be adopted as written. Elizabeth Moulton seconded. So moved.

Article 5. Alan Plumb moved the next annual meeting be held on Saturday, March 3, 2018. Austin Zipeto seconded. So moved.

Article 6. Red Johnson presented slides on the overhead projector explaining the 2017/2018 proposed budget.

Article 8. Barry Williams moved to approve the 2017/2018 budget in the amount of \$834,351.75. Leo Salazar seconded. So moved.

Article 9. Sherry Willumitis thanked the Town for supporting the Chester Andover Family Center and discussed the many services they provide. Alan Plumb reminded everyone that he is the Andover Fire Warden and anyone needing a burn permit in Andover should contact him, not the Chester Warden. Jackie Plumb spoke up asking if anything would be done about the Auditor's report. Peter Huyler moved to accept it as written. Barry Williams seconded. Austin Zipeto asked if there had ever been a problem with the report. No one could think of one. The motion carried. Al Peters brought up the terrible condition of Route 11 and his understanding that it won't be paved for three more years. He encouraged calls to the Governor. Tom Bock explained he just found out the repaving had been postponed again and had sent emails to find out why. Betty Peters asked if he could follow up with the Select Board when he has more information. Barry Williams said when he attended the recent TAC meeting, the repaving had been put back on the priority list. Raymond Makul stated he would like the Select Board to spend some time researching alternate fire/ambulance protection. His concern is that Chester is farther away than Weston and response time seems long. Hank suggested everyone in town invest in 30 lb fire extinguishers for their homes. Jeffrey Knisely spoke up stating he is on the Chester Rescue Squad and is the only Andover resident who is. He encouraged all to volunteer, as that speeds up response time. Jean Peters encouraged all to make sure their house number is posted to assist agencies in finding them. Leo Salazar said everyone, not just full-time residents should have house numbers. Susan Leader asked why Andover Ridge is called out in the Town Speed Limit Ordinance. Red responded that any un-posted road's speed limit is 50 mph, so the Town did post certain roads after appropriate studies were done. Jon Bliss reminded everyone cycling season is coming up and asked that everyone familiarize themselves with cyclists and drivers rights and to approach situations calmly. Barry noted that the High Bridge is #4 on TAC's priority list for replacement and scoping work should begin soon. Hank Mauti asked why the snow on East Hill "flats" is being pushed onto the cemetery side of the road, into the wind. Years ago, it was plowed onto the opposite side, minimizing drifting. Barry Williams responded that he had spoken with the Road Foreman and was told he felt that was the best way to do it. Barry stated "it makes no sense". Sherry Willumitis asked who has the ultimate authority to decide. Barry said he believes the Select Board does and asked the Clerk to make sure this request/concern is in the notes. Jon suggested concerned citizens should attend a Select Board meeting and politely remind the Board of residents' desires on this subject. Jean Peters noted what a wonderful community we live in and shared information about the "Just Neighbors" program and gave the correct phone number. She also mentioned the Neighborhood Connections program. Carmen Macchia pointed out the Andover Project Committee handout asking for volunteers to assist with Andover Day, in particular. Alice Lindquist reminded everyone the money raised at Andover Day goes into the Scholarship fund which provides scholarships each year to Andover high school seniors.

Bonnie Zipeto moved to adjourn the meeting. George Moser seconded. The meeting adjourned at 12:45 p.m.

2017 ANDOVER SELECT BOARD REPORT

Our town roads remain our major focus. This past year has been a record for "first times":

1. We now have a full-time, three-man crew! In the past, we were able to hire a part time person for the winter months, but after extensive searching, we could not find anyone to fill the job.
2. We have replaced one of our old two-axle trucks with a three-axle, 10-wheel truck, giving us the ability to haul larger loads, saving man hours and expense.
3. We have appointed Chris Plumb as our Highway Commissioner to focus the Select Board's communication and review of our highway operations.

We are pleased to announce the promotion of Charlie Golden to the Highway Foreman position. Congratulations Charlie!

The front entry and ramp/emergency access to the basement shelter at the Town Office has been replaced for the first time since it was originally constructed. In addition, the ramp at the rear of the Town Hall received major repairs.

We spent time reviewing and updating our Town Employee Policies and Procedures Manual to reflect current personnel policies and legal guidelines.

We would like to thank our Town Clerk, Jeanette, for the many improvements in the systems and efficiencies in the Town Office.

With much appreciation, we are dedicating this report to Kevin Baker for his 23 years on the Andover Highway Crew. Thank you Kevin for all your years of service to the Town of Andover and its residents.

Respectfully submitted,

Andover Select Board

Auditor's Report

We the Auditors have examined the financial records of the Town of Andover to the best of our ability and find them to be generally in order. While the assets of the town are being managed and recorded responsibly, there is a need to better account for revenue and expense transactions by specific fund.

At this time, we believe the town is not receiving the assistance it requires from its independent accounting consultant. We have recommended that the Select Board reevaluate the needs of the town in the current environment and pursue options that better meet the town's timing, quality and accessibility needs.

We wish to thank Jeanette Haight, Town Clerk/Treasurer for her assistance with our review of the financial records and the preparation of this report.

***COMMITTEE
&
BOARD REPORTS***

**2017 ANDOVER PLANNING COMMISSION
AND
ANDOVER ZONING BOARD OF ADJUSTMENT REPORT**

The Planning Commission develops the Municipal Land Use Plan, the Zoning Bylaws, and Subdivision Regulations, subject to the approval of the voters. The current Town Plan was adopted in May 2013 and is due to be revised in 2018 to comply with current State mandates.

The members of the Planning Commission also serve as the Zoning Board of Adjustment (ZBA). The Select Board appoints the members for terms of four years. The administrative and enforcement issues are the responsibility of the ZBA. George Moser is the Administrative Officer of the Zoning Board.

The Planning Commission meets as necessary at the call of the Chair and all meetings are warned and open to the public. In December the members started the process of reviewing the changes required in the Municipal Land Use Plan.

The ZBA meets regularly on the first Tuesday of each month and all meetings are open to the public.

During this past year, the Board reviewed and approved two (2) applications for subdivision permits. There were two applications for variances, one of which was granted. The second application is being reviewed on February 6, 2018.

There were no requests for Conditional Use permits nor any Appeals of the Administrators' decisions.

2017 LISTERS REPORT

A grateful thank you to the property owners of Andover for your participation in our data collection during our site review portion of our re-evaluation. Our interior inspection rate was very high compared to most re-evaluation towns this past year.

As a friendly heads-up, please be on the lookout this spring for a change of appraisal notice. This mailing will contain all property value changes in Andover. Please look over your change. Important Reminders about Vermont Property Taxes

Homestead Declaration

If you meet the requirements to file a Vermont Homestead Declaration, you must file each year. A “homestead” is your principal dwelling and parcel of land surrounding the dwelling. Your town uses the Homestead Declaration to assess the correct education property tax rate. You are required to file if **1)** you are a Vermont resident, and **2)** you own and occupy a homestead as your domicile as of April 1, 2017.

Please note that a principal dwelling that is fully leased on April 1, 2017, is still a homestead if it is not leased for more than 182 days in 2017. Declare your homestead by filing Form HS-122, Section A, online at **www.myVTax.vermont.gov**.

Property Tax Adjustment Claim

Homestead owners may be eligible for a Property Tax Adjustment based on their housesite value and their household income. The Property Tax Adjustment is a credit applied against your property tax bill. The credit is shown on your 2017/2018 property tax bill as a state payment.

To be eligible for a Property Tax Adjustment, you must meet all these requirements:

1. You were a Vermont resident for all of calendar year 2017.
2. You were not claimed as a dependent for tax year 2017.
3. Your property meets the definition of homestead and you have submitted a homestead declaration.

You can still receive a Property Tax Adjustment even if you are not required to file a Vermont income tax return. Make your Property Tax Adjustment Claim by filing Form HS-122, Section B, online at **www.myVTax.vermont.gov**.

If you have questions about how your property tax adjustment is calculated or how your town’s education property tax rate is set, please visit **<http://tax.vermont.gov/property-owners>**.

The Vermont Department of Taxes cannot accept Property Tax Adjustment Claims after Oct. 16, 2017.

Vermont Current Use Program (also known as the Use Value Appraisal Program)

Owners of agricultural and forest land may be eligible to have land taxed at the lower “use value” rate by enrolling in the Current Use Program. You must have at least 25 acres to enroll, but there are special eligibility criteria for smaller, active agricultural parcels. Farm buildings may also be enrolled in the program. To enroll for the next tax year, applications are due by Sept. 1, 2017. For additional information, visit

www.fpr.vermont.gov/forest/your_woods/use_value_appraisal or **www.tax.vermont.gov**.

To apply for a new enrollment or to change your existing enrollment, use our online application at **<https://secure.vermont.gov/TAX/ecuse/>**.

2017 ANDOVER PROJECT COMMITTEE REPORT

The Andover Project Committee sponsored several town-wide events during 2017 including:

Town Meeting Lunch

On Saturday, March 4, 2017 the Project Committee organized a Potluck Lunch at the annual Town Meeting. As is customary, residents brought sandwiches, salads and desserts and all had an opportunity to reconnect with neighbors and friends.

Green-Up Day

Andover's Annual Green-Up Day was held on Saturday, May 6, 2017. In spite of the wet weather, volunteers gathered at the Town Hall to get road assignments. After a morning of picking up roadside litter, sprucing up the grounds and cemeteries, and cleaning the Town Hall basement, the volunteers returned to Town Hall for a luncheon of hot dogs and beverages provided by the Andover Project Committee and community members, chips donated by Lee Whiting, and salads and desserts provided by the volunteers. Thank you to the Andover community for the awesome results!

Andover Day

On Saturday, September 9, 2017 the Andover Project Committee sponsored the Fourth Annual Andover Day on the Town Hall grounds. Local artisans showcased their wares. The Andover Church provided a popular children's wood work shop. Children and adults toured the Chester Fire Department and Ambulance trucks and equipment, and were entertained by Cheryl the Clown who made animal balloons and painted faces. Fly fishing demonstrations and instructions were offered by Kye Leard of Orvis Fly Fishing. Exhibits included the Vermont Fish & Wildlife Department, the Springfield Humane Society, a live bee hive provided by Donna Faturios, and landscape painting by Robert Sydorowich. John Specker and daughter Ida Mae Specker entertained with their popular old-time mountain fiddling and singing. The crowd enjoyed captivating rock music provided by Totally Submerged. In support of the Scholarship Fund, the Andover Project Committee sold food, t-shirts, embroidered tote bags and held a raffle. We thank our committee members, Andover residents, and friends for their donations of food, raffle prizes, tents, publicity and the considerable time and effort that went into the event.

Reception for Kevin Baker

The Andover Project Committee along with Andover's Select Board hosted a reception on Sunday, October 1, in honor of Andover's retiring road foreman, Kevin Baker. Community members gathered to express their appreciation, to wish Kevin well, and to share refreshments. Included with the refreshments was a cake featuring a picture of the red Andover town truck.

Scholarships

Donations from residents and community friends along with profits from Andover Project Committee events replenish the **Andover Scholarship Fund**, helping Andover's students succeed in their post high school education. In 2017 the \$1,000 scholarships intended for first year college/university scholarship were awarded to Kris Haselton and Robert Carlock. Andover's military enlistees, Jonathan Dion and Selena Gordon, were recognized with Amazon Kindles. The Andover Project Committee is committed to raising funds for scholarships for qualified Andover residents.

T-shirts, tote bags, sweat shirts

In addition to the t-shirts and merchandise sold on Andover Day, the Andover Project Committee has t-shirts for sale at the Town Clerk's Office year round. The shirts feature Andover designs and proceeds benefit the scholarship fund. Please visit the office during business hours to make your selection of merchandise.

Donations

An appeal letter was sent to Andover's property owners in 2017 seeking donations to the Scholarship Fund. The generous response has helped to relieve some of the stress of fund raising at our events, enabling us to focus more on community and fun. Thank you for supporting the Andover Scholarship Fund!

Volunteers Needed

The Andover Project Committee thanks our volunteers for their dedication and hard work. These events bring us together as neighbors and community members as well as support the scholarship fund. For continued success with these worthwhile events even more support from the community is needed. Once again, the Andover Project Committee encourages you to lend a hand at one or more of these events. To join our meetings or for more information about events, please contact Deb Moser (875-5454; dmoser6468@gmail.com).

2017 PIONEER MEMORIAL SOCIETY/ CLARK WARNER HAZELTINE MEMORIAL FUND REPORT

This year's advances in knowledge were rather interesting, and answered a few questions and raised a few new ones in the process, all of which is fundamental in understanding of Andover's history.

An image of a copy of the Andover range map was found on the microfilm of the land records, which appears to have been with the records at the time of filming September 11, 1952. The particular map is dated January 30, 1827, and was drawn by Samuel Clark.

Ever expanding research continues on the Howard family. One item was found in the Cheshire County, N.H. Deeds. On January 17, 1788, John Chappell of Gilsum, N.H., sold to Solomon Howard of Andover 50 acres in Gilsum (which is now in Sullivan), described as being the east half of the 11th Lot in the 6th Range." John Chappell was described as of Andover, on March 19, 1788, when Solomon sold him Lot 11 in the 12th Range in Andover (which is now in Weston). Solomon's Temple was destroyed by fire on June 15, 1887, when under the ownership of Jerome W. West. An account was found in June 23, 1887 issue of *The Londonderry Sifter*. Under the North Windham column: "Miss Adella Stannard from Andover was through our burgh Monday soliciting aid for Jerome West who was burned out, saving scarcely anything." Under the Simonsville Column "Last Wednesday night about 10: 30, Mrs. Jerome West woke and found their house a complete mass of fire. Arousing her husband they had barely time to escape with their lives, leaving everything which was quickly consumed. In a very few moments their barns and all their out buildings were a mass of ruins. Their dogs, hens and two hogs were burned. Insured for \$500 on the buildings and \$250 on personal property." West then purchased the former Solomon Howard Jr. place, just south of Solomon's Temple, and that place too was destroyed by fire on October 19, 1891. An account was in the October 23, 1891 issue of *The Londonderry Sifter*. "The farm buildings owned and occupied by J.W. West were totally consumed by fire Monday morning. About twelve o'clock Sunday night Mr. West was awakened by a noise which he thought proceeded from his cattle in the barn, he hastily arose, lighted a lamp, and in the act taking his coat from a hook on the wall upset the lamp which immediately took fire, instead of throwing the coat upon the burning oil he threw a pail of water, which sent it flying in all directions and beyond the control of a bucket brigade, the fire soon spread to the out buildings, and in a short time the whole were one heap of blackened ruins. The cattle, horses, hogs, hens and a few farming tools were saved; the household goods, clothing and provisions were nearly all destroyed. Four years ago Mr. West lost his house and contents by fire, situated on a few rods from this one. Such a line of misfortunes demands the sympathy of the people."

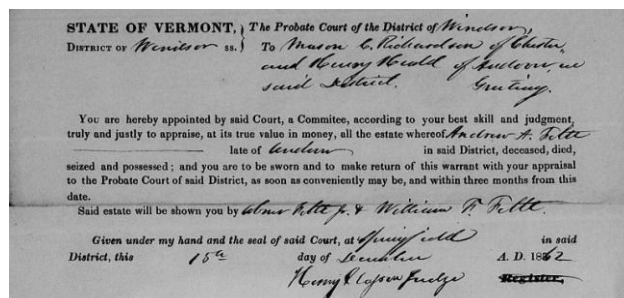

We were visited by Linda Heald of Boston, Mass., who is photographing all of the Heald and related families gravestones and posting the images on the website findagrave.com. The tour included Heald Cemetery and East Hill Cemetery, as well Brookside Cemetery in Chester and Maple Grove Cemetery in Weston.

Assistance was provided to Scott Andrew Bartley for his book *Early Vermont Settlers to 1771, Volume 1 Southern Windsor County* recently published by NEHGS. Included for Andover are Amos Babcock, Jr. and Shubael Geer who appear in 1771 Cumberland Co., N.Y. census.

We provided assistance to Karyn Norwood, working on a research project for the Vermont Department for Historic Preservation, to identify saunas and when Finnish families first purchased property in Andover.

AFTER April 1st the fee increases by 50% to \$6.00 and \$12.00 plus the \$1.00 for the State Rabies Program and \$4.00 for the State Spay/Neuter Program.

2017 ANDOVER TOWN FIRE WARDEN REPORT

The fire warden issued 54 permits to kindle a fire this year. There were 51 wild fires reported to the State of Vermont which burned 49 acres.

Please continue to contact your fire warden at 875-3351. Also, remember to call the fire dispatch number 875-3200, every time you obtain a burning Permit. This call prevents the fire company from responding to a false alarm. (Sometimes folks think their neighbor is having a chimney fire).

Even though you do not need a permit when there is snow covering the ground, please call the dispatch number.

Your cooperation keeps us all safe and our State green.

Sincerely,
Alan E. Plumb,
Town Fire Warden

2017 ANDOVER COMMUNITY FUND REPORT

The Andover Community Fund is a local, non-profit organization established privately in 1987 to provide interim financial assistance to Andover residents who have encountered an unforeseen setback in their lives. Based on the concept of self-help, the Fund seeks to provide assistance that will act as a catalyst to facilitate the return to normal circumstances. The Andover Community Fund is managed by a five person Board of Directors.

In the year 2017, the Fund made grants totaling \$13,652.82 covering situations involving social support services. As in the past all assistance was provided in the spirit of helping individuals or families return to a normal, productive way of life. In 30 years, the Fund has distributed more than 245,400.32 to Andover residents in need.

The endowment had a year-end value (unaudited) of \$803,358.37. Expenses of the Fund were limited to one annual town-wide mailing, preparation of the non-profit tax return, bi-annual state filing and investment fees. No compensation was paid to any of the individuals overseeing the Fund's responsibilities and requirements.

We thank the Andover community at large for their continued support of our annual fall fund-raiser. The 2017 solicitation successfully raised \$8075.00 with contributions from 90 participants. We are happy to have you share with us the opportunity to help one another in our small rural town. We value the spirit of good will and community that is alive in Andover.

We would ask you again to be mindful of situations wherein financial assistance could make the difference in helping an individual or family overcome an unexpected setback. Very often those in need are the least likely to seek aid, and therefore we ask you as friends and neighbors to bring to our attention to any unnoticed need. No application is required. Simply bring the prospective situation to the attention of a fund director, the Town Clerk, a Town Service Officer, or the Community Church.

Respectfully Submitted,
Andover Community Fund Board of Directors:

***GENERAL
INFORMATION***

TOWN OF ANDOVER
POLICY FOR COLLECTION OF DELINQUENT TAXES

The purpose of this policy is to establish clear guidelines so that all delinquent taxpayers will be treated fairly and will know what to expect concerning procedure for collecting delinquent taxes.

1. As soon as the warrant has been received, and each month thereafter, the tax collector will send a notice to each delinquent taxpayer indicating the amount of taxes, penalty and interest owed.
2. Only payment arrangements that will pay the bill in full before the due date of next year's bill will be accepted.
3. Mortgage holders and lien holders will be notified of the delinquent taxes 30 days after the first notice has been sent to the taxpayer and again prior to tax sale.
4. Partial payments will be applied first to the interest and 8% penalty portion of the amount due, and the remainder will be applied to the principal.
5. If the amount due is less than \$500.00 and no satisfactory payment arrangements have been made in one month from the date of the first notice, or if the prior payment agreement has not been met, the tax collector will file a complaint in small claims court.
6. If the amount due is \$500.00 or more and no satisfactory payment arrangements have been made in one month from the date of the first notice, or if the prior payment agreement has not been met, the tax collector will begin the following actions to conduct a tax sale of the property or as much of the property as is necessary to pay the tax, plus all costs and fees:
 - A. The collector will notify the taxpayer and all mortgage and lien holders of the tax sale decision, the date by which full payment must be received, and the costs to expect once the sale process begins.
 - B. If the deadline date has passed and full payment has not been received, the collector will proceed with a tax sale according to the procedures specified in 32 V.S.A. § 5252.
 - C. Costs of preparing and conducting the sale, including legal fees up to a maximum of 15% of the amount of the delinquent tax, will be charged to the delinquent taxpayer.
7. Each taxpayer has a right to apply for abatement of property taxes based on any of the grounds listed in 24 V.S.A. § 1535.
8. In the event that no one purchases the property at tax sale, or, if in the judgment of the tax collector, proceeding with the tax sale is inadvisable, the tax collector shall collect the delinquent taxes using any or all of the methods permitted by law.

All buried utility lines must be enclosed in PVC Schedule 40 (or equivalent) conduit at a depth that is a minimum of 4ft. below the level of the lowest drainage ditch. (For example, if the bottom of the lowest drainage ditch on the roadside is 2 ft. below the road surface, the utility line will be buried 6 ft. below the road surface).

A minimum of 6” of sand must be placed above, below and on both sides of the conduit. In addition, replacement of the fill and road surface must follow the specifications as outlined in the Andover Highway Ordinance.

A yellow warning tape shall be buried above the conduit at a depth of 2 ft. below the road surface.

The conduit must extend a minimum of 15 ft. on either side of the roadway before surfacing vertically to an above ground weatherproof junction box. Any junction boxes located within town right-of-way land must be identified by an 8ft. steel pole with the top 2 ft. painted orange. The conduits may also surface at an existing utility pole as an alternative. In such cases, a steel marker pole is not required.

All work must be done so as not to impede the flow of traffic. If there is no reasonable alternate route as determined by the town authorized observer, one lane must remain open. Flagmen shall be utilized as necessary at the discretion of the town authorized observer”.

**REPORT OF THE
ANDOVER TOWN SCHOOL DIRECTORS
JANUARY 2018**

During the 2015 Session the Vermont Legislature adopted ACT 46, a law intended to encourage consolidation of local School Districts into Unified School Districts with one School Board, replacing all local Boards, as well as a single tax rate across all member Towns.

On May 2, 2017 the citizens of Andover, Baltimore, Cavendish and Chester voted to approve the Act 46 merger plan to form one school district with one board, one budget and one tax rate. The members of the new 11-seat Green Mountain Unified School District (GMUSD) Board was elected at the same time and will assume responsibility for operating all schools in the new District on July 1, 2018.

The budget for the new District will be submitted for an Australian ballot vote on March 6, 2018.

Your Town School Directors will continue to meet as necessary to wrap up any pending issues before December 2018.

Respectfully Submitted:

Two Rivers Superintendent Report

Message from the Superintendent

The employees of the Two Rivers Supervisory Union (TRSU) and of Black River, Cavendish Town, Chester-Andover, Green Mountain, Ludlow Elementary and Mount Holly schools continue to dedicate our effort and work to providing our students with an education of excellence. We're in the midst of transition. We are engaged in a significant initiative to move from a traditional education model (one that most of us experienced) to a personalized and proficiency-based education model of learning; we have two principals who have announced their upcoming retirement and our school districts will or might become larger school districts.

The initiative is intensive and requires us to shift our thinking about teaching and learning. We've always known that the relationships we develop with our students and their families and the instruction we provide is critical to the success of our students becoming life-long learners. Now, in addition to relationship building, our teachers need to shift their instructional practices to ensure our students will eventually meet our proficiency-based graduation requirements and be prepared to be global citizens who contribute to their respective communities and our global economy.

At Black River High School Middle School and Green Mountain Union High School we have invited families in to share information about proficiency-based learning and the changing expectations for our students. We will continue to inform families about this initiative as we progress to full implementation. At the elementary level, professional development opportunities throughout the year are being devoted to teachers having initial training in personalized and proficiency-based education. Please know we welcome questions about this shift in instruction and learning, contact your local school or our supervisory union for further information.

We are fortunate in our supervisory union to have a talented administrative team. Two of our members who have provided skillful leadership at their schools have decided to retire, Mr. Thomson of the Cavendish Town Elementary School and Mr. Ferenc of the Green Mountain Union High School. Mr. Thomson has led the Cavendish Town School for 29 years! That is an amazing number of years for a principal to stay at one school. I know his leadership and his dedication to the school and community has been tremendous. He has served as principal of students across the generations, developed wonderful relationships with the Cavendish families and community and been a highly respected and regarded leader of his school.

Likewise, Mr. Ferenc has had a significant impact on the Green Mountain Union High School. As principal for 11 years, Mr. Ferenc has improved student academic and social growth, hired high quality teachers and been instrumental in moving forward with building renovations. Both principals are men of integrity and kindness. They have always kept students at the forefront of their thinking and decision-making. As I wish them all the best in their future endeavors, I know they will both be greatly missed by their respective communities.

The school districts of Andover, Baltimore, Cavendish and Chester have merged into one district called the Green Mountain Unified School District (GMUSD). The GMUSD Board organized in September and this past fall began forming committees and meeting to become fully operational as of July 1, 2018. Most recently we have been working on the budget for the new district. It is a huge shift to move from our current school district budgets to one district budget. The TRSU administration, GMUSD principals

and Board members have worked hard on bringing a budget forward that invests properly for the education of our students while maintaining our buildings and grounds.

Given that the Board and administration have not had the typical time frame to prepare a budget for the 2018-2019 academic year, we will be hiring some positions on an interim basis. The incoming Cavendish Town Elementary School principal, a new teaching dean and kindergarten teacher at Chester-Andover will all be hired for one year. The GMUSD Board plans on going on a retreat this summer to create a vision for the district while setting goals and objectives. The work completed at the retreat will inform the future administrative structure, staffing and budgeting work this fall.

The Plymouth School District will be joining the Windsor Central Supervisory Union. There was a vote in late November for the school districts of Ludlow, Mount Holly and Union #39 to merge and form the Ludlow-Mount Holly Unified Union School District. That vote was in the affirmative, but since that time there was a petition filed in Ludlow for a revote. The next vote will be held on February 6th at the Ludlow Town Hall. Once we know the outcome of that vote we will move forward with either one budget for the Ludlow-Mount Holly Unified Union School District or have three separate budgets for the current school districts of Ludlow Elementary, Mount Holly and Union #39.

In closing, please know I have the highest respect for our faculty and staff throughout our schools and central office. We have a very hard-working, dedicated group of employees who want to provide our students with an education of excellence. Please support our school budgets to help us improve our practices and increase student achievement. We want to do all we can to give our students the opportunities they deserve to participate fully in their towns of choice and contribute to the global economy. Thank you so much for your support of our schools.

Sincerely,

Meg Alison Powden
Superintendent

A Message to Andover Residents

We want to be sure all of our elderly residents and their friends and families are aware of services available to them. Our elderly population is expanding while their resources are shrinking. We want to be sure nobody is “falling through the cracks” – especially those living alone.

Please call us if you or someone you know is in need of basic services or if you have been unable to get expected help from the agencies you have contacted.

We hope to keep this bulletin up-to-date – so let us know of any changes to phone numbers, or who does what.

Most importantly, we know there is a shortage of “friendly visitors” who can spend time in the homes of individuals who should not be left alone for too long and cannot pay for company. If you are available for this type of service, call one of us and we’ll put you on our list of neighborhood volunteers.

VISITING NURSE AND HOSPICE FOR VT AND NH
Home Health, Hospice and Maternal Child Health Services in Andover, VT

Visiting Nurse and Hospice for Vermont and New Hampshire (VNH) is a compassionate, non-profit healthcare organization committed to providing the highest quality home health and hospice services to individuals and their families. VNH provides care for people of all ages and at all stages in life, and delivers care to all, regardless of ability to pay.

VNH services reduce costs associated with town programs for emergency response and elder care. With quality care provided at home, there is less need for costly hospital and emergency room trips. And with VNH support, residents can age in place rather than relocating to a state or local nursing home.

Between July 1, 2016 and June 30, 2017 VNH made 103 homecare visits to 11 Andover residents. This included approximately \$9,328 in unreimbursed care to Andover residents.

- **Home Health Care:** 56 home visits to 8 residents with short-term medical or physical needs.
- **Long-Term Care:** 1 home visits to a resident with chronic medical problems who needed extended care in the home to avoid admission to a nursing home.
- **Hospice Services:** 46 home visits to 2 residents who were in the final stages of their lives.

Additionally, residents made visits to VNH wellness clinics at local senior and community centers throughout the year, receiving low- and no-cost services including blood pressure screenings, foot care, cholesterol testing, and flu shots.

Andover's annual appropriation to VNH helps to ensure that all have access to quality care when and where it is needed most. On behalf of the people we serve, we thank you for your continued support.

Sincerely,

Jeanne McLaughlin, President & CEO (1-888-300-8853)

The Current 2018 Town Report for Andover

The Current has been southern Windsor and Windham County's public transit provider since 2003. Our mission is to provide a safe, reliable and efficient transportation system that supports economic opportunity and quality of life for the 27 towns we serve. As a private non-profit 501c3, we rely more than ever on local contributions to deliver rides and to provide the required local match for replacement vehicles.

The Current is funded by state and federal grants, contributions from towns and resorts, fares on some routes, and contributions from our human service partners. We operate bus routes and senior or disabled transportation services via our fleet of 36 buses, vans, and a network of over 50 very dedicated volunteer drivers.

Our operating expenses last year were \$5,164,289. With that we provided 282,102 bus, van, taxi, and volunteer rides. Our buses and vans traveled 910,711 miles over 50,096 hours.

In Andover we operate van and volunteer services which last year provided 24 rides at a cost of \$480.

We are requesting a \$125 contribution from the Town of Andover this year. We hope you will once again support us.

We are always seeking your input to improve our services. Please contact me by email (rgagnon@crtransit.org); phone (802) 460-7433 x 201; or visit us at www.crtransit.org to let us know how The Current may improve service in your community.

Sincerely,

REPORT OF THE CHESTER AMBULANCE SERVICE

The Chester Ambulance Service responded to 378 calls out of a total 386 dispatched during 2017 resulting in 371 patients being seen within the towns of Chester (287), Andover (27), Ludlow (40), Rockingham (2), Cavendish (5), Proctorsville (4), Grafton(2), Londonderry (1), Springfield (1) and Plymouth (2) as a result of the following incidents:

- 223 Medical Emergencies
- 33 MVC's (Motor Vehicle Crashes including motorcycle, ATV and snowmobile)
- 88 Traumatic Incidents by other cause
- 7 Stand-By Requests by Fire, Police, etc.
- 27 Public Assists and/or Cancellations

Response volume increased from 353 in 2016 to the 378 stated above for 2017. I previously reported that we were unable to respond to 59 calls during 2015 due to lack of available personnel and 33 during 2016. During 2017, that number again dropped to a total of 12. Most of those missed calls happened late in the year due to coverage difficulties. 2017 proved to be an expensive transition year with change in State protocols and higher supply costs. Many treatment procedures were added causing the need to stock unplanned/unbudgeted supplies, such as Narcan for opiate overdoses and Epinephrine for cardiac arrests. We also saw the cost of many supplies exponentially increase such as Epinephrine Pens for allergic reactions and the diabetic medication Glucagon. Even though we try to keep costs at a minimum and budget accordingly, it is difficult to know exactly what will be needed each year.

Our relationship with Ludlow Ambulance is working well. Each service can call for one licensed person to respond from the other to fulfill legal transport needs. I want to assure all that we do not wait at the station for them to arrive. We respond while the requested license is on their way to meet on scene. Another plus is that Ludlow now has 4 full time Paramedics on staff that can use their skills under our service license if needed.

I would like to recognize Michael Randzio and Chad Carey, Jr.; Mike is an EMT on our service and Chad is a firefighter for Chester. Both left the same day during August of 2017 to pursue active duty training within the United States Army. We maintain their roles as members of our departments for when they are on leave visiting home. Please join me as I extend them my utmost gratitude for their selfless willingness to serve in defense of our country.

As volunteers are ever- revolving, we continue to need new members; if interested, please contact Dan Cook at 875-3134(H), 802 558-9972(C) or by email tcambulance@vermontel.net

We would like to thank all town departments of Chester and Andover including all officials and Select Boards; the members of the Chester Volunteer Rescue Squad, Chester Fire Department, Yosemite Engine Company, Ludlow Ambulance, Hartford Dispatch, the emergency room staff at Springfield Hospital and all other surrounding mutual aid organizations. It is with continued support from all, including the taxpayers of Chester and Andover that enables us to continue operation at our current level of care.

I would also like to extend my personal appreciation to all volunteer members of our service as well as thank their respective loved ones for gracious acceptance of any loss of family time throughout the year. They are an incredible group of individuals with dedication that preserves our ability to continue.

COMMUNITY CARES NETWORK OF CHESTER/ANDOVER, INC.

Community Cares Network of Chester/Andover, Inc. (CCN,INC.) continues its ongoing work of helping to keep our Senior Citizens in their own homes safely and longer. Our dedicated volunteers give of their time and energy to help Seniors who do not have the resources they need to live independently.

In addition to providing transportation to doctors and hospital appointments, we also assist with such services as grocery shopping, record-keeping, friendly visits and check-ins, library book delivery, and odd jobs. We have helped many clients get to the Chester/Andover Family Center and Food Shelf.

This year we have undertaken a new project, working in conjunction with the Chester Ambulance Service. We are putting together emergency bags for Seniors to use at times of power outages, floods, storms, and other unforeseen disasters. We are planning to have these bags ready for distribution early next year.

In addition to the Chester Ambulance Service, we also work with agencies such as Senior Solutions, Visiting Nurse & Hospice of VT & NH, and the Adult Protective Agency. We cooperate with the Chester/Andover Ministerium to get help for people in need. We help to connect our clients with organizations and agencies that can help meet their needs.

We held our annual Spaghetti Dinner Fundraiser last spring at the Andover Town Hall. We would like to thank the Town for the use of the Hall. This has proven to be a popular social event for the people of the community.

CCN,INC. has helped over 35 people in Andover this past year.

WINDSOR COUNTY UPDATE
ASSISTANT JUDGES JACK ANDERSON AND ELLEN TERIE

FY 2018-19 County Budget

The Assistant Judges held the preliminary budget meeting at 5 PM on Wednesday, December 13, 2017. The budget calls for \$439,858 to be raised by taxes, a *decrease* of \$1,853 from the current FY 17-18 budget. The new budget calls for \$541,025 in total spending, a significant *decrease* of \$16,709 from the current FY 17-18 budget. The county tax rate *decreased* slightly, from .0049 to .0048. This is the third straight year it has dropped.

According to the Vermont Department of Taxes, the Equalized Grand List for the entire county grew by \$87,762,000. This is the third year in a row where the value of the grand list has increased markedly. It is now \$9,094,596,000.

Pursuant to Title 24 Sect. 134, the County Treasurer shall issue warrants on or before March 1, 2018, requiring the tax to be paid in two installments on or before July 5 and on or before November 5, 2018.

Courthouse Renovation Bond

2018 marks the fifth year of the \$2 million bond repayment. (The first bond payment was in November 2014). This year, the amount to be billed to the towns will be \$234,896 (\$200,000 principal; \$34,896 interest). This billing is NOT part of the county budget, but a separate assessment. Last summer, the borrowing rate was renegotiated resulting in a savings of several thousand dollars in interest.

Other County News

2017 has been a busy and productive year for the Assistant Judges and Windsor County. Here are some of the happenings in the past year:

With the installation of interior storm windows at the court house at 12 The Green in 2015, the county continued to save thousands of dollars in fuel costs.

For the fourth year in a row, the county finished the 2016-2017 fiscal year solidly in the black and continues to roll the surplus into the next budget year.

Judge Terie completed the 40 hour Civil Mediation course at the National Judicial College in Reno, NV. last summer.

The County has established the Windsor County Mediation Center in its building at 62 Pleasant Street and Windsor County Bar members use it for civil mediation.

Lastly, in 2017 we said goodbye to our Building Superintendent Carl Tancreti, who retired and headed west for the winter. We welcomed our new Building Superintendent, Bruce Page.
