No worries, this is mainly an FYI. I am now in SH and trying to find them both. Just file away for now. We're not going to be able to sign this today, so we'll keep spreading the word next week!

Understood. I am working on my weekly and won't be down to SH. Keith, are you around?

Secretary and Commissioner, If either of you are in the State House today and run into Senator White or Rep Sweaney – I may need a little help pushing the EO to move Governor's HW safety from DPS to AOT to the finish line. Senator White is suggesting we wait on this until a broader review of the functions of DPS. I have not heard from Rep Sweaney yet. Rep Grad was fine, and I know Transportation Chairs are ok. I will speak with Senator White as well. Just FYI – my sense is hearing from either or both of you directly will be helpful as well. Thank you both.
