

WE MUST NOT THINK OF OUR EDUCATION SYSTEM SIMPLY AS K-THROUGH-12, BUT **K-THROUGH-JOB**

governor shumlin's initiatives would

- ➔ provide access to free school lunch for all low- income Vermont students
- ➔ increase flexible pathways to secondary school completion
- ➔ double support for dual enrollment for students who want to start college even as they finish high school
- ➔ expand early college programs in partnership with Vermont post-secondary institutions for all interested Vermont high school students
- ➔ improve math proficiency to ensure students are prepared for the high- tech, skilled jobs of the 21st century
- ➔ invest \$2.5 million in making higher education more affordable for Vermont students
- ➔ increase job training opportunities
- ➔ create the Vermont Strong Scholars Program to help Vermonters who study science, technology, engineering and math stay and work in Vermont
