Re: Vermont Interactive Technologies Working Group Report - Sec. E.602.1(d) of Act 58 (2015)

Cc: Members of the Vermont Interactive Technologies Working Group

---

Dear Senator Kitchel and Representative Johnson:

The Vermont Interactive Technologies (VIT) Working Group was created by Act 58 Sec. E.602.1 with the purpose to study VIT and report its findings and recommendations to the General Assembly on or before October 1, 2015.

At their meeting on September 16, the VIT Working Group received briefings on topics that will inform their recommendations regarding VIT. However, working group members determined that additional investigation and information is needed before findings and recommendations for legislative action can be reported to the General Assembly. As a result, the VIT Working Group respectfully requests an extension to December 1, 2015 to submit the legislative report.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "James Porter" followed by a large, stylized flourish and the initials "PP" and "MIT".

James Porter, Chair  
Vermont Interactive Technologies Working Group

Handwritten notes in black ink that say "ok w/ Mitzi" and "Ok - J". Below the notes is a handwritten signature that appears to be "J".
