Dear Pamela,

Thank you for taking the time to contact my office. I appreciate you sharing your valid concerns regarding employment and retirement benefits for Vermont teachers.

I share your concerns on aiding Vermonters after retirement. Caring for Vermonters from infants to elders is critical to the economic wellbeing of Vermont families. Our teachers have made significant sacrifices throughout this pandemic and continue to be the foundation of our education system. I strongly believe that we must prioritize the well-being of Vermont's working families, particularly on the heels of a pandemic that has hit working Vermonters, and women, the hardest.

As you may know, the Lieutenant Governor does not have a direct role in the legislative process, but I will certainly keep your comments, and shared concerns, top of mind as I continue to meet with Legislative leadership and the Governor.

I am deeply committed to elevating the voices of Vermonters, and I hope you will not hesitate to contact my office again. I also look forward to seeing you in your community soon.

I wish you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,
