 - a. Davis, Paul – Traditional endorsement from Washington, D.C. The Board approved this application in accordance with Rule 3.23(b). He will need to take the exam he has not yet completed.

- b. Puttgen, Julie – The Board found that New Jersey and New Hampshire’s requirements are not substantially equivalent to Vermont’s because New Jersey does not require a Diagnosis course, which is required in Vermont. New Hampshire does not require direct practice hours. Vermont requires 2000. Endorsement denied. The applicant may apply through examination.
 - c. Van Hoy, Sarah - The Board found that Washington’s requirements are not substantially equivalent to Vermont’s because Washington requires 1200 direct practice hours. Vermont requires 2000. It is not clear within the Washington requirements if they require a course in Diagnosis. Endorsement denied. The applicant may apply through examination.
 - d. Zambetti, Ron – Application to be preliminarily denied.
 - e. Zappa, Kristine – Additional documentation is needed.
- 5. Public Comment: Lara Govendo attended the meeting asking the Board to reconsider its decision on requiring supplemental coursework to be completed to meet the education requirements of the Administrative Rules. The Board will re-review Ms. Govendo’s education at its August meeting.
