Yes- vote yes and vote with the committee bill.

It could be Tuesday, but more likely Wednesday.

What is the ask? Vote yes?

When is it going to the floor?

Hi James,

Thank you for all your help with this.

Our major request is for the Governor to call Senators Sears and Kitchel over the weekend.

We are mobilizing constituent contacts to all Senators and there are also a handful of calls that we expect will go out from the WH to targeted Senators.

I'm attaching the latest bill summary that reflects the changes made in committee and our key talking points.

Thank you again. Please let us know if the Governor isn't able to make these calls so we can work on another strategy.

Lindsay
