Subject: Request for records
Date: Tuesday, March 10, 2015 12:47:54 PM

Dear Mr. Italia, I understand you contacted our office today regarding public records. Happy to speak by phone as well – I did not get through on the number you provided. The Governor's Office has previously produced approximately 144 pages of records in response to requests regarding Ebola and quarantine in Vermont. If you would like a copy of those records, please let me know and let us know where to send them. Please be aware that the Vermont Department of Health has also previously produced approximately 417 pages of records to media outlets that have made similar requests. If you would like to request those records, I recommend you contact the records officer at the Department of Health, Charon Goldwyn, or make a request using the following email address or website below.

AHS.VDHPublicRecordsRequests@state.vt.us

<http://healthvermont.gov/contact/contact.aspx#records>

I hope the above is helpful to you. If you have additional questions regarding records of the Governor's Office, just let me know.

Sincerely,
Sarah

Sarah London
