Dear Dan:

As you know, on June 20, 2019 I signed into law H.513, *An act relating to broadband deployment throughout Vermont*. The new law establishes a PEG Access Study Committee to be convened by the Commissioner of Public Service by July 1, 2019, and requires the Governor appoint a representative from a Vermont cable company.

It is therefore my pleasure to appoint you to the Committee, effective immediately, to serve until its statutory dissolution on December 15, 2019.

Thank you very much for your willingness to serve.

Sincerely,

A handwritten signature in black ink, appearing to read "P. B. Scott", followed by a long horizontal line extending to the right.
