Northeast Slopes
10397 VT Route 25
East Corinth, VT 05040

To the Northeast Slopes Team:

I wanted to take a moment to congratulate you and thank you for your 80 years of providing affordable, outdoor fun to Vermonters of all ages. Even though I can't be with you at today's celebration, I know that I will have other opportunities to come and say hello in person, because you are a business run by Yankee ingenuity, teamwork and tenacity. A business like yours is one that can survive for 80 years, and will continue to grow for decades to come.

Over the years, Northeast Slopes has always been on the cutting edge, towing the line on innovative ways to help people get outdoors in the winter. The rope tow is legendary, as it gives people a very secure way to try out a new sport...and eventually grow to your more challenging terrain. You really do have something for everybody, because you listen to each other and to the people who have enjoyed Northeast Slopes for 80 years. This team is truly an example of what makes Vermont great and what we can do if we all work together.

Congratulations again on 80 years of building a quality business here in Vermont. I wish you (at least) 80 more happy years on the slopes.

Best regards,
