Dear Kim:

As you know, on June 17, 2019 I signed into law S.113, *An act relating to the management of single-use products*. The new law establishes a Single-Use Products Working Group to be convened by July 1, 2019, and requires the Governor appoint a representative of a single-stream materials recovery facility located in Vermont.

It is therefore my pleasure to appoint you to the Working Group, effective immediately, to serve until its statutory dissolution on February 1, 2020.

Thank you very much for your willingness to serve.

Sincerely,

Philip B. Scott
Governor
