

1 Sec. X. REDUCING CARBON INTENSITY; STATE BUILDINGS;

2 INTENT

3 It is the intent of the General Assembly that the Department of Buildings
4 and General Services shall implement strategies as soon as practicable to
5 reduce carbon intensity in buildings owned or maintained by the State
6 buildings, including the use of:

7 (1) non-fossil-fuel alternatives when installing or replacing any space
8 conditioning or water heating systems;

9 (2) carbon-storing and least-embodied-carbon materials, as evidenced
10 by appropriated documentation from contractors and suppliers, when
11 constructing, renovating, or substantially repairing a building or facility; and

12 (3) the State Energy Management Program, created in 29 V.S.A. § 168,
13 to fund eligible projects undertaken by the Department of Forest, Parks, and
14 Recreation and the Agency of Transportation.
