Liz, I wish we could clone you. You are the best! I hope your phone doesn't ring once all weekend.

So I talked with: emerson, t moats, d gram, Panebaker, ledbetter, Dillon, emailed with anson (he's all set), left message offering any help to d moats, spoke with aki – they will run AP rather than Hallenbeck and won't do editorial work until at least the weekend so offered help if he needs it. heard from t moats that paul Poirier has been talkative; haven't received any legislative calls other than speaker smith. Alex was sending order to committee chairs of jurisdiction and giving them my cell number etc for reach out/questions. I think overall the reach outs have been helpful; the order is hard to digest. If you hear more or think proactive etc with anyone would be helpful just let me know. Happy to explain the details to anyone...have a good weekend. Liz
