

Town of  
Plymouth, Vermont

2003  
Annual  
Report

Fiscal Year Ended  
June 30, 2003

## Auditor's Statement

In accordance with Vermont Statute Title 24, Chapter 51, Subchapter 5, We the Auditors have examined, reviewed and verified the financial statements and reports of the Town of Plymouth for the fiscal year of 2002/2003.

It is our responsibility to express an opinion of these financial statements based on our audit.

We feel, to the best of our knowledge that they are accurate and fairly represent the Town of Plymouth.

Beatrice Wheeler  
Bobbi J. Lambert-Lynds  
Stephen Moyer  
Board of Auditors

**PLEASE BRING THIS BOOK WITH YOU TO TOWN MEETING**

54. Black River Good Neighbor Services

**ANNUAL TOWN MEETING  
MARCH 3, 2003**

Moderator, Thomas Harris called the meeting to order at 7 pm. Warning was read by moderator.

Article 1. To elect officers by Australian Ballot.

Article 2. Humane Services Allocations of \$6,121.50. Betty Jarvi moved to accept. John Wheeler seconded the motion. So voted.

Article 3. To see if the Town will vote to collect taxes in the same manner as in the past. John Wheeler moved to accept. Bob Evans seconded the motion. So voted.

Article 4. To see if the town will vote to cut the Board of Cemetery Commissioners to 3 and elect Cemetery Commissioners for a term of 3 years. Ted Chick moved to accept. John Wheeler seconded the motion. So voted.

Article 5. To see if Delinquent Taxes shall be printed in the Town Report. Bob Evans moved to accept. John Wheeler seconded the motion. So voted.

Article 6. To see if the Town will vote to authorize the Town Clerk to approve additions to the check list. John Wheeler moved to accept. Ted Chick seconded the motion. So voted.

Article 7. Shall the voters authorize the listers to hire an appraiser to assist in conducting a town wide reappraisal.

Ralph Michael explained, the State of Vermont has ordered Plymouth to do a town wide reappraisal.

Bobbi Lambert-Lynds explained that the listers are not qualified to do the job of reappraising without the assistance of an outside firm.

Ralph Michael-We have interviewed several appraisal firms. The prices we have gotten range from \$65,000-\$100,000. The final cost will depend on how much of the work is done by the listers.

Eric Johnsen- The statewide rate is \$1.10 but because our property values are so askew it's \$1.46. A town wide reappraisal would level out

properties of similar values. That would bring our property rate down for at least the first year. No matter what the state says, we realize the Town needs to do this.

Tax Mapping will reduce the cost of a reappraisal because less time reading deeds will be required and will accurately determine property boundaries throughout the Town. Seymour Cohen moved to accept. Karen Evans seconded the motion. So voted.

Article 8. Shall the Town authorize the listers office to employ a tax mapping firm. Karen Evans moved to accept. Tim Sink seconded the motion. So voted.

Article 9. To see if the Town will vote to approve resolution to protect our farms, food and the environment. Rachel Stievater moved to accept. John Freeman seconded the motion. So voted.

Article 10. Will the Town vote to elect Constables for the term of 2 years. John Wheeler moved to accept. John Freeman seconded the motion. So voted.

Article 11. To see if the Town will vote to raise money to pay estimated expenses, and if so, how much.

Larry Lynds moved to accept \$355,203.33, adjusting the budget by \$8,940.00, due to an error.

John Wheeler seconded the motion.

Eric Johnsen-The school board approached the selectboard with expenditures that could be paid for by the town instead of on the school budget. The items total \$8,940

School Treasurer	\$ 740.
Rubbish Removal	\$1,300.
Annual Report	\$1,500.
Elf Program	\$1,200.
Ski Program	\$3,500.
Historical Society Bldg	\$ 700.

By doing this it should save the town about \$45,000. This is the reason these items were transferred from the school budget to the town budget. So voted.

Article 12. To do any other necessary business.

Thomas Harris stressed the need for volunteers for the fire dept.

Eric Johnsen presented a plaque to Margo Marrone for her years of service with the Plymouth Press.

Kim Yale asked why the constables don't have the proper radios needed in order to communicate with the police.

Janet Halka moved to suggest that the selectmen provide the type of radio that would allow the constables to speak with the police. Kim Yale seconded the motion. So voted.

John Wheeler moved to accept the town report as printed after making corrections on page 7 Humane Services \$6,121.50 and on page 12, \$355,203.33 to be raised by taxes. Jodi Parker seconded the motion. So voted.

John Wheeler moved to adjourn. Jodi Parker seconded the motion. So voted.

Rachel Lynds – Clerk

## SELECTBOARD REPORT

The Contract to parcel map our town was awarded to Cartographic Associates, Inc., of Littleton, NH, on March 27, 2003 for \$28,500.00, they began work at once. There have been two hearings, and the maps and software have been presented to the Town. All property owners should compare the acreage recorded on their tax records with the new mapping. Call Rachel, Town Clerk, at the Town Office at 672-3655. The mapping is a work in progress and an important tool for property appraisal, land planning and zoning. Cartographic will be making changes and updating the mapping on an annual basis.

The contract to reappraise all of the properties in the Town of Plymouth was awarded to Caroline Lockyer on April 9, 2003 for \$65,000. Our listers are being trained and are working with Caroline to accomplish the state-mandated property reappraisal. The listers anticipate that reappraisal notices will be sent out around June 1, 2004. The Selectboard thanks the listers, Carol Ackley, Bobbi Lynds, and Richard North for their hard work on this project.

The Town is now offering recycling and trash disposal every Saturday from noon to 3 at the Municipal Building. Call ABLE Waste Management at 672-3569 for details.

We were hoping to have our town forest, the Kennedy lot, marked and logged this winter, 2003-2004. This will now happen later in 2004. Tim Morton, Windsor County Forester, will mark trees and supervise the timber sale at no cost to the Town. We don't expect a large income from this harvest, but it will improve the health of the forest and increase the value of future harvests.

On December 6, 2003, an Act 68 informational meeting was held at the Municipal Building. About 75 people braved snowy roads to hear Rep. Alice Nitka and Senators Peter Welch, John Campbell, and Matt Dunne explain how the new education funding law will affect the Town of Plymouth. The Selectboard urges all Plymouth residents who own homes to apply for the property tax income-sensitivity component of Act 68. Also, all resident Vermont homeowners are required to file the new declaration of Vermont Homestead Form HS-131. One thing is certain:

Education funding will continue to be controversial and it will significantly affect Plymouth's finances.

Ralph Michael has decided not to run for reelection to the Selectboard. The people of Plymouth owe their gratitude to Ralph for his 15 consecutive years of service as a Selectman. His leadership, dedication, and knowledge will be missed.

The Selectboard wants to replace the 1994, L8000 4wd truck with a new 4wd dump truck. Truck options and prices will be presented at Town Meeting. We have money in the equipment fund to pay for this new truck.

The Selectboard wants to thank everyone who contributes their valuable time to make Plymouth a community, and not just another place on a map.

**WARNING**  
**PLYMOUTH TOWN SCHOOL DISTRICT**  
**MARCH 2, 2004**

The polls will open on Tuesday, March 2, 2004 at the Municipal Building from 10:00 a.m. to 7:00 p.m. for the purpose of voting by Australian Ballot. The business to be transacted to include:

**Tuesday, March 2, 2004**  
**Municipal Building**  
**10:00 a.m. to 7:00 a.m.**

Article I: To elect a Town School District Moderator (Title 16, Paragraph 562, Powers of Electorate, Item 2).

Article II: To elect a Town School District Clerk (Title 16, Paragraph 562, Powers of Electorate, Item 3).

Article III: To elect officers for the ensuing year.

Adopted and approved at a special meeting of the Board of School Directors of the Plymouth School District, Plymouth, Vermont, Duly called, notice and held on the 21<sup>st</sup> day of Jauuary, 2004.

Seymour Cohen, Chair  
Nancy Tanzer, Clerk  
Patricia Harris, Board Member

## WARNING

The legal voters of Plymouth, Vermont are hereby warned to meet at the Plymouth Municipal Building at 7:00 P.M. on Monday, March 1, 2004, to transact at that time business not involving voting by Australian Ballot or voting required by law to be by ballot. The polls will be open on Tuesday, March 2, 2004, at the Plymouth Municipal Building from 10:00 A.M. to 7:00 P.M. for the purpose of voting by Australian Ballot. The business to be transacted will include:

**Article 1.** To elect Town Officers for the ensuing year by Australian Ballot:  
Moderator, Selectman, Lister, Auditor, Collector of Delinquent Taxes, Grand Juror, Town Agent, Trustee of Public Funds.

**Article 2.** Will the Town vote \$7,128.00 for Human Services to be allocated as follows:

<b>A.</b>	Visiting Nurse Alliance	1,830.00
<b>B.</b>	Mental Health Services	439.00
<b>C.</b>	George G. Aikens Project	50.00

<b>M.</b>	Black River Good Neighbors	150.00
<b>N.</b>	Plymouth Press	200.00
<b>O.</b>	Plymouth Historical Monument	<u>650.00</u>
	<b>Total</b>	<b>7,128.00</b>

**Article 3.** To see if the Town will collect taxes in the same manner as in the past.

**Article 4.** To see if delinquent taxes shall be printed in the Town Report.

MARTHA LUSSIER  
HEALTH INFORMATION & REFERRAL SERVICES, INC. (HIRS)

The list of more than 80 caregivers registered with the Health Information and Referral Services (HIRS) will provide the names of qualified caregivers for those seeking in-home health care for family or friends. Some of the caregivers will work full-time; others are interested in part-time work. The HIRS Board of Directors makes this essential community service available, without charge, to all those who live in the greater Woodstock area including Barnard, Bridgewater, Hartland, Plymouth, Pomfret and Reading. During 2003 we have earned the trust of 178 families who depended on this referral service to find the help they needed.

The HIRS is appealing for broad support from the area we serve. In the past year 105 individuals, eight organizations with local interests and all seven towns helped us to sustain this vital resource. Many gifts have been given in memory of those whom we have helped through difficult times.

The HIRS office (457-3478) on the second floor of Simmons House, in front of the Dartmouth-Ottawaquechee Health Center in Woodstock, is open Monday, Wednesday and Thursday mornings, from 8am to 12 noon. Our coordinator, Lynne Tracy, checks regularly for messages left on the answering machine during non-office hours. Our success is due to her reliable and compassionate service.

Submitted by Gerry Fields – 457-4839

## TOWN OFFICERS ELECTED

<b>Moderator</b>	<b>Thomas W. Harris</b>	<b>2003-2004</b>
<b>Clerk &amp; Treasurer</b>	<b>Rachel M. Lynds</b>	<b>2002-2005</b>

## **Plymouth First Response Team “Update”**

The Plymouth First Response Team (PFRT) continues its efforts to assist medical/trauma patients in the Town of Plymouth. Rapid pre-hospital care and rapid access to advanced care in the hospital setting often affects patient outcome, therefore, our role in expediting this is crucial.

PFRT has recently been successful in obtaining two Homeland Security grants. Money from the grants will be used to purchase upgraded radio communication and other emergency equipment. Soon we will have the ability to communicate directly with police in surrounding towns, Windsor County Sheriffs and the Vermont State Police. We have also acquired one more AEDs (automated external defibrillator) that will be placed with one of our PFRT members. This will give us a total of seven AEDs that are strategically located throughout town – six with PFRT members and one at the Town Hall/Fire Station.

Mary Jo and Hank Schimpfhauser recently became certified American Heart Association CPR instructors. CPR classes (adult, child and/or infant) will be offered to town residents and each class will be limited to six participants. If you are interested in attending a CPR class, please contact Mary Jo or Hank Schimpfhauser at 802-672-6092.

PFRT will be initiating a new program for Plymouth in 2004. It will be called the “VIAL OF LIFE” (VOL). This program is strictly voluntary; participants (Plymouth residents) will complete a form and put it in a small container in their freezer. A stick-on label is then placed on the refrigerator door indicating that the VOL container is inside. This form will contain information such as the person’s name, a list of medications he or she is on (plus dosages), medications that person is allergic to, doctor’s name and contact information, past medical history, and contact information of a person to call in case of emergency. This will provide PFRT members, the ambulance crew, and hospital staff with a tremendous amount of accurate information. Trying to collect this information under stressful conditions at the time of an actual emergency is often difficult or impossible. We are now having labels and containers printed. Anyone who wants to participate in the VOL program should contact Mary Jo or Hank Schimpfhauser.

PFRT currently consists of twelve members. Since our PFRT is strictly volunteer organization; we are always looking for new members. If anyone is interested in joining our team, please contact Hank Schimpfhauser/Coordinator at 802-672-6092.

## **PLYMOUTH 911 UPDATE**

**By Hank Schimpfhauser/911 Coordinator**

Over the past year, the entire bank of 911 records for the Town of Plymouth has been updated. This has involved reviewing all “Enhanced 911” information available at the time of the update and comparing it with Plymouth’s Grand List, change of title records, phone directories, and also added information provided by VTEL, Ludlow Telephone, and Verizon. It has also involved many, many phone calls and site visits to confirm who lives where, and the correct contact information. This has been a massive undertaking as records have not been updated since the initiation of our 911 system several years ago.

All of this “updated information was then put in a usable format (by computer) and sent on to the 911 folks in Burlington, and also on to all of the individual phone companies! The State 911 map for Plymouth also had to be updated with new roads and homes added in.

All of this updated information is now in the “Enhanced 911” system for use in case of emergencies in Plymouth.

It is interesting to note that the 911 system, as it is today, can actually pull up satellite maps of any road in Plymouth---all structures/homes/driveways, etc. show clearly---some even with the color of your home! All are identified by emergency 911 numbers which enable the emergency dispatchers to “direct” all first responder/fire/ambulance personnel to the correct site if need be. This, along with the updated information we have just provided, leaves little room for error.

“Little room” here means there IS an ongoing gap---many homeowners, even after many requests, still do not have emergency 911 numbers posted. This leaves our rescue personnel at a distinct disadvantage when trying to find someone quickly, and even puts them at high risk during inclement weather. We are currently working on a program to ensure that “everyone” in Plymouth has an emergency 911 number posted. If anyone would like to order a number in advance, please just call Rachel Lynds (Town Clerk) at 672-3655; there is no cost for this! Your help in this matter will reduce the cost associated with this numbering project and help assure the safety of the rescuers who volunteer to help you.

## Plymouth Recycle & Trash Drop Off

We would like to announce that we now offer weekly recycling at the Plymouth Town Garage every Saturday from 12 pm to 3 pm. This recycle effort is single stream recycling, which means you can recycle the following in one container: #1 & #2 plastic, tin cans, aluminum cans, and aluminum foil, newspaper, magazines, mixed paper, cardboard (corrugated) and all glass containers. All containers must be washed and with no covers. Newspapers and magazines can be in cardboard boxes or paper bags, no plastic bags please. We also offer trash drop off at \$2 per 25 lbs. bag. Miscellaneous metal is at no charge at this time. Other items are accepted by arrangement with the attendant. By offering recycling on a weekly basis we hope to increase the efforts of recycling by all. For any questions or additional information please contact Art Lynds, District Waste Representative for the Town of Plymouth, at (802) 672-3569.

## THE PLYMOUTH PRESS

The mission of the Plymouth Press is to serve the whole community, enhancing community by providing news and information, recording births, marriages, and deaths , and helping the community plan ahead for events. The Plymouth Press sells ad for income to print the paper and to help advertisers make themselves known, encouraging the use of local businesses. The Plymouth Press will strive to remain neutral and non-political. We publish twice a year, Memorial Day weekend and the first week of November. General deadlines for the submission of ads and news are April 1 and September 1. We print 500 copies for each issue, which are distributed to all addresses at the Plymouth Post Office and a list of other resident addresses maintained by the circulation manager. If you are not currently receiving the Press and would like to, contact Kathy Lynds at PO Box 47, Plymouth VT 05056 or [rklynds@vermontel.net](mailto:rklynds@vermontel.net)

Copies are mailed by subscription to non-resident addresses for \$2.00 per issue. We welcome volunteers to help with soliciting ads and calendars of events, writing articles, proof-reading, and collating and mailing. We would welcome someone with editorial experience to take over the organizational duties. Volunteers please email [rklynds@vermontel.net](mailto:rklynds@vermontel.net) so you will be notified of our first meeting, sometime in March. Also, please submit photos of Plymouth events to PO Box 47.

Each year the Town Budget has included \$200 for mailing costs for the Plymouth Press. We ask for that amount again for 2004.

Thank you sincerely,  
Kathy Lynds, Interim Editor

## VERMONT COALITION OF MUNICIPALITIES

### Annual Report – 2003

**The organized effort to substantially reform Act 60 and reduce the reliance on the property tax to fund education is not over.** Despite the recent enactment of Act 60 reform, we believe the promise of lower education property taxes will be short term.

We contend that in July of 2004, when this new law goes into effect, the property taxes will be a good deal higher than estimated and will continue to rise rapidly over the next two years. When the rising tax impact is felt, the pressure to reform the statewide property tax system will greatly increase.

In a letter to all legislators in May of 2003, we stated the following reasons for our opposition to the changes in the reform legislation because it still retained many of the onerous features that were a part of Act 60 such as:

- **Over-dependence on the property tax to fund education;**
- **Reliance on a flawed property valuation and equalization system;**
- **Rapidly rising property values, which under the Common Level of Appraisal (CLA) system, increase tax rates;**
- **A system based on tax rate instead of tax burden;**
- **Lack of cost controls over rising education costs;**
- **Tax policy inhibiting economic development and job creation;**

As noted above, there continue to be serious problems with the state system of financing education. **The Coalition intends to continue to be an organized force fighting for property tax relief. In the coming year we also intend to monitor closely the studies on cost containment and grand list issues established by the law.**

**We will also work through the legislature and the administration to correct the inequities in the education equalization system and the problems caused in the way property values are determined.**

## **TWO RIVERS-OTTAUQUECHEE REGIONAL COMMISSION 2003 YEAR-END REPORT**

During 2003, the Regional Commission continued to provide technical expertise and resources for municipal officials as well as advocated for members' needs with the State Legislature and with state and federal agencies. We function as staff for many of our towns and most of our work was initiated at the request of Selectboards, Planning commissions, and other town officials. Major accomplishments for this past year included:

**Regional and Local Transportation planning** – The Commission's Transportation Advisory Committee (TAC) worked with member municipalities on numerous local transportation projects. Two Rivers' staff wrote many Transportation Enhancement Grants and assisted our towns in procuring design engineers, processing requisitions for payment, and organizing public meetings for local input – Two Rivers helped projects get built. This office also assisted communities as they worked their way through the environmental permitting process on transportation projects.

**Local Technical Assistance** – Over the past year, we provided advice and support to all town officials on a wide range of activities. This included grant writing and administration, assistance on town plan revisions, ordinance development, GIS mapping, transportation planning, and Act 250-development review. The TRORC Region once again received the largest share of municipal planning grants statewide. This allowed our towns to conduct the planning necessary to respond to changes in the state and federal requirements.

**Emergency Planning Activities** – The regional Commission's emergency management planning program continued to be funded by FEMA and the Department of Homeland Security. Projects focused on all-hazards Planning associated with natural and man-made disasters. Our staff helped write and coordinate many of the \$800,000 First Responder Grants for safety equipment received by our town.

**Economic Development Planning** – In 2003, the Regional Commission continued working on a \$200,000 Environmental Protection Agency grant to assess the level of contamination on many sites throughout our Region.

Once the level of contamination is known, the Regional Commission will help towns locate funding sources for clean up. Additional federal dollars are being sought to continue this program. In addition, TRORC spent considerable time obtaining and maintaining the eligibility of our Region for federal economic development administration money. This resulted in over \$800,000 for the town of Randolph.

We value your continued support and look forward to serving you in the coming year. Please contact us if you have any questions.

Respectfully submitted,

Peter G. Gregory, AICP, Executive Director  
William B. Emmons, III, Chairperson, Pomfret

## **Health Care and Rehabilitation Services Request for support from the Town of Plymouth**

Health Care and Rehabilitation Services of Southeastern Vermont requests an appropriation of \$439.00 from the Town of Plymouth at the 2004 Town Meeting to help defray the cost of services to its residents for the Mental Health Walk-In-Clinic. In the year ending June 30, 2003, our agency provided a comprehensive range of community based services to 4,424 residents of Windsor and Windham counties. The services that are available to the residents of your community are as follows:

**Outpatient Mental Health Services:** The mission is to provide caring, high quality, cost-effective mental health care for our community at every level of need. Our highly trained staff of professional therapists, social workers, and psychiatrists help individuals and families cope with stress and anxiety, develop their full potential and maximize control of their lives. We make it our paramount goal to ensure that children, adolescents, and adults who come to us receive appropriate, timely care. We are now offering walk-in clinics to any resident who has an urgent need to see a mental health counselor for support and more effective coordination of services.

**Alcohol & Drug Treatment Services:** For adults and family members who are adversely affected by these of alcohol or drugs, we offer a comprehensive program of assessment, inpatient referral, outreach, outpatient treatment and aftercare dedicated to aiding the recovery from chemical dependency and its effects.

**Community Rehabilitation & Treatment Program:** The CRT program provides comprehensive services to adults over the age of 18 who are suffering from a mental illness so serious that it interferes with that person's capacity to function in the community. We provide help and information to concerned family members and help clients regain stability and learn how to manage their mental illness, either in a hospital setting or as outpatients.

**Community Services Division:** The CSD provides services to people with developmental disabilities and their families. Services are available

to people of all ages who have been found eligible, and each person being served receives an individually written program to meet his or her needs.

**The Alternatives Program:** A short-term alternative to hospitalization, the Alternatives Program provides crisis stabilization, respite and support to clients with psychiatric disabilities or to any adult experiencing an acute mental health crisis. We also provide a transitional residence for those stepping down from an inpatient setting. Our program provides a very desirable alternative to hospitalization in being less costly and less structured, while at the same time providing individualized attention in a more homelike, community based setting.

**Emergency Services:** The Emergency Services Team has a very specific mission to act quickly in critical situations. Specially trained mental health professionals are available 24 hours a day for emergencies. Anyone may use this service when an emergency arises including individuals of any age, family or friends of an individual in crisis; hospitals and nursing homes; police; schools; clergy; businesses and other community agencies.

We thank the board and the citizens of Plymouth for your past support and for your continued interest in Health Care & Rehabilitation Services of Southeastern Vermont.

## VERMONT LEAGUE OF CITIES AND TOWNS

The Vermont League of Cities and Towns' mission is to serve and strengthen Vermont local government. Most government services used by Vermonters on a daily basis are those provided by its cities and towns. These include highways, police, fire, recreation, sewer and water. Vermont municipal officials are responsible for raising and expending nearly one-half of the non-federal taxes raised in the state.

In large part, volunteer elected and appointed municipal officials lead these governments. VLCT provides the following services to its member cities and towns to serve and strengthen the ability of the officials to provide quality services at affordable levels of taxation:

- **Advocacy representation before the State legislature, administration and judiciary, ensuring that municipalities have the resources and authority to serve their citizens.** VLCT is a leader in the education finance debate and in securing revenues for town highway and bridge maintenance programs.
- **Training, technical assistance and publications to strengthen the ability of municipal officials to serve their communities.** In the past year, we have responded to almost 50,000 telephone calls, 21,200 of them from local officials on the toll-free telephone line available to them. Our Municipal Assistance Center and Group services staffs provided over 750 workshops and small group training sessions attended by over 4,000 municipal officials and answered over 2,300 legal questions posed by municipal officials. VLCT distributed over 575 copies of local government publications and distributed over 3,200 hard copies or electronic mail versions of VLCT's *Weekly Legislative Report* to municipal officials each week during the legislative session.
- **Purchasing opportunities to provide needed services at the lowest cost.** These include an array of municipal insurance programs, among many others. Examples of how this saves local taxpayers dollars are the securing of municipal employee health insurance and liability coverage for town operations. The VLCT Health Trust represents the most affordable option available to provide health insurance to your employees. The value of VLCT PACIF to all our members was made painfully clear last year when the major re-insurer for the largest private sector option available

for municipal property and casualty insurance was declared insolvent by the State of Pennsylvania, threatening the payment of claims made under those policies.

All 246 Vermont cities and towns are members of the VLCT, along with 140 other municipal entities including villages and fire districts. Membership dues are \$.72 per capita plus a \$250 service fee per year. VLCT maintains its offices in Montpelier and employs 42 staff members. It has an annual operating budget of approximately \$3.0 million.

Individuals interested in finding out more about Vermont League of Cities and Towns, including reviewing its audited financial statements can visit its website at [www.vlct.org](http://www.vlct.org).

## WINDSOR COUNTY COURT DIVERSION PROGRAMS INC.

### 2004-2005 Request to Replace County Support

Over the last decade, Windsor County Court Diversion (WCCD) received funding on behalf of the Town of Plymouth within an appropriation from the County. This year, the Judge Boardman and Cooper have removed non-governmental agencies from the county budget, requiring us to approach each town directly. This request includes \$168 representing a *pro rata* share of the County's appropriation. *This is not a new solicitation, but rather a request for ongoing support from the Town in a different form.*

Windsor County Court Diversion is a private, nonprofit community-based program providing an opportunity for offenders to reconcile with victims and the community by paying restitution, by participating in personal development, and by engaging in community service. The program is a timely, locally-controlled alternative to the conventional state-run court and correctional system. It is widely endorsed as a cost-effective alternative.

Offenders who participate in WCCD programs take responsibility for their offenses through a contractual agreement made with a volunteer-run Community Justice Board composed of community members. On successful completion of their contract, offenders begin anew without a criminal record, the importance of which is obvious and cannot be overstated. Contracts may include compensation to the victims and the communities, formal apologies, monetary restitution and community service. Many offenders undergo one or more of the following programs, services or assistance: counseling, job training, budget counseling and alcohol and drug abuse evaluation and counseling. This course of restorative justice had been shown to help offenders stay out of trouble and take productive control of their lives.

We hasten to point out that Diversion saves Plymouth taxpayers considerable money. While conventional court proceedings can easily exceed \$2,500 per case, our locally-controlled Court Diversion program costs one-tenth as much. Further, our program is 99.8 percent efficient in helping victims recover out-of-pocket costs. Moreover, our rate for repeat offenses is just six percent compared to fifty-five percent for government run approaches.

Clearly these savings impact directly on Town budgets and taxpayers throughout our County and our State. Additionally, WCCD continues to improve its program and continues to see its effectiveness increase while the cost to taxpayers goes down.

We welcome an opportunity to answer any questions and to present more information about Windsor County Court Diversion to you. Please feel free to call our Executive Director, Paul Haskell, at 281-5060.

Richard M. McCostis, President  
Board of Trustees

## **“GREEN UP VERMONT”**

Green Up Day, May 1 2004

Thirty-three years strong, “Green Up Day” is a special day when Vermonters clean and spruce up their communities. We were the first state in our nation to designate a day for such cleaning of the entire state. Working together, we can keep our unique Green Up spirit growing for Vermont.

Green Up Vermont is the not-for-profit 501 (3) organization that promotes litter-free communities by supporting Green Up Day, civic pride and education.

Over 3,000 Vermonters participated in Green Up Day 2003, using over 33,000 Green Up bags, collecting over 200 tons of trash, piles of mixed metals and tires. Green Up Vermont arranged widespread promotional support in excess of \$25,000.

The success of Green Up for Vermont depends upon two essential ingredients. One is the combined efforts of individuals and civic groups who volunteer to make it all possible; and two, the financial support given by the public and private sectors throughout Vermont.

With your town’s help, we can continue our unique annual Vermont tradition of, taking care of our beautiful landscape and promoting civic pride so our children grow up with Green Up.

Careful use of resources minimizes Green Up’s costs. The State appropriates funds that cover about 15 percent of our budget. The rest comes from gifts from towns, individuals and businesses. These funds pay for supplies, promotion and services of two part-time employees. We ask your community to contribute, according to population, to keep Green Up growing for Vermont.

## **THE VERMONT CENTER FOR INDEPENDENT LIVING**

The Vermont Center for Independent Living (VCIL) teaches people with significant disabilities how to gain more control over their lives and how to access tools and services to live more independently. We also conduct public education and systems change activities that promote the full inclusion of disabled people into community life.

An estimated one in five Vermonters has a disability. VCL, a private not-for-profit corporation, is Vermont's first and only cross-disability center for independent living and the first organization in the state to be directed and staffed by a majority of people with diverse disabilities.

Statewide, from October 1, 2002 through September 11, 2003, VCIL responded to 1,974 requests from individuals, agencies and community groups for information and referrals on a broad range of subjects related to living with a disability. We provide one on one peer counseling to 342 individuals to help increase their independent living skills and life opportunities; provided 405 households with financial and technical assistance for making their bathrooms and entrances accessible to a disabled family member; provided over 340 with personal assistance and/or assistive technology; provided communications equipment to 67 Deaf, hard-of-hearing or speech-impaired individuals through our Telecommunications Equipment Distribution Program, and served home delivered meals to almost 533 Vermonters through VCIL's Meals on Wheels program for Individuals Under 60 with Disabilities.

VCIL's central office is in downtown Montpelier with three smaller regional offices in Bennington, Brattleboro and Burlington. The Montpelier office houses our resource library and our toll-free information line, which provides answers to disability-related questions from every Vermont community. Our locally based Peer Advocacy Counselors are available to people with disabilities in every municipality in Vermont.

During FY 2003, VCIL provide direct services to Vermonters, utilizing the following services/programs:

1. Information & Referral
2. Home and Community Access program
3. Meals on Wheels (people with disabilities under the age of 60)
4. Peer Advocacy Counseling
5. Vermont Telecommunications Equipment Distribution Program
6. Sue Williams Freedom Fund

**To learn more about VCIL, call us toll-free at 1-800-635-1522**

- Article 5.** To see if the voters shall vote to allocate an additional \$12,000.00 for completion of the reappraisal.
- Article 6.** To see if the voters shall vote to approve the purchase of a new truck.
- Article 7.** To see if the voters of Plymouth shall vote to raise money to pay estimated expenses, and if so, how much.
- Article 8.** To do any other business.

Dated at Plymouth, Vermont, this 26<sup>th</sup> day of January, 2004.

## BLACK RIVER VALLEY SENIOR CENTER

The Black River Valley Senior Center is more than you can ever imagine it to be. We are an active senior center whose mission is to have a place where seniors and others can congregate and have a nutritious noontime meal and also provide a wide variety of other activities.

Our programs continue to promote successful aging and include exercise, cards and bingo, health care, such as foot care, blood pressure and flu shots. We have a wheelchair to lend out as well as an exercise bike in our library. Other activities include music and weekly trips to local restaurants. This usually takes place on Tuesdays. We also schedule trips to shows and plays at area dinner theaters. There are speakers who come in to give the seniors information on items such as taxes, health care, and legal matters.

In addition we deliver "Meals-On-Wheels" throughout the entire week to those who are homebound in the towns we serve. Our annual meal count is now around 13, 520 or an average of about 65 meals daily. Our log book of attendees and kitchen records indicate nearly 2,000 meals were served to Plymouth seniors during 2002-2003 period. We ask the towns we serve to subsidize the cost of our meal program. For the past five years we kept the cost of the "All you can eat Hot Lunch" at \$3.00. Our meal costs continue to rise but with your help, along with other generous donations, we can keep the seniors cost low. We would greatly appreciate the taxpayer's support of \$1.00 per meal or a subsidy of \$2,000.

Richard B. North  
Executive Director

**WINDSOR COUNTY YOUTH SERVICES  
MOUNTAINSIDE HOUSE  
6 MILL STREET  
LUDLOW, VT 05149  
Tel: 228-7783**

W.C.Y.S. is the organization that runs Mountainside House a shelter for homeless and runaway teens. This year we housed 1 child from Plymouth for a total of 3 nights. We do not charge for our services, which include housing, family counseling and contact with the schools. This leaves us looking for your town's financial help. In light of the amount of work we do for your town and other towns we are asking \$100.00 from the Town budget. This is the amount of last years donation for which we are grateful.

## WINDSOR COUNTY PARTNERS

### Mentors for Youths

Windsor County Partners' youth mentoring program provides at-risk youth aged 10 through 17 with positive, healthy, and supportive adult role models that help improve their self-esteem, direction, and leadership potential. The U.S. Department of Health and Human Services has recognized us as "an outstanding instance of what can be done with limited resources and a great personal commitment."

Last year we supported 39 Partnerships. We also took steps to begin to build our capacity to serve more youth, and to plan for future growth of our program. We instituted new policies in regard to our volunteers and their Partnerships to better ensure the safety of children in our program, including the requirement of an F.B.I. criminal background check for all mentors. We also sponsored several workshops, organized new special events, and helped youngsters attend camp or classes in which they had a special interest.

It is the long-term support of the community that has helped our organization to grow and succeed over the last three decades as a vibrant leader in youth mentoring in our community. Our long track record and well-established program continue to positively influence our children so they can improve their school grades, as well as peer and family relationships; avoid the use of alcohol, tobacco, and other drugs; and seek to achieve higher goals in life.

For more information about our services, please contact our Executive Director, Mary Beth Heiskell, at (802) 674-5101 or (800) 491-5101 or [windsor.county.partners@valley.net](mailto:windsor.county.partners@valley.net).

## **Stepping Stones Preschool**

The Volunteer School Board of Stepping Stones Preschool would like to request consideration for approval of funds in the amount of \$200.00 in 2004 to maintain our current preschool program.

In operation for over 25 years, Stepping Stones offers one of the only quality, affordable preschool programs serving Ludlow/Cavendish and surrounding communities. Stepping Stones Preschool is a privately operated, non-profit early childhood program that is state licensed for ages two through seven. Our mission is to promote the social, emotional, and intellectual development of children in the preschool and kindergarten age group by providing a quality, play-based curriculum. Over the years, Stepping Stones has had several locations and in 1997 moved to its current location on Fletcher Farm property on Route 103 on the Ludlow/Cavendish town line.

Our program currently serves 34 children ages three through six who live in the following towns: Cavendish, Proctorsville, Ludlow, Mount Holly, Plymouth, Chester and Springfield. In the past several years, Stepping Stones has had four children from Plymouth enrolled in our program.

Stepping Stones offers full day programs (7:30-5:30 ), as well as morning and afternoon options, five days a week. This year we began offering an after-school program for kindergarten students, and in the future we hope to expand our program and facilities to include toddlers. We are participating with two school districts and their EEE programs, and we accept Child Care Subsidy. Within the next eighteen months, we expect to obtain NAEYC accreditation.

A volunteer school board that consists of parents governs Stepping Stones Preschool. The School board is responsible for the hiring of employees, financial operation of the school, setting school policy, and maintenance and improvements of school property. Stepping Stones operates solely on tuition, donations and fundraising events.

We would like to thank you for your considerations. We look forward to hearing from you regarding our request. If you have any questions, please feel free to call the school at 226-7760.

Sincerely,  
The Volunteer Board of Directors  
Stepping Stones Preschool

## **Black River Good Neighbor Services**

The mission of the Black River Good Neighbor Services (BRGNS) is to provide support to needy families and individuals in our local community. Often people experience hardships and are unable to make ends meet. For those who have nowhere to turn for support, BRGNS provides help with food, clothing, shelter and financial aid for fuel and utilities to help them get back on their feet.

This past year requests for assistance reached an all time high due to the substantial rise in the cost of fuel, utilities and general living expenses. We struggled to keep up with demand but through the generous monetary donations and support from residents, second homeowners, businesses, churches and civic organizations, we were able to give assistance to those who needed us.

July 1, 2002 to June 30, 2003

- BRGNS provided \$376.23 in direct financial assistance to 8 individuals and families with 4 children for rent, electricity, fuel and emergency shelter.
- Over \$60.00 worth of perishable and non-perishable food items were sorted, shelved and redistributed to 1 family including one child in Plymouth. As a continuing program BRGNS distributed monthly USDA commodities amounting to over 1,000 items. Additional food items were added by direct purchase from our own funds.
- The annual Christmas Basket Program provided an entire holiday meal of a turkey or chicken with all the fixings to 125 families in our area. Toys, clothing and other gifts were also given to the children and senior citizens.

On behalf of the BRGNS Board of Directors and Manager, we would like to thank everyone from the town of Plymouth for their continued support. From the volunteers who help out at the store to the generous benefactors from our communities, we are very fortunate to have such caring, supportive and committed neighbors. Our ability to help others is truly dependent on your support.

Respectfully submitted,  
Robin Danowski, Manager  
BRGNS Board of Directors
