About Lt. Gov. Phil Scott's "Vermont Everyday Jobs" Initiative

Lt. Governor Phil Scott started his "Vermont Everyday Jobs" initiative to promote Vermont businesses and highlight the hard work that Vermonters do every day in all areas of our economy. By finding out firsthand, and in a hands-on manner, what it takes to make Vermont businesses work, the Lt. Governor will gain a better understanding of what state government can do to help those businesses work better. The tour will also help to facilitate relationships and ongoing dialogue between Vermont business leaders and their representatives in state government.
