Building Bright Futures is nonprofit, public/private partnership

WHAT WE DO

SUPPORT 12 REGIONAL COUNCILS and their ability to promote the importance of early childhood through technical support, funding, statewide action planning and other philanthropic, state, federal and local grants directed toward local communities.

MONITOR, TRACK & REPORT DATA to the public about the well-being of young children and their families through the online data portal **Vermont Insights**, public education and annual publication of **How Are Vermont's Young Children?**

ADVISE the administration and state legislature about Vermont's young children and their families through our annual report, **How Are Vermont's Young Children?**

COORDINATE VERMONT'S EARLY CHILDHOOD ACTION PLAN at the state and regional level.

PURSUE, ACCEPT AND DISBURSE FUNDING according to the Vermont Early Childhood Action Plan.

EDUCATE the public about the importance of investing in early care, health and education.
